has never had a monopoly on order Surveying five thousand years of global history political scientist Amitav Acharya reveals that world order the political architecture enabling cooperation and peace among nations existed long before the rise of the West Moving from ancient Sumer India Greece and Mesoamerica through medieval caliphates and Eurasian empires into the present Acharya shows that humanitarian values economic interdependence and rules of inter state conduct emerged across the globe over millennia History suggests order will endure even as the West retreats In fact the end of Western dominance offers us the opportunity to build a better world where non Western nations find more voice power and prosperity Instead of fearing the future the West should learn from history and cooperate with the Rest to forge a more equitable order This is the definitive account of how world order evolved and why it will survive the decline of the West Chantico in the Land of the Aztecs Dee (Pepper) Lois, 2016-12-07 The Turner Family continue their adventures around the world The family travels to Mexico and celebrates Cinco de Mayo with close friends and the people of Mexico Cinco de Mayo means The Fifth of May and is in recognition of the Mexican Constitution The people celebrate with festivals carnivals fireworks food dance music and costume People from all over the world attend these festivities yearly The three Turner teens and their friends visit the Aztec ruins and get trapped in the Land of the Aztecs There is danger everywhere as the teens are in the middle of an impending war between two kingdoms in which two kings are determined to kill each other and take each others people as sacrifices for the altar The love between a princess and a prince is the only thing that stands in the way of thousands of people being killed and both kingdoms being torn apart It is their love that can stop blood from being spilled on the altar Can the Teen Archaeologists help the young lovers unite the kingdoms before the two kings destroy them all And even if they do will the gods in the heavens come down to earth and destroy them all Sample from the book Back at the palace the Sorceress Inancu walked onto the balcony to watch the battle of the Aztec warriors Princess Anacoana rushed over to her Inancu Anacoana cried out The God of War Monchipotl is going to destroy them all Chantico is out there on the battle ground He will die unless you help him Help him Please Do not fret princess Inancu said calmly I shall call upon the Goddess of War Tipanza to come forth and destroy Monchipotl It is the only way he can be defeated No human can kill a giant He can only be destroyed by another god Inancu looked up into the sky She held her hands up and closed her eyes She called forth the Goddess of War Tipanza heard her thoughts and appeared in the sky She looked down at the battle between the Aztec warriors and her enemy Monchipotl and smiled The two gods of war hated each other The Goddess of War Tipanza appeared on earth in the Land of the Azteca ready to destroy Monchipotl The God of War Monchipotl smiled and laughed out loud when he saw Tipanza standing before him The ground shook as the powerful giant spoke Tipanza you have come on behalf of these humans to battle me Do you actually think that you can defeat me You are a goddess of war Yes You are a warrior But you are still a mere female Go back into the heavens or I shall destroy you I shall return to the heavens when you are dead Monchipotl she replied with confidence Very well then if that s the way you want it We shall do things the hard way Now you

shall die he said angrily The Aztec warriors backed away from the two giants and ran toward the Kingdom of the
