The Angel Of The Lord:

The Angel of the Lord -- Who Is He? Kenneth March, 2019-05-25 Millions of Christians all over the world know the words of Psalm 34 7 The angel of the LORD encamps around those who fear him and he delivers them But when asked about this angel very few know who he is References to the angel of the Lord appear at least 70 times in the Old Testament He is not specifically mentioned even once in the New Testament What happened to him What was his role How powerful is he Could he be Michael the archangel This is not a mystery novel The author has no desire to keep you in suspense until the final chapter The angel of the Lord is none other than the second person of the Trinity who came in human form as Jesus Author Kenneth March believes that after reading *The Angel of the Lord* Who is he you will have a deeper understanding of and respect for the second person of the Trinity the one to whom the Bible attributes the creation of the world the shepherding and protecting of the nation of Israel throughout the Old Testament his mission to earth as the promised savior of the world and his role as our judge when he returns to those he created and for whom he died **The Angel of the Lord; Or, Manifestations of Christ in the Old Testament** William Pakenham Walsh (Bishop of Ossory, Ferns and Leighlin.), 1876 *The Angel of the LORD* Matt Foreman, Douglas Van Dorn, 2020-06-16 In the early books of the Old Testament the mysterious Angel of the Lord repeatedly appears visibly audibly even physically to the Patriarchs to Moses to the Prophets Who is this Angel Exploring the biblical texts the testimony of church history and the insights of Systematic Theology Matt Foreman and Doug Van Dorn argue that the answer is beyond doubt the Angel of the Lord is a manifestation of God the Son Even more they argue that this Angel appears more often than people realize because he appears under different titles including the Word the Name the Glory the Face the Right Hand even the Son They show that even some of the ancient Jews spoke of a Second Yahweh in the Old Testament Christian theologians throughout history have taught this same understanding Christians today need to be taught again how the Person of Jesus appears throughout the Bible and how he speaks to us today **A dissertation on the Scripture Expression, -the Angel of the Lord, and the Angel of Jesus Christ**, 1752 **Who Is the Angel of the Lord?** M. M. Ninan, 2013-12 There are several Angels mentioned in the Old Testament However there is one Angel known as the Angel of the Lord who stands apart from all the others in that He accepts worship and claims to be the I AM identifying himself with the God Almighty Who is this angel This book analyses the appearances of the Angel of the Lord **A Dissertation on the Scripture Expressions, the Angel of the Lord, and the Angel of Jesus Christ, Proving that the Word Angel is Put to Signify on These Occasions Material Bodies, and Not Spirit: ...**, 1752 **A dissertation on the Scripture expressions, the angel of the Lord, and the angel of Jesus Christ [by. W. Jones]**. William Jones, 1752 **Dictionary of Angels** Gustav Davidson, 1994-10 An investigation of the evidence in Talmudic gnostic apocalyptic partristic and legendary texts concerning immortal winged beings **The Englishman's Hebrew and Chaldee Concordance of the Old Testament** George V. Angel of the LORD David Swafford,2010-12-15 And Behold The Angel of the LORD is a book which details who and what the Angel of the LORD is in the scriptures It presents the idea that this being is indeed GOD in the Old Testament and goes even further to say that He is also found in New Testament scriptures as well The book presents new arenas of thought concerning GOD s role in the salvation of mankind in that this work states that GOD was present in all aspects of man s salvation from the planning to the implementation The Encyclopedia of Angels Rosemary Guiley,2004 An encyclopedia describing and giving the history of angels from the time when the earth was created forward using texts from Hebrew Arabic ancient and contemporary works The Englishman's Hebrew Concordance of the Old Testament George V. Bendoraitis,2015-11-19 Angels have been analyzed in Christological research due to their primary function as messengers and mediators between heaven and earth Their role in the Gospel narratives however has been largely unexplored Utilizing the Old Testament and sources from the Second Temple period to illustrate the variety of angel

traditions Bendoraitis identifies how these traditions are reflected in Matthew's Gospel and interprets the passages in which angels appear or are represented resulting in a detailed exegesis of those passages which specifically mention angels Each reference is critically analyzed in view of its role in the Gospel's narrative and in light of Matthew's redactional hand In addition each chapter is accompanied by a discussion of relevant traditions of angels in order to illustrate how Matthew's use of angels has facilitated his Gospel's message The examination concludes by postulating three factors in the inclusion of angel traditions in Matthew's narrative pertaining both to Matthew's Christology and worldview The Magnification of the Trinity T. Hoogsteen, 2025-05-19 Since the creation of the Christian Scriptures contrary interpretations of the Trinity entered into the history of the church for instance tritheism modalism and Origen's Greek mythological Jesus explanation now firmly lodged in the Great Tradition Athanasius Augustine and John Calvin also professed adherence to this Great Tradition In the late twentieth century to bring relevance to the basic biblical doctrine Karl Barth Karl Rahner Paul Tillich Wolfhart Pannenberg Jurgen Moltmann and John Zizioulas birthed trinitarian teachings that saw the light of day and died The Magnification of the Trinity beginning in Genesis and continuing through Revelation presents the basic biblical teaching on which all other doctrines depend To Him All Glory then simply and profoundly concentrates on the thrust of the Scriptures

The Christian Observer, 1835 *Who Is the True Seer Driven by God: Balak or Balaam?* Junhee Lee, 2022-09-14 Serious Bible readers including biblical scholars Sunday Bible teachers laypersons of church and even the Sunday school kids ask the question Is Balaam a good or bad person or Is Balaam a prophet of God or a pagan diviner However nobody has provided a relieving answer for the question up to this day Then what does the Balaam story in the passage of Num 22-24 tell us about the character of Balaam More fundamentally what does the passage want readers to know This book suggests a new way for Bible reading especially the Old Testament The Old Testament readers can discover a proper strategy to understand the intention and message of every single passage of the Old Testament through the ways that are suggested in this book
