## **The Amistad Slave Revolt And American Abolition:**

The Amistad Slave Revolt and American Abolition Karen Zeinert,1997 Traces the 1839 revolt of Africans aboard the slave ship Amistad their apprehension and long trial which ended in their acquittal by the Supreme Court *Amistad Slave Revolt and American Abolition* Karen Zeinert,1997-01 Traces the 1839 revolt of Africans aboard the slave ship Amistad their apprehension and long trial which ended in their acquittal by the Supreme Court Mutiny on the ^IAmistad^R Howard Jones,1997-11-20 This volume presents the first full scale treatment of the only instance in history where African blacks seized by slave dealers won their freedom and returned home Jones describes how in 1839 Joseph Cinqu led other blacks in a revolt on the Spanish slave ship Amistad in the Caribbean The seizure of the ship by an American naval vessel the arrest of the Africans in Connecticut and the Spanish protest against the violation of their property rights created an international controversy The Amistad affair united Lewis Tappan and other abolitionists who put the laws of nature on trial in the United States by their refusal to accept a legal system that claimed to dispense justice while permitting artificial distinctions based on race or color Mutiny on the Amistad Howard Jones,Alan M. Dershowitz,2014 *The Amistad Rebellion* Marcus Rediker,2013-11-26 Vividly drawn this stunning book honors the achievement of the captive Africans who fought for and won their freedom The Philadelphia Tribune A unique account of the most successful slave rebellion in American history now updated with a new epilogue from the award winning author of The Slave Ship In this powerful and highly original account Marcus Rediker reclaims the Amistad rebellion for its true proponents the enslaved Africans who risked death to stake a claim for freedom Using newly discovered evidence and featuring vividly drawn portraits of the rebels their captors and their abolitionist allies Rediker reframes the story to show how a small group of courageous men fought and won an epic battle against Spanish and American slaveholders and their governments The successful Amistad rebellion changed the very nature of the struggle against slavery As a handful of self emancipated Africans steered their own course for freedom they opened a way for millions to follow This edition includes a new epilogue about the author s trip to Sierra Leona to search for Lomboko the slave trading factory where the Amistad Africans were incarcerated and other relics and connections to the Amistad rebellion especially living local memory of the uprising and the people who made it **United States V. Amistad** Susan Dudley Gold,2007 Describes the historical context of the 1841 U S Supreme Court case United States v Amistad that ruled that illegally enslaved blacks had the right to be free The Story of Slavery and Abolition in United States History Linda Jacobs Altman,2014-12-15 Prior to the end of the Civil War in 1865 many considered slavery vital to the economy of the United States especially in the South Most people in the North though came to reject slavery for moral or political reasons Influential Northerners spearheaded the abolition movement In this well researched account author Linda Jacobs Altman explores how abolitionists used words money violence or simply courage to fight to free the slaves Tracing the history of slavery from its origins in America through its legal end with the Thirteenth Amendment Altman shows how abolitionists and

slaves themselves helped make the Civil War a fight not only to preserve the Union but to make the nation free

Encyclopedia of African American History Leslie M. Alexander, Walter C. Rucker, 2010-02-09 A fresh compilation of essays and entries based on the latest research this work documents African American culture and political activism from the slavery era through the 20th century Encyclopedia of African American History introduces readers to the significant people events sociopolitical movements and ideas that have shaped African American life from earliest contact between African peoples and Europeans through the late 20th century This encyclopedia places the African American experience in the context of the entire African diaspora with entries organized in sections on African European contact and enslavement culture resistance and identity during enslavement political activism from the Revolutionary War to Southern emancipation political activism from Reconstruction to the modern Civil Rights movement black nationalism and urbanization and Pan Africanism and contemporary black America Based on the latest scholarship and engagingly written there is no better go to reference for exploring the history of African Americans and their distinctive impact on American society politics business literature art food clothing music language and technology *The Abolitionists and the South, 1831-1861* Stanley

Harrold, 2021-11-21 Within the American antislavery movement abolitionists were distinct from others in the movement in advocating on the basis of moral principle the immediate emancipation of slaves and equal rights for black people Instead of focusing on the immediatists as products of northern culture as many previous historians have done Stanley Harrold examines their involvement with antislavery action in the South particularly in the region that bordered the free states How he asks did antislavery action in the South help shape abolitionist beliefs and policies in the period leading up to the Civil War Harrold explores the interaction of northern abolitionist southern white emancipators and southern black liberators in fostering a continuing antislavery focus on the South and integrates southern antislavery action into an understanding of abolitionist reform culture He discusses the impact of abolitionist missionaries who preached an antislavery gospel to the enslaved as well as to the free Harrold also offers an assessment of the impact of such activities on the coming of the Civil War and Reconstruction **John Quincy Adams, Reluctant Abolitionist** Jeffrey A. Denman, 2023-09-21 As a Harvard

alumnus diplomat U S President member of Congress and attorney before the Supreme Court John Quincy Adams had a unique relationship with slavery Prickly and curmudgeonly he danced with abolitionists but never became one himself However Adams did harbor an intense hatred for the arguments of Southern slaveholders and eventually found himself in the center of America's greatest struggle Informed by Adams revealing and often tormented musings from his vast diary this sweeping narrative offers a unique and gripping account of John Quincy Adams battle with slavery while exploring the many fault lines in American society that led to the Civil War Included are the dramatic showdowns in the House of Representatives and Supreme Court as well as Adams attempts at outsmarting Southern politicians and his efforts to keep slavery at the forefront of Congressional activities **Fugitive Slaves and Spaces of Freedom in North America** Damian

Alan Pargas, 2020-09-08 This volume introduces a new way to study the experiences of runaway slaves by defining different spaces of freedom they inhabited. It also provides a groundbreaking continental view of fugitive slave migration moving beyond the usual regional or national approaches to explore locations in Canada, the U.S. North and South, Mexico, and the Caribbean. Using newspapers, advertisements, and new demographic data, contributors show how events like the Revolutionary War and westward expansion shaped the slave experience. Contributors investigate sites of formal freedom where slavery was abolished and refugees were legally free to determine the extent to which fugitive slaves experienced freedom in places like Canada while still being subject to racism. In sites of semiformal freedom as in the northern United States, fugitives' claims to freedom were precarious because state abolition laws conflicted with federal fugitive slave laws. Contributors show how local committees strategized to interfere with the work of slave catchers to protect refugees. Sites of informal freedom were created within the slaveholding South where runaways who felt relocating to distant destinations was too risky formed maroon communities or attempted to blend in with free black populations. These individuals procured false documents or changed their names to avoid detection and pass as free. The essays discuss slaves' motivations for choosing these destinations, the social networks that supported their plans, what it was like to settle in their new societies, and how slave flight impacted broader debates about slavery. This volume redraws the map of escape and emancipation during this period, emphasizing the importance of place in defining the meaning and extent of freedom. Contributors: Kyle Ainsworth, Mekala Audain, Gordon S. Barker, Sylviane A. Diouf, Roy E. Finkenbine, Graham Russell Gao Hodges, Jeffrey R. Kerr, Ritchie Viola, Franziska M. Ller, James David Nichols, Damian Alan Pargas, Matthew Pinsker. A volume in the series Southern Dissent, edited by Stanley Harrold and Randall M. Miller. The Power of Neo-Slave Fiction and Public History, Grant Rodwell, 2023-10-13. Professional historians, schools, colleges, and universities are not alone in shaping higher-order understanding of history. The central thesis of this book is the belief that historical fiction in text and film shapes attitudes towards an understanding of history as it moves the focus from slavery to the enslaved, from the institution to the personal, families, and feminist accounts. In a broader sense, this contributes to a public history. In part using the quickly growing corpus of neo-slave counterfactual narratives, this book examines the notion of the emerging slavery public history and the extent to which this is defined by literature, film, and other forms of artistic expression rather than non-fiction, popular or scholarly, and education in history in the school systems. Inter alia, this book looks to the validity of historical fiction in print or in film as a way of understanding history. A focal point of this book is the hypothesis that neo-slave narratives supported by selective triangulated readings and viewings of scholarly works and non-fiction have assisted greatly in re-shaping the historiography of antebellum slavery, and scholarly historians followed in the wake of these developments. Essentially, this has meant a re-shaping of the historiography with a focus from slavery to that of the enslaved. Moreover, it has opened new vistas for a public history devoid of top-down authoritative scholarship. An important and provocative read for students and scholars interested in understanding the

history of slavery its harrowing effects and how it was culturally defined      *Trials of the Century* Scott P. Johnson,2010-10-06 This comprehensive set of essays documents the most important criminal civil and political trials in the United States from colonial times to the present examining their impact on both legal history and popular culture Crime and punishment are of perennial interest across the human species *Trials of the Century* An Encyclopedia of Popular Culture and the Law examines some of the most important and infamous cases in American history placing them in both historical and legal context Among the landmark cases considered in these two volumes are the 1692 Salem Witch Trials the Scopes Monkey Trial and the O J Simpson murder trial A number of civil lawsuits and political trials are also included such as the impeachment trials of Presidents Andrew Johnson and William Jefferson Clinton Entries in the encyclopedia detail the events leading to each trial and introduce the key players with a focus on judges lawyers witnesses defendants victims media and the public In addition the aftermath of the trial and its impact are analyzed from a scholarly yet straightforward perspective emphasizing how the trial affected the law and society at large      *Crimes of the Centuries* Steven Chermak Ph.D.,Frankie Y. Bailey,2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America s justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson      **American National Biography** John A. Garraty,Mark C. Carnes,2005-05-12 *American National Biography* is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past      *Historical Dictionary of the Old South* William L. Richter,2013-02-28 The South played a prominent role in early American history and its position was certainly strong and proud except for the peculiar institution of slavery Thus it drew away from the rest of an expanding nation and in 1861 declared secession and developed a Confederacy that ultimately lost the war Indeed for some time it was occupied Thus the South has a very mixed legacy with good and bad aspects and

sometimes the two of them mixed Which only enhances the need for a careful and balanced approach This can be found in the Historical Dictionary of the Old South which first traces its history from colonial times to the end of the Civil War in a substantial chronology Particularly interesting is the introduction which analyzes the rise and the fall the good and the bad as well as the middling and indifferent over nigh on two centuries The details are filled in very amply in over 600 dictionary entries on the politics economy society and culture of the Old South An ample bibliography directs students and researchers toward other sources of information

*Abolition Movement* T. Adams Upchurch, 2011-01-04 This powerful narrative tells the triumphant story of the men and women who spent their lives and fortunes trying to abolish the institution of slavery in the United States The practice of African slavery has been described as the United States s most shameful sin Undoing this practice was a long complex struggle that lasted centuries and ultimately drove America to a bitter civil war After an introduction that places the United States s form of slavery into a global historical perspective author T Adams Upchurch shows how an ancient custom evolved into the American South s peculiar institution The gripping narrative will fascinate readers while excerpts from primary documents provide glimpses into the minds of key abolitionists and proslavery apologists The book s glossary annotated bibliography and chronology will be indispensable tools for readers researching and writing papers on slavery or abolitionists making this text ideal for high school and college level students

*The Presidents and the Constitution, Volume One* Ken Gormley, 2020-03-24 Shines a light on the constitutional issues that confronted and shaped each presidency from George Washington to the Progressive Era Drawing from the monumental *The Presidents and the Constitution A Living History* published in 2016 the nation s foremost experts in the American presidency and the US Constitution join together to tell the intertwined stories of how the first twenty seven distinctive American presidents have confronted and shaped the Constitution and thus defined the most powerful office in human history From George Washington to William Howard Taft *The Presidents and the Constitution Volume 1* illuminates the evolving American presidency in a unique way through the lens of the Constitution itself Arranged chronologically by president the book examines the constitutional issues confronting each president in the context of the personalities driving historical events The contributors illustrate the extensive powers of the American presidency in domestic and foreign affairs showing how they have been used by the men who were granted them and brings to light the overarching constitutional themes that span this country s history and tie each presidency to the other branches of government

*Liberty s Chain* David N. Gellman, 2022-04-15 Winner of the Herbert H Lehman Prize for Distinguished Scholarship from the New York Academy of History In *Liberty s Chain* David N Gellman shows how the Jay family abolitionists and slaveholders alike embodied the contradictions of the revolutionary age The Jays of New York were a preeminent founding family John Jay diplomat Supreme Court justice and coauthor of the *Federalist Papers* and his children and grandchildren helped chart the course of the Early American Republic *Liberty s Chain* forges a new path for thinking about slavery and the nation s founding John Jay served as the inaugural president of a

pioneering antislavery society His descendants especially his son William Jay and his grandson John Jay II embraced radical abolitionism in the nineteenth century the cause most likely to rend the nation The scorn of their elite peers and racist mobs did not deter their commitment to end southern slavery and to combat northern injustice John Jay s personal dealings with African Americans ranged from callousness to caring Across the generations even as prominent Jays decried human servitude enslaved people and formerly enslaved people served in Jay households Abbe Clarinda Caesar Valentine Zilpah Montgomery and others lived difficult often isolated lives that tested their courage and the Jay family s principles The personal and the political intersect in this saga as Gellman charts American values transmitted and transformed from the colonial and revolutionary eras to the Civil War Reconstruction and beyond The Jays as well as those who served them demonstrated the elusiveness and the vitality of liberty s legacy This remarkable family story forces us to grapple with what we mean by patriotism conservatism and radicalism Their story speaks directly to our own divided times

*Encyclopedia of Emancipation and Abolition in the Transatlantic World* Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery
