The Angel And The Frog Becoming Your Own Angel:

The Angel and the Frog Leo Booth, 2012-11-06 Cleverly crafted by acclaimed author and motivational speaker Reverend Leo Booth *The Angel and the Frog* is both a charming fable about relationships and an exquisite insight into life and human relationships similar in the way George Orwell's classic *Animal Farm* was an insight into politics and governmental Big Brother. When Christine a tiny angel in training falls from the sky into Turnbridge Pond though not by accident Cedric the Frog is shaken from his stupor as he quickly swims to save her. Christine's mission is to show Cedric and the other animals how to connect and ultimately become angels themselves bringing true spirituality into their lives through a system called The Process an interconnection of insight wisdom and harmony. This imaginary world is a welcome metaphor for our lives today where many feel disconnected from spirituality. It highlights social issues facing society racism bullying homophobia emotional abuse low self esteem and shame. These are seemingly beyond our ability to control. The only option we have is how to respond to them. These difficult topics are presented with subtlety and grace with a great moral ending and characters you have no choice but to fall in love with. Along the way *The Angel and the Frog* is an uplifting read for all ages and all denominations where in the end Cedric becomes an amphibian ambassador of spirituality love and what it means to become your own angel.

Little Creatures Donna Jo Napoli, 2015-10-06 How many feathers will it take *The Little Angel of Freedom* can't wait till her wings are full of feathers. Then she'll hear a bell ring and be able to fly. But to prove she's ready she has to help out Simone a little girl with a big problem. Simone likes to capture animals especially bugs. Sometimes they get harmed while they're in her care. *The Little Angel* has to use her powers to show Simone the right thing to do. But *Little Angel*'s worried how will she rescue the captured animals. And will she ever get enough feathers to earn her Angelwings at last. Be kind to animals.

Little John's Angels Joan Shortridge, 2013-11-13 John an unmotivated seven year old is taken back in time by an adult angel. She tries to teach him the true meaning of life. He returns from his many adventures and tells his family about the angel but none of them believe him. A child angel wants to be his guardian and comes to visit him. The child angel must get John to tell him about every adventure the adult angel took him through but John is too lazy to tell him. John puts the job off on his sister and brother but first he has to convince them there is an angel wanting to hear the stories. John wonders why his family who professes to believe in angels and goes to church can't believe that he has seen two angels. The baby angel Joshua gives John the gift to communicate with all animals but his family thinks he is making it up. Meanwhile the family is planning a grand vacation with their father who is in on furlong. The family pets are to go also that is if they can get stubborn Rambo their huge dog to get his shots for the trip. At the vet Rambo runs into the woods. Meow the cat and Baby the small dog along with John follow him. They end up at John's grand parents farm where they get into all kinds of humorous mischief. When Joshua shows up again he promises John if someone will tell him the story he will take all of the children and animals to another dimension where they will have a spectacular vacation climax.
