The Life and Thought of Augustine of Hippo

David Bentley-Taylor

'One of the greatest fathers of the Catholic Church, yet it was Augustine who gave us the Reformation.'
John Piper

The Apostle From Africa The Life And Thought Of Augustine Of Hippo

St. Augustine

The Apostle From Africa The Life And Thought Of Augustine Of Hippo:

The Apostle from Africa David Bentley-Taylor, 2002 Augustine entered both the Church and the world as a revolutionary force and not merely created an epoch in the history of the Church but determined the course of its history in the West up to the present day The whole development of Western life in all its phases was powerfully affected by his teaching B B Warfield After Jesus and Paul Augustine of Hippo is the most influential figure in the history of Christianity Christian History magazine Born 700 years after Plato and dying 400 years after Jesus crucifixion Augustine was outstanding amongst Christian thinkers All around the Mediterranean leading men hung on his words One of the most remarkable things about Augustine s influence is the fact that it flows into radically opposing religious movements He is cherished as one of the fathers of the Roman Catholic Church and yet it was Augustine who gave us the Reformation not only because Luther was an Augustinian monk or that Calvin quoted Augustine more than any other theologian but because the Reformation witnessed the ultimate triumph of Augustine s doctrine of grace David Bentley Taylor has managed to give us a thorough introduction to the man *Christianity: The First 400 years* Jonathan Hill, 2013-09-25 The first 400 years after the death of Christ saw huge developments and changes in the emerging faith Christianity spread from Jerusalem to much of the known world it became the official religion of the British empire its key texts were written and its core ideas and beliefs were shaped and formalized Much of this happened under huge pressure from both within and without Jonathan Hill charts the fascinating history of this crucial period in the development of Christianity He shows how and why certain ideas triumphed over others introduces the key figures both within the faith and among its opponents and their intellectual struggles covers the main battles often bitterly fought both of ideas and of weapons describes the lives of ordinary Christians and their worship and how each influenced the other Occassionally murky often thrilling and always compelling the story Hill tells recounts the ways in which a new religion centred on a single man executed in the Roman Middle East first struggled and then spread to become the dominant belief system of the world *The History of Christianity* Jonathan Hill, 2020-11-20 How did a group of scared peasants from a backwater of the Roman empire followers of an executed criminal form the largest religion on the planet The story of Christianity its transformation from an illegal sect to the religion of emperors kings and presidents and its spread across the globe is an endlessly fascinating one The History of Christianity gives readers an overview of these extraordinary 2 000 years It is a history not only of how Christianity has changed the world but also of how the world has changed Christianity The first half of this volume is arranged mostly chronologically to create a single narrative from the age of exploration to the late twentieth century The second half describes the history of the church in the past hundred years or so with each chapter focusing on a different part of the world Boxed features throughout the volume highlight especially important figures or themes from each of these periods The History of Christianity The Age of Exploration to the Modern Day will be welcomed by all those wanting a lively and engaging presentation of the people events places and plain curiosities

that have formed the Christian story Augustine, His Life and Thought Warren Thomas Smith,1980 A portrayal of Augustine and his thoughts and works The scholarly report offers an introduction to Augustine as an African *Dictionary of Theologians* Jonathan Hill,2010-03-25 An exhaustive guide to every significant Christian theologian who lived from the first century to 1308 the year in which John Duns Scotus died The dictionary encompasses the Catholic Orthodox Nestorian and Monophysite traditions including information not previously available in English Thoroughly indexed the dictionary incorporates common variants of names and concepts which will help and direct the reader The main criterion for inclusion has been contribution to the development of Christian theology Sub criteria by which that is measured include above all originality and influence on later figures With over 290 entries the dictionary provides a handy summary of theologiansi lives and writings together with recent scholarship as well as an up to date definitive bibliography listing primary texts translations and secondary literature in the major western European languages Useful for all levels of academia no other text matches the depth of the dictionaryis bibliographies The unprecedented thoroughness of Hill s compilation provides an essential resource for studies at all levels on such a large and varied range of Church thinkers Sacred Scripture Richard N. Soulen,2010-02-01 How did the Bible s sixty six books become sacred Scripture How have they been understood and interpreted over the last two thousand years What was it that led to our acceptance of the Bible as the true word of God For two millennia Christians have accepted the importance of the Bible as sacred Scripture and for as many years they have struggled to comprehend its meaning Over the centuries the church has expressed the centrality of Scripture in numerous ways and Christians have studied and interpreted the Bible in a wide variety of faithful approaches Understanding that process is critical to our ability and our willingness to accept the Bible as sacred and true To that end Richard Soulen leads us through the history of how Christian understandings of the Bible have changed and developed throughout history **The Works of Saint Augustine** Saint Augustine (of Hippo),1990 In 1990 New City Press in conjunction with the Augustinian Heritage Institute began the project known as The Works of Saint Augustine A Translation for the 21st Century The plan is to translate and publish all 132 works of Saint Augustine his entire corpus into modern English This represents the first time in which The Works of Saint Augustine will all be translated into English Many existing translations were often archaic or faulty and the scholarship was outdated New City Press is proud to offer the best modern translations available The Works of Saint Augustine A Translation for the 21st Century will be translated into 49 published books To date 41 books have been published by NCP containing 93 of The Works of Saint Augustine A Translation for the 21st Century Augustine s writings are useful to anyone interested in patristics church history theology and Western civilization Publisher The Three Books of St. Augustine, Bishop of Hippo, In answer to the letters of Petilianus, The Donatist Apostle Horn, **The Works of Saint Augustine: Letters v. 1. Letters 1-99** Saint Augustine (of Hippo),1990 **Christian Thought** Chad Meister,James Stump,2016-11-10 The story of Christian thought is essential to understanding Christian faith today and the last two

millennia of world history This fresh and lively introduction explores the central ideas persons events and movements that gave rise to Christian thought from early beginnings to its present forms By highlighting the important but often neglected role of women and the influence of non Christian ideas and movements this book provides a broader context for understanding the history of Christian ideas and their role in shaping our world Christian Thought provides an overview of the context of Christianity s origin including discussion of the influence of Hebrews Greeks and Romans explores the major events and figures of the history of Christian thought while drawing attention to significant voices which have often been suppressed analyses the impact on Christian thought of widely discussed events such as The Great Schism the Scientific Revolution and modernism surveys contemporary trends such as fundamentalism feminism and postmodernism This fully revised and updated second edition features a new chapter on liberal theology and reflects recent scholarship in the field Complete with figures timelines and maps this is an ideal resource for anyone wanting to learn more about the development of Christian thought and its influence over the centuries Further teaching and learning resources are available on the companion website at www.routledge.com/cw/meister

The Legacy of Gildas Stephen J. Joyce, 2022 Provocative new investigation into the shadowy figure of Gildas his influence and representation Gildas is an essential witness to the Christian culture of the British Isles in the opaque period after the decline and fall of the western Roman empire His criticisms in *De excidio Britanniae* of the Britons in the context of spiritual and secular corruption and partition with pagan powers are a crucial source for understanding the transition to the medieval nations of England Scotland Wales and Ireland But the ways in which this enigmatic ecclesiastical figure has been received over the centuries have shaped an ambivalent reputation On the one hand he is seen as a significant contributor to ecclesiastical reform on the other as a dour and unreliable chronicler lamenting an inevitable spiritual and political decline This book seeks to refine and recuperate the image of Gildas It does so by examining his self image as presented in select surviving works and subsequent representations as developed by the reception of these works the legacy of Gildas by church luminaries such as Columbanus Gregory the Great and Bede in exploring how Gildas influenced perceptions of authority in the British Isles and on the continent it puts this legacy into a wider context Overall the volume argues that as one of the earliest authorities to define and defend Christian kingship Gildas deserves to be seen as a significant contributor to the political and ecclesiastical development of the early medieval West

Journal of the Australian Early Medieval Association Geoffrey D. Dunn, Darius von Guttner Sporzynski, 2015-12-31 The journal welcomes papers on historical literary archaeological cultural and artistic themes particularly interdisciplinary papers and those that make an innovative and significant contribution to the understanding of the early medieval world and stimulate further discussion For submission details please see the association website www.aema.net.au Submissions then may be sent to journal@aema.net.au

Christianity & Western Thought Colin Brown, Steve Wilkens, Alan G. Padgett, 1990 From Socrates and the Sophists to Kant from Augustine to Aquinas and the Reformers Colin Brown traces the turbulent often

tension filled always fascinating story of the thinkers ideas and movements that have shaped our intellectual landscape Is philosophy the handmaiden of faith or the doctrine of demons Does it clarify the faith or undermine the very heart of Christian belief Brown writes This book is about the changes in preconceptions world views and paradigms that have affected the ways in which people have thought about religion in general and Christianity in particular in the Western world It is a historical sketch written to help students and anyone else who might be interested to get a better grasp of the love hate relationship between philosophy and faith that has gone on for close to two thousand years Students pastors and thoughtful Christians will benefit from this rich resource The first in a proposed three volume work Brown s easy to read hard to put down introduction to Christianity and Western thought focuses on developments from the ancient world to the Age of Enlightenment Horizon History of Christianity Roland H. Bainton,2014-11-21 All of us whatever our individual beliefs belong to a society shaped by the Christian tradition It is an extraordinary history Over the centuries since the death of Christ his followers have known adversity and defeat as well as glory and power the victories of Charlemagne or the Crusades matched by those of Hun Moor or Turk Christianity has borne persecution and division each taking its terrible toll martyrs It has assumed unexpected forms from fourth century Arianism to seventeenth century Quakerism It has been the cause and the victim of war and holocaust It has been challenged by the findings of such scientists as Galileo and Darwin and never more markedly than our own 21st century by a progressive secularism Yet in every sphere of Western life and achievement in our art and literature our politics and our law our philosophy we find the enduring legacy of the Christian experience Here is a sound readable guide to Christianity as a whole its origins its revolutionary impact on human affairs its development over twenty one centuries its role as a fundamental powerful force in our world and our lives *The Bible and Its Influence* Cullen Schippe,Chuck Stetson,2006 Biblical allusions are found in great literature and in the daily newspaper as well Rock musicians screenwriters television producers and advertisers use the Bible as a source Politicians use the words and accounts of the Bible to frame their debates Calendar of Saints David L. Veal,2004 The latest on the greatest Calendar of Saints introduces the saints you know and love and many you might have not yet discovered A reworking of our previous title Saints Galore this work provides revised and updated sketches of Saints Major and Lesser as well as a look at Red Letter days on the Church s liturgical calendar including all updates through General Convention 2003 A definitive source for understanding the days dedicated to those who have marched with God in service to all Letter & Spirit: Vol. 12: According to the Scriptures: The Mystery of Christ in the History of Salvation Curtis J Mitch,Fr. David Vincent Meconi,Fr. Thomas Esposito,William Bales,John Cavadini,2018-06-29 Letter The Spiritual Experience of St Paul in the Monastic Theology of St Bernard by Fr Thomas Esposito O Cist Paul s Rhetorical Purpose in Ephesians 4 9 10 Upsilon Vector Mim sis by William Bales and Exegesis and Ecclesiology in Augustine s City of God by John Cavadini The Seven books of St. Augustine, Bishop of Hippo, On Baptism, against the Donatists Apostle Horn, **Confessions of Saint Augustine** St.

Augustine, 2003-07-01 This is the autobiography of Augustine of Hippo a moving and profound record of a human soul and its struggles The most widely read of all his works it not only tells the story of Augustine s struggles in the faith but also his love for the Master This book speaks to the heart of humanity about human weakness human frailty human **The Heavenly Trumpet** Margaret Mary Mitchell, 2002-01-01 Arguing that all Pauline interpretation depends significantly on the ways in which readers formulate their own images of the apostle Margaret M Mitchell posits that John Chrysostom the most prolific interpreter of the Pauline epistles in the early church exemplifies this phenomenon Mitchell brings together Chrysostom s copious portraits of Paul of his body his soul and his life circumstances and for the first time analyzes them as complex rhetorical compositions built on well known conventions of Greco Roman rhetoric Two appendices offer a fresh translation of Chrysostom s seven homilies de laudibus sancti Pauli and a catalogue of color plates of artistic representations that graphically represent the author exegete dynamic this study explores
