family Millie works in the office responsible for rooting out the most dedicated Nazis from publishing she is consumed with rage at her former country and its citizens though she is finding it more difficult to hate in proximity David works trying to help displaced persons build new lives while hiding his more radical nighttime activities from his sister Like most of their German born American colleagues they suffer from conflicts of rage and guilt at their own good fortune except for Millie's boss Major Harry Sutton who seems much too eager to be fair to the Germans Living and working in bombed out Berlin a latter day Wild West where drunken soldiers brawl the desperate prey on the unsuspecting spies ply their trade werewolves as unrepentant Nazis were called scheme to rise again black markets thrive and forbidden fraternization is rampant Millie must come to terms with a decision she made as a girl in a moment of crisis and with the enigmatic sometimes infuriating Major Sutton who is mysteriously understanding of her demons Atmospheric and page turning *The Living and the Lost* is a story of love survival and forgiveness of others and of self LarryBoy, Versus the Volcano Doug Peterson, 2011-09-20 When LarryBoy and his superhero buddies are invited to Superhero Island they are in for a surprise of volcanic proportions Trouble erupts when LarryBoy discovers he's a second class citizen because he doesn't have super powers like his buddies Bumblyburg's newest supervillain Chili Pepper and his henchman Coconut are cooking up a plot for disaster to destroy all superheroes Will Larryboy help after his vacation is ruined and his friends treat him poorly Kids will enjoy the adventure of finding out as Larryboy tumbles into a secret hideaway and uncovers Chili Pepper's tourist trap But is it too late when the volcano explodes Will LarryBoy save himself or will he save the day before the island is covered in hot molten chili How will Larryboy learn that everyone is important in God's eyes even after being excluded from his friends Dear Emma Katie Heaney, 2016-03-01 Harriet the author of her college newspaper's pseudonymous student advice column Dear Emma is great at telling others what to do dispensing wisdom for the lovelorn and lonely on her Midwestern campus Somehow though she can't take her own advice especially after Keith the guy she's dating blows her off completely When Harriet discovers that Keith has started seeing the beautiful and intimidating Remy she wants to hate her But she can't help warming to Remy who soon writes to Dear Emma asking for romantic advice Now Harriet has the perfect opportunity to take revenge on the person who broke her heart But as she begins to doubt her own motivations and presumably faultless guidance she's forced to question how much she really knows about love friendship and well meaning advice *The Trials of Nina McCall* Scott W. Stern, 2018-05-15 The nearly forgotten story of the fight against the American Plan a government program designed to regulate women's bodies and sexuality A consistently surprising page turner a brilliant study of the way social anxieties have historically congealed in state control over women's bodies and behavior New York Times Book Review Nina McCall was one of many women unfairly imprisoned by the United States government throughout the twentieth century Tens probably hundreds of thousands of women and girls were locked up usually without due process simply because officials suspected these women were prostitutes carrying STIs or just promiscuous This discriminatory program dubbed the American Plan

lasted from the 1910s into the 1950s implicating a number of luminaries including Eleanor Roosevelt John D Rockefeller Jr Earl Warren and even Eliot Ness while laying the foundation for the modern system of women s prisons In some places vestiges of the Plan lingered into the 1960s and 1970s and the laws that undergirded it remain on the books to this day Nina McCall s story provides crucial insight into the lives of countless other women incarcerated under the American Plan Stern demonstrates the pain and shame felt by these women and details the multitude of mortifications they endured both during and after their internment Yet thousands of incarcerated women rioted fought back against their oppressors or burned their detention facilities to the ground they jumped out of windows or leapt from moving trains or scaled barbed wire fences in order to escape And as Nina McCall did they sued their captors In an age of renewed activism surrounding harassment health care prisons women s rights and the power of the state this virtually lost chapter of our history is vital reading
