The American Rivals Of Sherlock Holmes:

The American Rivals of Sherlock Holmes Hugh Greene,1976-01-01 Kriminalnoveller **The American rivals of Sherlock Holmes** ,1979 **The Origins of the American Detective Story** LeRoy Lad Panek,2015-01-24 Edgar Allan Poe essentially invented the detective story in 1841 with Murders in the Rue Morgue In the years that followed however detective fiction in America saw no significant progress as a literary genre Much to the dismay of moral crusaders like Anthony Comstock dime novels and other sensationalist publications satisfied the public s hunger for a yarn Things changed as the century waned and eventually the detective was reborn as a figure of American literature In part these changes were due to a combination of social conditions including the rise and decline of the police as an institution the parallel development of private detectives the birth of the crusading newspaper reporter and the beginnings of forensic science Influential too was the new role model offered by a wildly popular British import named Sherlock Holmes Focusing on the late 19th century and early 20th this volume covers the formative years of American detective fiction Instructors considering this book for use in a course may request an examination copy here [Sherlock Holmes. Inglese](#) Daniele Della Rocca,2022-12-20 Una guida al celebre personaggio illustrata con numerose fotografie e poster Il libro comprende cast trame e commenti di film adattamenti teatrali romanzi e fumetti in un arco di oltre 130 anni An a z guide to the famous detective illustrated with numerous photographs and posters The book includes cast storylines and film comments theatrical adaptations novels and comics in over 100 years [American Rivals of James Bond](#) Graham Andrews,2023-02-27 This is a critical history of spy fiction film and television in the United States with a particular focus on the American fictional spies that rivaled and were often influenced by Ian Fleming s James Bond James Fenimore Cooper s Harvey Birch based on a real life counterpart appeared in his novel The Spy in 1821 While Harvey Birch s British rivals dominated spy fiction from the late 1800s until the mid 1930s American spy fiction came of age shortly thereafter The spy boom in novels and films during the 1960s spearheaded by Bond heavily influenced the espionage genre in the United States for years to come including series like The Man from U N C L E and Matt Helm The author demonstrates that while American authors currently dominate the international spy fiction market James Bond has cast a very long shadow for a very long time **H.C. Bailey's Reggie Fortune and the Golden Age of Detective Fiction** Laird R. Blackwell,2017-07-14 H C Bailey s detective Reggie Fortune was one of the most popular protagonists of the Golden Age of detective fiction Fortune appeared in nine novels yet it was in a series of 84 short stories that were published from 1920 to 1940 where he truly shone combining elements of several popular archetypes the eccentric logician the forensic investigator the hard boiled interrogator the psychological profiler the defender of justice This critical study examines the Fortune stories in the context of other popular detective fiction of the era Bailey s classics are distinguished by well clued puzzles brilliant sleuthing vivid description and social critique with Fortune evoking images of Don Quixote and the Arthurian Knights in his pursuit of truth and justice in an uncaring world
