The Apostolic Cell Church:

The Apostolic Cell Church Lawrence Khong, 2000 **Apostolic Cell Church** Touch Ministries International, The Apostolic Revelation John Kingsley Alley, 2002 God is progressively releasing into the earth powerful apostolic and prophetic anointings and is restoring the apostolic nature of the church itself Every Christian needs to prayerfully consider the message of this book and hear what the Spirit is saying to the church The change is ongoing and God is acting in the history of the church and nations The Apostolic Revelation unveils a series of dynamic concepts that are crucial to the life of the church and the restoration of its apostolic power It establishes benchmarks for the apostolic ministry and gives definition to the apostolic structure of the church Here is a revelation of apostolic methods and God's heart for the church and its leadership In this study today's apostolic message is harmonised with and grounded in the apostolic revelation of Christ given to Paul the apostle to the Gentiles This work is the result of 13 years of inquiry searching the mind of the Spirit regarding the place of apostles today and seeking to understand what it means for the church to be the mature apostolic church Apostolic grace is for every believer This book seeks to equip you to receive a greater grace and prepare you for the astounding days ahead *The House Church Book* Wolfgang Simson, 2015-10-16 In a world where the church is being ignored it is time to bring the church to the people and not the people to the church says researcher and church strategy consultant Wolfgang Simson His book *Houses that Change the World* originally published in the UK is widely recognized as a classic of the house church movement Now revised as *The House Church Book* this definitive work offers a comprehensive understanding of the past present and future of the house church movement and the vital role of ordinary people in saturating the world with God's truth Church of Churches Jean-Marie-Roger Tillard, 1992 Except for some excellent studies on the notion of koinonia few works have been devoted to a revival of the entire vision of the Church around communion a vision of ecclesiology which is rooted in the solidarity that finds its locus in Jesus Christ Church of Churches the fruit of several years of research teaching and ecumenical involvement is intended to overcome this lack It is not an exhaustive study but rather a point of departure for discussing how the vision of the ecclesiology of communion the most difficult question of the ecumenical debate can break down the barrier of misunderstanding suspicions and claims in which the diverse ecclesial traditions are locked **The Global House Church Movement** Rad Zdero, 2004-06-01 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book **The Church Quarterly Review**, 1929 *Paradigms of the Church in Mission* Augusto Rodriguez, 2012-02-01 In this book Augusto Rodriguez provides a historical survey of the different paradigms of Christianity in order to understand how and why the church has changed her concept of being the church and of mission This book will help in understanding how the different

paradigms of Christianity throughout history have changed the church's self understanding of being the church and of mission. Rodriguez's aim is to provide an opportunity for Christians to see the different paradigms the church has gone through and understand the present situation of the church in order to live out as fully as possible the New Testament understanding of its mission and better accomplish the task.

Pentecostal Megachurches in Southeast Asia Terence Chong, 2018-03-06 Charismatic pastors' fast-paced worship sessions, inspirational but shallow theology, and large congregations: these are just some of the associated traits of Pentecostal megachurches. But what lies beneath the veneer of glitz? What are their congregations like? How did they grow so quickly? How have they managed to negotiate local and transnational challenges? This book seeks to understand the growth and popularity of independent Pentecostal megachurches in Southeast Asia. Using an ethnographic approach, the chapters examine Pentecostal megachurches in Malaysia, Indonesia, the Philippines, and Singapore. Each chapter dwells on the development of the megachurch set against the specific background of the country's politics and history.

Making Cell Groups Work: Navigation Guide Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27 This is an expanded 624-page reference tool for the 8-stage transition process found in *How Do We Get There From Here*, formerly titled *Making Cell Groups Work*. This sizable compilation is filled with hundreds of articles by pastors and experts, including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group/cell group ministry; how to choose team members to implement the transition; tips on how to prototype groups; and much, much more. One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses, if any, in four key areas of church health, all of which are required for a successful transition.

The Challenges of the Pentecostal, Charismatic and Messianic Jewish Movements Peter Hocken, 2016-04-01 This book explores the Pentecostal and charismatic movements, tracing their development and their variety. Hocken shows how these movements of the Holy Spirit, both outside the mainline churches and as renewal currents within the churches, can be understood as mutually challenging and as complementary. The similarities and the differences are significant. The Messianic Jewish movement possesses elements of both the new and the old. Addressing the issues of modernity and globalization, this book explores major phenomena in contemporary Christianity, including the relationship between the new churches and entrepreneurial capitalism.
