The Model of Revelation Knowledge B. J. Sifon,2022-11-03 Have you ever wondered what you were before you were born or what will happen after you dematerialize away in death from this physical dimension Quite often one part of your mind tells you that after you die you are going to be judged by God and after the judgment you will spend the rest of your existence in an uncomfortable place called hell or a place of pleasure called heaven The question is how exactly did Christ define our existence To understand our true nature we have analyzed many important statements made by Christ concerning this issue This nature reveals our true identities in the spirit what we really are what we are capable of where we came from and where we re heading As spiritual individuals we have also tapped into the realm of the spirit by making it substantial to get answers not just to everything in existence but also to things unheard of In this record the author reflects on his spiritual identity
