Toledano,2012-02-01 In the Ottoman Empire many members of the ruling elite were legally slaves of the sultan and therefore could technically be ordered to surrender their labor their property or their lives at any moment Nevertheless slavery provided a means of social mobility conferring status and political power within the military the bureaucracy or the domestic household and formed an essential part of patronage networks Ehud R Toledano s exploration of slavery from the Ottoman viewpoint is based on extensive research in British French and Turkish archives and offers rich original and important insights into Ottoman life and thought In an attempt to humanize the narrative and take it beyond the plane of numbers tables and charts Toledano examines the situations of individuals representing the principal realms of Ottoman slavery female harem slaves the sultan s military and civilian kuls court and elite eunuchs domestic slaves Circassian agricultural slaves slave dealers and slave owners Slavery and Abolition in the Ottoman Middle East makes available new and significantly revised studies on nineteenth century Middle Eastern slavery and suggests general

approaches to the study of slavery in different cultures      **Captives and Companions** Justin Marozzi, 2025-10-21 The definitive history of the slave trade in the Islamic world a story that has been overshadowed by its notorious but shorter lived Atlantic counterpart Slavery in the Islamic world has a long complex and controversial history In the earliest days of Islam Arab Muslims enslaved men women and children as the spoils of war In the following centuries young boys were imported to imperial Islamic courts in enormous numbers Some were castrated to serve as eunuch guardians of sacred spaces from the imperial harem of Istanbul to the Prophet s Mosque in Medina Others were harvested by the Ottomans to serve as Janissaries the sultan s elite infantry unit Some even rose to the highest levels of political and military command making a mockery of their slave status For women leading concubines became powerful figures in their own right In the ninth century Golden Age of Baghdad the most beautiful and accomplished courtesans were among the richest most celebrated figures of their day In the twentieth century more than a thousand years later their cosmopolitan counterparts were still entertaining Ottoman sultans Yet it was Africa which bore the brunt of the Islamic world s insatiable demand for slave labour Slavers plied its Mediterranean Atlantic and Indian Ocean coasts traders raided inland for human cargo and millions of enslaved Africans trudged across the Sahara into captivity Meanwhile North African corsairs turned the Mediterranean into a slaving free for all between Muslims Christians and Jews The sheer longevity of slavery was no less surprising Arab Muslims adapted and regulated this practice within an Islamic context Sanctioned by the Prophet Mohammed legitimated by the Quran and holy law slavery endured for fifteen centuries Abolition had few champions and came late in the day hereditary slavery continues even today in Mali and Mauritania **Captives and Companions** takes the reader on an extraordinary historical journey across deserts continents and oceans from Baghdad to Bamako Tripoli to Timbuktu Istanbul to the Black Sea and reveals a hidden but vital chapter in our understanding of world civilization
