Los Angeles County Public Library

The Amidon Elementary School A Successful Demonstration In Basic Education:

The Amidon Elementary School Carl F. Hansen, 1962 **The Negro Educational Review** ,1962 **Administering Elementary Schools** Ralph B. Kimbrough, 1968 *NIH Library Booklist* ,1961 **The Regional Development Guide, 1966-2000; June 30, 1966** National Capital Regional Planning Council (U.S.), 1966 Bulletin of reprints ,1978 A Kuhnian Theory of the Role of Knowledge in the Educative Process Rose Adams Williams, 1971 **National Union Catalog** ,1978 Includes entries for maps and atlases *Adult Catalog: Subjects* Los Angeles County Public Library, 1970 **Modern Elementary Curriculum** Gene D. Shepherd, William Burk Ragan, 1992 **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects** University of California (System). Institute of Library Research, University of California, Berkeley, 1972 **Yearbook - Claremont Reading Conference** ,1962 *Yearbook* ,1963 Southern Education Report ,1965 **Guide to Reprints, 1986** Ann S. Davis, Albert James Diaz, 1986-12 **Unmarking Whiteness and the New American Racism** Michael L. Blakey, 2025-07-18 This book criticizes recent performative solutions to racism diversity programs at universities for example and White people s Fragility or intolerance of mature criticism These ideas are locked in an intellectually gated and defensive conversation that effectively denies the ongoing particular abuses of White supremacy This book instead proposes expensive educational and economic changes including reparations as necessary to achieve real equity Once imputed by the eugenical effects of World War II and the Civil Rights Movement s opposition to White racism the word race was largely stricken from scientific writing But biological determinism remained deeply ensconced in an institution of science that assumed the natural world to be determining making natural science its most authoritative means Authoritative heritability estimates and genetic correlations though spurious continued to imply that obvious racial and class inequalities including their dire health effects were natural and acceptable White people often attempted to unmark their racial identity and assumed that of the uniquely normal people as though an act of anti racism Frankenberg shows On the contrary it served to deny their skin color privileges while enjoying benefits of ongoing structural racism as the only real complete human beings in the room This book uses an ethnology of anthropology to show White people s equivocal views of other s equality in their formal analyses museum collections and exhibitions and treatment of colleagues in recent times They remained deliberately deaf to critical African diasporic scholarship Thus Unmarking gives an anthropological analysis of the social history of White supremacy and shows what it is like for some to confront it In constructing this historical and sociological counternarrative the author provides a critical new social history that illuminates a tangled and turgid past for contemporary readers students and researchers with vital insights for anthropology sociology history cultural studies philosophy and American studies *Integration in Public Education Programs* United States. Congress. House. Committee on Education and Labor, United States. Congress. House. Committee on Education and Labor. Subcommittee on Integration in Federally Assisted Public Education Programs, 1962

Illinois Education ,1962 Integration in Public Education Programs, Hearings...87-2...1962 United States. Congress.
House. Education and Labor,1962 Shelfmark : Bulletin of the National Free Library of Zimbabwe ,1967
