Poetics of Influence Harold Bloom,1988 Poetics of Influence Harold Bloom,1988 **Poetics of Influence** Harold Bloom,1988 **The Betrayal of the Humanities** Bernard M. Levinson,Robert P. Ericksen,2022-09-06 How did the academy react to the rise dominance and ultimate fall of Germany s Third Reich Did German professors of the humanities have to tell themselves lies about their regime s activities or its victims to sleep at night Did they endorse the regime Or did they look the other way whether out of deliberate denial or out of fear for their own personal safety The Betrayal of the Humanities The University during the Third Reich is a collection of groundbreaking essays that shed light on this previously overlooked piece of history The Betrayal of the Humanities accepts the regrettable news that academics and intellectuals in Nazi Germany betrayed the humanities and explores what went wrong what occurred at the universities and what happened to the major disciplines of the humanities under National Socialism The Betrayal of the Humanities details not only how individual scholars particular departments and even entire universities collaborated with the Nazi regime but also examines the legacy of this era on higher education in Germany In particular it looks at the peculiar position of many German scholars in the post war world having to defend their own work or the work of their mentors while simultaneously not appearing to accept Nazism The Anxiety of Influence Harold Bloom,1973 **Revolving around the Bible: A Study of Northrop Frye** János Kenyeres,2003 The Anatomy of Influence Harold Bloom,2011-05-03 Bloom leads readers through the labyrinthine paths which link the writers and critics who have informed and inspired him for so many years **Transferring to America** Rael Meyerowitz,1995-09-14 This book uses recent psychoanalytic theory to analyze the work of three contemporary scholars Harold Bloom Stanley Cavell and Sacvan Bercovitch while viewing their work as expressing Jewish immigrant desires for integration into American culture **Yeats as Precursor** S. Matthews,2000-01-27 As both a late Romantic and a modern W B Yeats has proved to be perhaps the most influential poet of the early twentieth century In this original study Steven Matthews traces through close readings of significant poems the flow of Yeatsian influence across time and cultural space By engaging with the formalist criticism of Harold Bloom and Paul de Man in their dialogues with Jacques Derrida he also considers Yeats s significance as the founding presence within the major poetry criticism of the century

Evolution and Literary Theory Joseph Carroll,1995 Over the past two decades poststructuralism in its myriad forms has come to dominate literary criticism to the exclusion of virtually any other point of view Few scholars have escaped the coercive authority of its programmatic radicalism In Evolution and Literary Theory Joseph Carroll vigorously attacks the foundational principles of poststructuralism and offers in their stead a bold new theory that situates literary criticism within the matrix of evolutionary theory Lands of Likeness Kevin Hart,2024-05-31 An original and profound exploration of contemplation from philosopher theologian and poet Kevin Hart In Lands of Likeness Kevin Hart develops a new hermeneutics of contemplation through a meditation on Christian thought and secular philosophy Drawing on Kant

Schopenhauer Coleridge and Husserl Hart first charts the emergence of contemplation in and beyond the Romantic era Next Hart shows this hermeneutic at work in poetry by Gerard Manley Hopkins Marianne Moore Wallace Stevens and others Delivered in its original form as the prestigious Gifford Lectures *Lands of Likeness* is a revelatory meditation on contemplation for the modern world **The Johns Hopkins Guide to Literary Theory and Criticism** Michael Groden, Martin Kreiswirth, Imre Szeman, 2005 Publisher Description *Poets and Poems* Harold Bloom, 2009 Presents a compilation of Bloom's introductions to the Modern critical views and Modern critical interpretations series of books focusing on poets and poems **A Map of Misreading** Harold Bloom, 2003 The second volume in Bloom's series of works which reveal his theory of revisionism A Map of Misreading demonstrates his theory that patterns of imagery in poems represent both a response to and a defense against the influence of precursor poems **The American Humanities Index** Stephen H. Goode, 1993 The A-Z Guide to Modern Literary and Cultural Theorists Stuart Sim, 1995 *The MacArthur Fellows Program* John D. and Catherine T.
