mainstream M. Constantine, *North American Women Artists of the Twentieth Century* Jules Heller, Nancy G.
Heller, 2013-12-19 First Published in 1997 North American Women Artists of the Twentieth Century A Biographical
Dictionary was created to fill a gap of there being a comprehensive reference work like this available even though the
bibliography in English on various aspects of the history of women artists has grown exponentially during the past ten years
As researchers the editors have been frustrated many times by being unable to locate basic information about many of the
artists included in this volume especially those working outside the United States This leads directly to another reason for
producing this particular kind of reference book to try and create a better understanding between and among the artists and
art audiences in these countries *A Companion to Textile Culture* Jennifer Harris, 2020-08-17 A lively and innovative
collection of new and recent writings on the cultural contexts of textiles The study of textile culture is a dynamic field of
scholarship which spans disciplines and crosses traditional academic boundaries A Companion to Textile Culture is an
expertly curated compendium of new scholarship on both the historical and contemporary cultural dimensions of textiles
bringing together the work of an interdisciplinary team of recognized experts in the field The Companion provides an
expansive examination of textiles within the broader area of visual and material culture and addresses key issues central to
the contemporary study of the subject A wide range of methodological and theoretical approaches to the subject are explored
technological anthropological philosophical and psychoanalytical amongst others and developments that have influenced
academic writing about textiles over the past decade are discussed in detail Uniquely the text embraces archaeological
textiles from the first millennium AD as well as contemporary art and performance work that is still ongoing This
authoritative volume Offers a balanced presentation of writings from academics artists and curators Presents writings from
disciplines including histories of art and design world history anthropology archaeology and literary studies Covers an
exceptionally broad chronological and geographical range Provides diverse global transnational and narrative perspectives
Included numerous images throughout the text to illustrate key concepts A Companion to Textile Culture is an essential
resource for undergraduate and postgraduate students instructors and researchers of textile history contemporary textiles
art and design visual and material culture textile crafts and museology Artists from Latin American Cultures Kristin G.
Congdon, Kara Kelley Hallmark, 2002-10-30 Latin Americans have long been relegated to the cultural background obscured by
the dominant European culture This biographical dictionary profiles 75 artists from the United States and 13 nations of
Central and South America and the Caribbean including painters sculptors photographers muralists printmakers installation

artists and performance artists Some of their works recall pre Columbian times others confront the cultural imperialism of the U S over Latin America and many explore how the dominant elements of culture can affect identities of class gender and sexuality Profiled artists range from the renowned to the little known Frida Kahlo Tina Modotti Diego Rivera Myrna Baez Raquel Forner Patrocino Barela and many more Color photographs are provided for many of the works Each entry includes information about the artist s childhood schooling creative growth and artistic styles and themes Exemplary artworks and influences are described along with a look at popular and critical responses Supplemental features include artist cross references a glossary of essential terms from the art world and a number of vivid photos portraying the artists in their creative environments

Craft International ,1983 **Lenore Tawney** Karen Patterson,2019-09-18 Recent years have seen an enormous surge of interest in fiber arts with works made of thread on display in art museums around the world But this art form only began to transcend its origins as a humble craft in the late nineteenth and early twentieth centuries and it wasn t until the 1950s and 1960s that artists used the fiber arts to build critical practices that challenged the definitions of painting drawing and sculpture One of those artists was Lenore Tawney 1907 2007 Raised and trained in Chicago before she moved to New York Tawney had a storied career She was known for employing an ancient Peruvian gauze weave technique to create a painterly effect that appeared to float in space rather than cling to the wall as well as for being one of the first artists to blend sculptural techniques with weaving practices and in the process pioneered a new direction in fiber art Despite her prominence on the New York art scene however she has only recently begun to receive her due from the greater art world Accompanying a retrospective at the John Michael Kohler Arts Center this catalog features a comprehensive biography of Tawney additional essays on her work and two hundred full color illustrations making it of interest to contemporary artists art historians and the growing audience for fiber art Copublished with the John Michael Kohler Arts Center

New Feminist Art Criticism Katy Deepwell,1995 This text reviews feminist art strategies as they emerged in the late 1980s and early 1990s in America and the UK It draws together the views of prominent practitioners critics academics and curators on a broad range of controversial issues The central focus of the book is feminism s engagement with psychoanalysis and post modernism and its aim of deconstructing the borders between art and craft and theory and practice Feminist politics in the art world are also investigated through discussion of the negotiations of feminist curators responses to feminist exhibitions issues surrounding pornography and the censorship of women s work and the role of feminist teaching on fine art and design degree courses The book covers a variety of art work including installation work painting textiles and photography
