Kline, 2009-08-25 One stop resource for courses in medieval literature providing students with a comprehensive guide to the historical and cultural context major texts and movements reading primary and critical texts key critics concepts and topics major critical approaches and directions of new research The New Statesman, 1929 **Textual Traditions and Medieval Literary Culture** Noëlle Phillips, Daniel Helbert, William Green, 2025-01-07 Essays illuminating how medieval cultures and identities have influenced later authors texts and communities How did medieval literary cultures shape and how were they shaped by their received textual traditions And how have cultures continued to respond to the inherited medieval tradition in later eras This volume explores these important questions considering how language and literature mediate the narration of history or culture especially the culture and identity of Britain In addressing the overarching concern of the conception of the past in the literatures of medieval Britain and the later reception of medieval texts the contributors essays respond to the diverse areas of medieval studies upon which Professor Echard's work has had significant influence They address amongst other subjects Arthuriana and Matter of Britain texts the literary interrelationships between medieval Wales and England medieval adaptations and interpretations of texts from classical antiquity the poet John Gower and medievalism in later centuries As Professor Echard has consistently demonstrated in these fields and as these essays overwhelmingly confirm the past is rarely if ever represented at face value in the cultural products that lay claim to it *The Irish Tradition in Old English Literature* Charles D. Wright, 1993-07 Charles Wright identifies the characteristic features of Irish Christian literature which influenced Anglo Saxon vernacular authors As a full length study of Irish influence on Old English religious literature the book will appeal to scholars in Old English literature Anglo Saxon studies and Old and Middle Irish literature *The Cambridge Companion to Medieval English Law and Literature* Candace Barrington, Sebastian Sobek, 2019-08-08 A comprehensive and wide ranging account of the interrelationship between law and literature in Anglo Saxon Medieval and Tudor England *A Companion to Medieval English Literature and Culture, c.1350 - c.1500* Peter Brown, 2009-10-26 A Companion to Medieval English Literature and Culture c 1350 c 1500 challenges readers to think beyond a narrowly defined canon and conventional disciplinary boundaries A ground breaking collection of newly commissioned essays on medieval literature and culture Encourages students to think beyond a narrowly defined canon and conventional disciplinary boundaries Reflects the erosion of the traditional rigid boundary between medieval and early modern literature Stresses the importance of constructing contexts for reading literature Explores the extent to which medieval literature is in dialogue with other cultural products

including the literature of other countries manuscripts and religion Includes close readings of frequently studied texts including texts by Chaucer Langland the Gawain poet and Hoccleve Confronts some of the controversies that exercise students of medieval literature such as those connected with literary theory love and chivalry and war

A Dictionary of Biblical Tradition in English Literature David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today's students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout

Aesthetics and the Incarnation in Early Medieval Britain Tiffany Beechy, 2023-06-15 This rich study takes Insular art on its own terms revealing a distinctive and unorthodox theology that will inevitably change how scholars view the long arc of English piety and the English literary tradition Drawing on a wide range of critical methodologies *Aesthetics and the Incarnation in Early Medieval Britain* treats this era as a contact zone of cultural clash and exchange where Christianity encountered a rich amalgam of practices and attitudes particularly regarding the sensible realm Tiffany Beechy illustrates how local cultures including the Irish learned tradition received the Word that was made flesh the central figure of Christian doctrine in distinctive ways the Word for example was verbal related to words and signs and was not at all ineffable Likewise the Word was often poetic an enigma and its powerful presence was not only hinted at as St Augustine would have it but manifest in the mouth or on the page Beechy examines how these Insular traditions received and expressed a distinctly iterable Incarnation Often disavowed and condemned by orthodox authorities this was in large part an implicit theology expressed or embodied in form such as art compilation or metaphor rather than in treatises Beechy demonstrates how these forms drew on various authorities especially important to Britain Bede Gregory the Great and Isidore most prominent among them Beechy's study provides a prehistory in the English literary tradition for the better known experimental poetics of Middle English devotion The book is unusual in the diversity of its primary material which includes visual art including the Book of Kells obscure and often cursorily treated texts such as Adamnan's *De locis sanctis* On the holy lands and the difficult esoterica of the wisdom tradition

The Cambridge Companion to Medieval English Theatre Richard Beadle, Alan J. Fletcher, 2008-07-10 The drama of the English Middle Ages is perennially popular with students and theatre audiences alike and this is an updated edition of a book which has established itself as a standard guide to the field The Cambridge Companion to Medieval English Theatre second edition continues to provide an authoritative introduction and an up to date illustrated guide to the mystery cycles morality drama and saints plays which flourished from the late fourteenth to the mid sixteenth centuries The book emphasises regional diversity in the period and engages with the literary and particularly the theatrical values of the plays Existing chapters have been revised and updated where necessary and there are three entirely new chapters including one on the cultural significance of early drama A

thoroughly revised reference section includes a guide to scholarship and criticism an enlarged classified bibliography and a chronological table

A History of English Laughter , 2021-11-01 Is there a history of laughter Or isn't laughter an anthropological constant rather and thus beyond history a human feature that has defined humanity as homo ridens from cave man and cave woman to us The contributors to this collection of essays believe that laughter does have a history and try to identify continuities and turning points of this history by studying a series of English texts both canonical and non canonical from Anglosaxon to contemporary As this is not another book on the history of the comic or of comedy it does not restrict itself to comic genres some of the essays actually go out of their way to discover laughter at the margins of texts where one would not have expected it all in Beowulf or Paradise Lost or the Gothic Novel Laughter at the margins of texts which often coincides with laughter from the margins of society and its orthodoxies is one of the special concerns of this book This goes together with an interest in impure forms of laughter in laughter that is not the serene and intellectually or emotionally distanced response to a comic stimulus which is at the heart of many philosophical theories of the comic but emotionally disturbed and troubled aggressive and transgressive satanic and sardonic laughter We do not ask then what is comic but who laughs at and with whom where when why and how
