Art Julia Pond,2024-09-25 In this study the engaging art created by children s author Margaret Wise Brown receives the critical attention it deserves as a lasting contribution to American children s literature Through analysis of her dozens of titles published during the height of western Modernism this scholarly text shares Brown s importance and impact from the perspective of Brown s work rather than biographically Moving beyond such popular titles as Goodnight Moon and The Runaway Bunny into deeper cuts reveals how Brown s oeuvre bridges multiple disciplines including writing visual art philosophy and music Her projects successfully experiment with artistic collaboration and synesthesia as a natural expression for a child readership while both contributing to and reflecting high Modernism amidst the two World Wars The quality of Brown s writing and the maturity of her themes reveal respect for her child audience and recommend her work to the generations of readers who followed her early death As this book demonstrates Margaret Wise Brown remains one of the truly great authors of children s literature **No Conscience, No Crime** Deborah Crumpton Barkley,2014-06-17 Kathryn

Patton is an energetic strong minded mother of three who is always up for a good mystery While she barely feels part of her marriage and family Kathryn earnestly strives to be a devoted young professional climbing toward partnership at her CPA firm However feelings of despair and ambivalence over leaving her small children each day prevent Kathryn from achieving the career success she desires When a terrible coincidence traps her inside a whirling real life murder mystery plans change and lives are rerouted to unforeseen destinations Years of reading whodunit novels and watching mystery movies has scarcely prepared Kathryn with the requisite skills to single handedly solve the perplexing murderbefore she herself gets convicted of the crime Apparently the small town police chief and his crew are not interested in knowing what really happened to the young murder victim who happens to be a senators daughter The chief seems content as he allows obviously inept employees to frighteningly further force Kathryn toward wrongful conviction Kathryn investigates seemingly endless layers of interconnections until she finally discovers unequivocal criminal corruption In the search for truth Kathryn never waivers but the ultimate conclusion is far too evil for Kathryn to comprehend I'll Close My Eyes (but I Won't be Asleep)

Elisa Adler,2012 Delusion dementia or discourse A daughter insists on the latter and with the threads of her mother s narratives weaves for them a raft of words These conversations unlike anything I d shared with her before shocked me I was glad they happened only when we were alone together I d never even thought these things I heard us say didn t know where they came from But since they seemed to make sense to her I kept inviting her to speak She d say something I d listen say something back we were together in words As if what we said to each other arose not from our own learning or experience

but some underlying chord that included our voices but was bigger spoke through them as if the sound of the ocean were encoded in the sounds of the rain I ll Close My Eyes But I Won t Be Asleep sounds an intimate heartbreaking and sometimes humorous end of life chord in a mother and daughter relationship A compelling memoir I ll Close My Eyes But I Won t Be Asleep is an honest account of what for most of us remains hidden and unheard It will be useful for anyone torn by conflicting desires and demands battered by memory grief and rage and struggling to give care Elisa Adler studied at the University of California Berkeley Mills College and in Bogota Colombia at Centro de Estudios Colombo Americanos She has worked as a newspaper reporter translator interpreter laborer and domestic teaches English and Spanish at colleges in California and Nevada and farms with her daughter and husband in the northern Sierra **Goodbye Earl** Leesa Cross-Smith,2023-07-03
