Robinson, Robert W. Wall, 2006-02-15 Biblical scholar Robert Wall and pastoral leader Anthony Robinson here join forces to bring the Acts of the Apostles forward to our time as a resource for congregational renewal and transformation Featuring both careful exegetical study and exciting contemporary exposition the fifteen chapters of Called to Be Church each first interpret the text of Acts as Scripture and then engage Acts for today's church The book dives into many of the most vexing issues faced by the church then and now such issues as conflict resolution pluralism and multiculturalism sexuality money church and state the role of the Holy Spirit and more Enhanced by study questions at the end of each chapter Called to Be Church will lend itself especially well to small group study within congregations Pastors lay readers students and ordinary believers alike will find the book helpful and inspiring

The Message of Acts in Codex Bezae Josep Rius-Camps, Jenny Read-Heimerdinger, 2004-04-27 His book is a comparison of the message of Acts transmitted by Codex Bezae with that of the more familiar Alexandrian text represented by Codex Vaticanus For each section of Acts there is a side by side translation of the Bezan and Alexandrian manuscripts followed by a critical apparatus and finally a commentary that explores the differences in the message of the two texts It is concluded that the Bezan text with its interest in internal Jewish affairs and its focus on the struggles of the early disciples to free themselves from their traditional Jewish expectations and to achieve despite their mistakes a more accurate understanding of their master's teaching is the earlier of the two texts

A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders It's often time consuming ugly has fallout and usually involves criticism Therefore rather than deal with the difficulties of implementing church discipline we often look for ways to get around it so we don't have to deal with the problems it might entail This might be an easier approach but it's not the biblical approach This book tackles this important doctrine head on and seeks to let God say what He intended to say about

church discipline After all He is the one who spoke about it in the first place Ekklesia Ed Silvano,2017-05-02 Dynamic New Teaching from Bestselling Author Ed Silvano The word church has many connotations we think of it as a specific building as a group of people even as a long service to sit through We hardly ever think of it as world changing and neither does society Yet this is exactly what the first century ekklesia was In these vital eye opening pages bestselling author Ed Silvano takes you back to the first days of the church Digging into Scripture he shows how the New Testament church devoid of buildings professional clergy and religious freedom was able to transform the hostile pagan places into which it was born and set in motion a process that changed the world forever Even more Silvano offers a roadmap back to becoming the ekklesia Jesus called his church to be In the midst of the social economic political and moral chaos in our world today we possess the hope that people and nations so desperately need and we can become the revolutionary transformational life giving voice Jesus called us to be A new in depth curriculum kit which features a DVD with 12 brand new teaching sessions a group guide for both leaders and participants and a copy of the book is also available Expounding on the book's dynamic teachings each kit contains everything you need to equip your group to transform the world around them Novel and Short Story Writer's Market, 1989 Laurie Henry,1989-02 Lists addresses and information on contacts pay rates and submission requirements and includes essays on the craft of writing **100 Plus Motivational Moments for Writers and Speakers** Donna Goodrich,Mary Lou Klingler,Jan Potter,1991 An inspiring anthology of over 100 Christian authors 100 PLUS MOTIVATIONAL MOMENTS is a book of scriptural encouragement for the Christian writer speaker pastor teacher or anyone who prepares messages for others Refer to the devotionals written by Florence Littauer Janette Oke and Marlene Bagnall to receive inspiration before you begin to write your article or speech The messages motivate you to view your craft for what it really is a calling from the God who deserves your best effort Author Data Over 100 well known authors **The Book of Acts** F. used in pagan rituals that required the same children to remain sexually inexperienced Christian priests claimed that by sodomizing children they were saving them from possession by the demons of the pagan religions Christian theologians justified these acts of rape by pointing to some of the earliest writings of the apostles and even the acts of Jesus himself In the early church groups of Christians in Asia Minor even formed their own associations that claimed the performance of such acts was a means of assuring the salvation of both the victims and the perpetrators The potent combination of natural drugs and the feminine voice is the basis for western civilization ORIGINAL SIN explores the foundation of western society as the product of a peculiar interaction chemical and biological forces Some early church fathers believed Jesus had several relationships with young boys Prominent church leaders argued that the apostle Mark was aware of this when he wrote in his gospel that Jesus was arrested in the garden of Gethsemane in the presence of a naked teenage boy Note The material in Hillman s first book CHEMICAL MUSE and here in ORIGINAL SIN was part of His dissertation research While they could find no flaws in the work his dissertation committee was so outraged by the material that Hillman found in the ancient texts written in Latin which he reads fluently that they refused to pass the dissertation or award the doctorate unless he deleted the material He did so and published the material about the used of psilocybin mushrooms and the emergence of Western Civilization ORIGINAL SIN reveals more of the forbidden information that Dr Hillman was uncovered Because of this work Dr Hillman has been black balled from academic classics even though CHEMICAL MUSE has been widely acclaimed He now teaches Latin in a private girls school to inch out a living to support his wife and two children What one author said about Hillman s discoveries and his expulsion from Classics The role of psychoactive drugs has been airbrushed out of the conventional picture of Western civilization The academics who have created this drug free Greco Roman world have found their nemesis in Dr Hillman s The Chemical Muse With clarity and directness the author gives us back a lost chapter of our Classical heritage and by doing so restores our understanding of this past Richard Rudgley author of Lost Civilizations of the Stone Age *Behind The Faith* Tony Mariot,2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout Scripture like no other It provides seamless segues that will open up

opportunities to address other related questions in Scripture as we examine what is behind the faith
