**Surviving the Men in My Life** M.J. AKA,2023-01-18 I feel everyone has a story to tell and we all wear masks to cover who we really are We want others to think our lives are perfect but that is not always the case Our masks hide the pain and suffering each of us may have endured at some point in our lives It is with this book that I am lowering my mask to reveal to you who I truly am This first book will tell you about two of my marriages and the men in between My first marriage was to my high school sweetheart who really didn't want to be married but never found the courage to tell me After a few years and an assortment of men I married my second husband Within a few months the mental and physical abuse began and I realized that I had made a terrible mistake I blamed myself at first but after years of trying to be a better wife I realized that it wasn't me it was him You will understand by reading my book what I went through and how I finally escaped his dominance I hope this first book will entertain you and help you navigate down your own path of life I have suggested music to listen to while you read my book hoping it will help you understand my life Music has always spoken to me telling me a story Listen to Annie Lennox singing Why and you will understand a little about who I am You don't know how I feel A portion of the profits made from the sale of this book will be donated to a Domestic Violence Program      *My Family, My Life* Faye Wiese

**The Ride of My Life** Mat Hoffman,Mark Lewman,2010-09-14 I had seriously reached a point in my life where I wasn't scared of anything Panic was replaced by awww shit how can I fix this before I hit the ground Childhood for Mat Hoffman was packed with hazardous behavior and a constant searching for a new rush sliding down the laundry chute blatantly misusing a trampoline leaping off the roof holding an umbrella executing a two story bomb drop into a swimming pool on a bike and more After experimenting with his bike on a plywood ramp at age eleven Mat found his true calling He became addicted to aerals By the time he was fourteen years old Mat had earned national notoriety with his ramp skills and landed a factory sponsorship from Skyway Recreation He was consumed by a love of bike riding a passion that took him around the globe and beyond the limits of what people said was possible Always pushing for more height or another way to turn air into art he shattered world records conventional wisdom and his own body in a quest to experience all that life has to offer The price More than a dozen major surgeries fifty broken bones countless concussions and knockouts Mat's

sacrifices are evident in a medical file that's 400 pages thick. When the boom years of BMX freestyle bottomed out during a bike industry recession in the late 1980s, Mat's enthusiasm never wavered. To save his sport, he bought a semi-truck when he was seventeen and became his own sponsor, spreading the word one demo at a time. He and his friends formed Hoffman Bikes and began running bike stunt contests. It was an era of progress for Mat as a rider as he unveiled jaw-dropping tricks like the no-handed 540 backflip fakie and flair and became the first rider in action sports to pull a 900. In *The Ride of My Life*, Mat takes readers on his humorous, hardcore, harrowing journey to the top as a bike stunt pioneer, ten-time world champion, video game superstar, X Games ambassador, recreational ninja, and the most innovative rider to ever hit a ramp. He shares stories of the wild experiences he's had while touring with some of the best riders around: Dennis McCoy, Dave Mirra, Rick Thorne, Kevin Robinson, Mike Rooftop, Escamilla, and many others. Spanning two decades of action sports history, as Mat crosses paths with high-risk heroes like Tony Hawk, Johnny Knoxville, and Evel Knievel, *The Ride of My Life* is the insane, true story of Mat Hoffman, the greatest bike rider of all time.
