

Sleepy Sammy

Sleepy Sammy was a very sleepy yet positive neighbor that taught the main cast how to get to bed on time and when the episode ended, he was one of the of the very few neighbors that appeared very rarely, only really showing up in special episodes or episodes dedicated to nap times or the "night" in the lovely neighborhood!

he seems to appear as a moth, just without the wings oddly enough, really having no background or current knowledge of how or where he came from he seems to be a delight for the other neighbors.

for now at least, he is deemed to be a side character only for special episodes as he seems to have a foundness to howdy pillar!
