Sturgess,2004-06-17 Why do so many Americans celebrate Shakespeare a long dead English poet and playwright By the nineteenth century newly independent America had chosen to reject the British monarchy and Parliament class structure and traditions yet their citizens still made William Shakespeare a naturalized American hero Today the largest group of overseas visitors to Stratford upon Avon the Royal Shakespeare Company and Bankside s Shakespeare s Globe Theatre come from America Why Is there more to Shakespeare s American popularity than just a love of men in doublet and hose speaking soliloquies This book tells the story

of America's relationship with Shakespeare The story of how and why Shakespeare became a hero within American popular culture Sturgess provides evidence of a comprehensive nineteenth century appropriation of Shakespeare to the cause of the American Nation and shows that as America entered the twentieth century a new world power for many Americans Shakespeare had become as American as George Washington **Annual Report of the Director of the Coast and Geodetic Survey for the Fiscal Year Ended** U.S. Coast and Geodetic Survey,1947 Annual Report of the Director, United States Coast and Geodetic Survey to the Secretary of Commerce for the Fiscal Year Ended ...
