The Apocalyptic Element In The Gospels:

The Apocalyptic Element in the Gospels H. Erskine Hill, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work *Imagery and Symbolism in Matthew's Gospel Daehoon Kang*, 2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew s heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew s distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God's plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt **The Background of the Gospels** William Fairweather,1908 **Iesus in the Church's Gospels** John Henry 25 31 46 The Congregational Quarterly, 1929 Includes critical reviews **Recovering the Original Gospel** Paul Reumann, 1968 of Thomas April D. DeConick, 2006-06-01 This book explores the fascinating and enigmatic collection of 114 sayings of Jesus the Gospel of Thomas that was discovered in the sands of Nag Hammadi Egypt in the 1940 s Since its discovery scholars and the public alike have been intrigued to know what the Gospel says and what light it sheds on the formation of early Christianity Here DeConick provides a new English translation of the entire Gospel of Thomas which includes the original kernel of the Gospel and all the sayings A unique feature of this book is that translations to the parallels of the Gospel are also included **The Presence of the Future** George Eldon Ladd, 1996-07-29 After surveying the debate of eschatology Ladd discusses the promise of the kingdom the fulfillment of the promise and the consummation of the promise Throughout the book he develops his thesis that the kingdom of God involves two great movements fulfillment within history and The Coming Crisis Mark Chapman, 2001-09-01 This is a compelling case study of a consummation at the end of history distinctive theological theme the eschatological interpetation of the historical Jesus in Edwardian England as an attempt to add greater precision to the history of theology in a neglected period Looking at the impact of Adolf Harnack Alfred Loisy Albert Schweitzer and Johannes Weiss on biblical studies and theology before the First World War Chapman argues that the future course of theology in which eschatology played such a crucial role was already mapped at this time Assessing the work of William Sanday F C Burkitt and George Tyrrell Chapman looks at the theological diplomacy between Britain France and Germany and uncovers a cultural crisis that made eschatology such an appealing idea **Keeping Hope Alive** Dermot A.

Lane, 2005-01-26 Today more and more people are asking questions about human social and cosmic destiny Does the universe have a purpose What is the point of historical existence What happens at death What can we hope for Is it possible to talk meaningfully about another world In Keeping Hope Alive Dermot A Lane addresses these and other questions The author sets out to develop a theology of hope rooted in both human experience and the Christian tradition In discussing Christian belief Lane pays particular attention to the death and resurrection of Christ as both the pivotal eschatological event and the fundamental ground of Christian hope At the same time he deals with contemporary human experience addressing questions arising from the Marxist critique of Christianity the nuclear threat the ecological crisis and the apparent emptiness of much post modern thinking Dermot Lane confronts difficult issues such as death heaven hell purgatory resurrection reincarnation and the possibility of universal salvation with realism and honesty. The end result is a new theological synthesis that takes account of recent developments in anthropology feminism and cosmology This carefully crafted book will be of value to all who are asking searching guestions about the meaning of living and dying Index to periodical literature on **Christ and the Gospels** Bruce M. Metzger, 2019-07-01 A Commentary on the Gospel According to Mark Melancthon To See the Kingdom James W. Fowler, 2001-03-02 Williams Jacobus, 1915 *Was 70 CE a Watershed in Jewish History?* Daniel R. Schwartz, Zeev Weiss, 2011-12-30 The destruction of the Temple of Jerusalem in 70 CE which put an end to sacrificial worship in Israel is usually assumed to constitute a major caesura in Jewish history But how important was it What really changed due to 70 What in contrast was already changing before 70 or remained basically or virtually unchanged despite it How do the Diaspora which was long used to Temple less Judaism and early Christianity which was born around the same time fit in This Scholion Library volume presents twenty papers given at an international conference in Jerusalem in which scholars assessed the significance of 70 for their respective fields of specialization including Jewish liturgy law literature magic art institutional history and early Christianity The Background of the Gospels William Fairweather, 2015-01-29 Covering the period from the Maccabean revolt to the destruction of Jerusalem under Titus Fairweather's impressive work should be an important point of reference for those wanting to develop their knowledge on the evolution of Judaism as a spiritual movement The Crusader ,1927 The Theology of the Gospel of Mark William Telford, 1999-06-17 This 1999 book presents the reader with a comprehensive view of the theology underlying the first narrative account of the life of Jesus In Chapter 1 Dr Telford introduces the background of the text and its general message attempting briefly to place the Gospel and therefore its theology in its historical setting In the second chapter he describes and analyses the Gospel's theology again from an historical perspective and with particular regard to its original context In the third chapter Telford goes on to examine the Gospel in relation to other relevant writings of the New Testament Briefly reviewing this larger corpus and highlighting parallels and contrasts where appropriate he seeks to locate the Gospel s theology in its wider canonical context The fourth and final chapter ranges even further afield commenting on the Gospel s

history of interpretation and on its significance in the contemporary context **Whose Historical Jesus?** William E. Arnal, Michel Desjardins, 2010-10-30 The figure of Jesus has fascinated Western civilization for centuries As the year 2000 approaches eliciting connections with Jesus birth and return excitement grows as does the number of studies about Jesus Cutting through this mass of material Whose Historical Jesus provides a collection of penetrating jargon free intelligently organized essays that convey well both the centrality and the complexity of deciphering the historical Jesus Contributors include such eminent scholars as John Dominic Crossan Burton L Mack Se n Freyne and Peter Richardson Essays range from traditional to modern and postmodern and address both recent and enduring concerns Introductions and reflections augment these lucid essays provide context and help the reader focus on the issues at stake Whose Historical Jesus will be of interest to all who wish to understand the current controversies and historical debates who want insightful critiques of those views or who would like guidance on the direction of future studies The Gospel and Letters of John, Volume 1 Urban C. von Wahlde, 2010-11-22 Urban von Wahlde s radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist's precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively Judging Q and saving Jesus - Q's contribution to the wisdom-apocalypticism debate in historical Jesus studies. Llewellyn Howes, 2015-12-31 Judging Q and saving Jesus is characterised by careful textual analysis showing a piercing critical eye in its impressive engagement with the secondary literature and sharp insightful critique This book takes the stance that the hypothetical document Q can be reconstructed with sufficient precision and that this enables biblical scholars to study with confidence its genre and its thematic and ideological profile The genre issue is central to the book s overall structure and the alternative proposals are discussed at length and with sophistication The author's inference is that Q's macrogenre is sapiential with occasional insertions of apocalyptic microstructures and motifs This finding embodies progress in Historical Jesus studies An opposing trend has been to label Jesus an apocalypticist so that the great either or of contemporary Jesus scholarship has been either eschatological or not an alternative that dates back to Albert Schweitzer The author finds that generally and even when used apocalyptically the term Son of Man tends to support arguments best understood as sapiential in outlook This is consistent with the sapiential genre of the document as a whole This finding is supported by the close and careful exegesis of Q 6 37 38 on not judging He reconstructs the original wording of this saying on not judging and explores the idea of weighing in judgment psychostasia determining in the end that the saying is entirely sapiential The Canadian Forum ,1922 Includes critical reviews
