The Apprentice Gods Handbook

Ron Rhodes

The Apprentice Gods Handbook:

The Apprentice God's Handbook Steve Quadrio, 2001-02-28 The manuscript is a logical easy to read discussion on religion history and politics and how those particular institutions seek to control our lives How we as individuals can deal with the spiritual restrictions which are forced upon us It is not necessary for us to accept our circumstances in life if it is detrimental to our own well being purely because it advances a government s religion s corporation s or Queen s hidden agenda for retention of control of the Earth s future We are forced by our masters to accept many things as absolute truths however with some thought it is simple to create our own knowledge about our place in this diverse universe It is contrary to the development of the individual to accept that they are less important than Presidents or Kings You hold the key to the future of the Earth and to the very Universe itself This book will impart upon the reader the ability to accept their insignificance and at the same time the knowledge of their absolute worth

The New Interpreter's® Handbook of Preaching, 2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice
