Prehistoric Archaeology of Ireland John Waddell, 2023-04-30 This book provides a chronological account of this timespan and with numerous illustrations charts the development of the first hunting and foraging communities the achievements of the agriculturalists with their remarkable megalithic tombs and the technological advances of the later bronze and iron using societies The Archaeology of Caves in Ireland Marion Dowd, 2015-01-31 The Archaeology of Caves in Ireland is a ground breaking and unique study of the enigmatic unseen and dark silent world of caves People have engaged with caves for the duration of human occupation of the island spanning 10 000 years In prehistory subterranean landscapes were associated with the dead and the spirit world with evidence for burials funerary rituals and votive deposition The advent of Christianity saw the adaptation of caves as homes and places of storage yet they also continued to feature in religious practice Medieval mythology and modern folklore indicate that caves were considered places of the supernatural being particularly associated with otherworldly women Through a combination of archaeology mythology and popular religion this book takes the reader on a fascinating journey that sheds new light on a hitherto neglected area of research It encourages us to consider what underground activities might reveal about the lives lived aboveground and leaves us in no doubt as to the cultural significance of caves in the past **The Archaeology of Medieval Rural Settlement in Ireland** Kieran Denis O'Connor, 1998 A wide range of archaeological and historical source material forms the basis of this well presented study which considers topics such as the role of castles as country house and manorial centres the nature of English peasant settlement on Anglo Norman manors and the nature of Gaelic settlement in other areas It also sets out directions for future research **Environmental Archaeology in Ireland** Eileen M. Murphy, Nicki J. Whitehouse, 2007-10-10 This edited volume of 16 papers provides an introduction to the techniques and methodologies approaches and potential of environmental archaeology within Ireland Each of the 16 invited contributions focuses on a particular aspect of environmental archaeology and include such specialist areas as radiocarbon dating dendrochronology palaeoentomology human osteoarchaeology palynology and geoarchaeology thereby providing a comprehensive overview of environmental archaeology within an Irish context The inclusion of pertinent case studies within each chapter will heighten awareness of the profusion of high standard environmental archaeological research that is currently being undertaken on Irish material The book will provide a key text for students and practitioners of archaeology archaeological science and palaeoecology **Partnership & Participation**

CHRISTINE. BAKER,2021-03-19 Over the past number of years there has been an increasing desire among communities to engage directly with the archaeology heritage and traditions of their local area The term community archaeology is generally understood as the communities of today engaging with the people of the past through a variety of means excavation surveys studies and dissemination Projects undertaken under the banner of community archaeology are varied and can include field walking building surveys oral history projects graveyard surveys art projects archive research geophysical landscape and topographic surveys conservation and excavation This work examines these projects nationwide with a common thread of reconnecting people with their past and encouraging new communities to connect with their localities thereby creating awareness and ensuring the protection of the archaeological resource **The Archaeology of Early Medieval Ireland**

Nancy Edwards,2013-04-15 In the first major work on the subject for over 30 years Nancy Edwards provides a critical survey of the archaeological evidence in Ireland c 400 1200 introducing material from many recently discovered sites as well as reassessing the importance of earlier excavations Beginning with an assessment of Roman influence Dr Edwards then discusses the theme of settlement food and farming craft and technology the church and art concluding with an appraisal of the Viking impact The archaeological evidence for the period is also particularly rich and wide ranging and our knowledge is expanding rapidly in the light of modern techniques of survey and excavation Ancient Ireland R.A.S.

Macalister,2014-10-24 Archaeological evidence here is used to help build up a picture of the lives led by the people of which it is a record The contents include a description of primitive settlements leading up to an account of the art trade and civilization generally of early ages prior to the Celtic invasion and up to the end of Medieval times Two chapters take narratives from the time and analyse them against physical evidence and consider what they tell us alongside that information Many often overlooked facts are brought to the fore and special attention is paid to the overwhelming influence of climate in shaping human destiny Originally published in 1935 this book is as enlightening today *The Archaeology of Medieval Ireland* Terry B. Barry,2002-11 An indispensable guide to the major monuments of the period earthen and stone castles moated sites villages towns cathedrals churches tower houses pottery kilns and mills The Archaeology of

Medieval Ireland Terence B. Barry,1987-01-01 **Politics, Archaeology, and the Creation of a National Museum in Ireland** Elizabeth M. Croke,2000 This study provides a historical perspective on the value systems inherent in the museum building process and underpinning the interest in Irish archaeology The social and political role of museums collections is demonstrated through the history of museum provision in Dublin With an emphasis on Irish nationalism the book considers the ways the care and ownership of the material remains of antiquity reflect complex attitudes toward Irish history and politics Croke teaches museum studies at the University of Leicester The book is distributed in the US by ISBS Annotation copyrighted by Book News Inc Portland OR **The Origins of Ireland's Holy Wells** Celeste Ray,2014-01-19 This book reassesses archaeological research into holy well sites in Ireland and the evidence for votive deposition at watery sites

throughout northwest European prehistory **A History of Settlement in Ireland** Terry Barry, 2012-11-12 A History of Settlement in Ireland provides a stimulating and thought provoking overview of the settlement history of Ireland from prehistory to the present day Particular attention is paid to the issues of settlement change and distribution within the contexts of environment demography culture The collection goes further by setting the agenda for future research in this rapidly expanding area of academic interest This volume will be essential reading for all those with an interest in the archaeology history and social geography of Ireland
