

Psychic Being

so all the world can see the true
and need not more to just believe
the lying doubts that hold us back
to experiencing that can not
be told, or felt, or seen by means
of physical or psychic beings
but only known by those who go
the final mile and know the known
That cannot be in anyway
delayed or felled for other's say.
It can't be told but's shared as One.
The only One that I've become
to share this dream with you to see
that we can see to be what we
can be the only way to see.

A Fairies Tell (Book 4)
