The Art Of Chinese Ritual Masks:

The Art of Chinese Ritual Masks Ruolin Xue, Hongren Chen, Daxi Yu, 1996 Chinese History Endymion Porter Wilkinson, 2000 Endymion Wilkinson's bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China. In this latest edition now in a bigger format its scope has been dramatically enlarged by the addition of one million words of new text. Twelve years in the making the new manual introduces students to different types of transmitted excavated and artifactual sources from prehistory to the twentieth century. It also examines the context in which the sources were produced preserved and received the problems of research and interpretation associated with them and the best most up to date secondary works. Because the writing of history has always played a central role in Chinese politics and culture special attention is devoted to the strengths and weaknesses of Chinese historiography.

Behind the Masks of Modernism Andrew Reynolds, Bonnie Roos, 2016-02-24 A wide ranging collection that allows the mask as artifact metaphor theatrical costume fetish strategy for self concealment and treasured cultural object to clarify modernity's relationship to history. Carrie J Preston author of *Modernism's Mythic Pose* Gender Genre Solo Performance. Covering an impressive range of geographies cultures and time periods these carefully researched essays explore the fascinating role of masks and masking in mediating the relationship between tradition and modernity in both art and literature. Paul Jay author of *The Humanities Crisis and the Future of Literary Studies* *Behind the Masks of Modernism* reconsiders the meaning of modernism by taking an interdisciplinary approach and stretching beyond the Western modernist canon and the literary scope of the field. The essays in this diverse collection explore numerous regional national and transnational expressions of modernity through art history architecture drama literature and cultural studies around the globe. Masks both literal and metaphorical play a role in each of these artistic ventures from Brazilian music to Chinese film and Russian poetry to Nigerian masquerade performance. The contributors show how artists and writers produce their works in moments of emerging modernity aesthetic sensibility and deep societal transformations caused by modern transnational forces. Using the mask as a thematic focus the volume explores the dialogue created through regional modernisms emphasizes the local in describing universal tropes of masks and masking and challenges popular assumptions about what modernism looks like and what modernity is.

Chinese Sculpture Angela Falco Howard, Wu Hung, Li Song, Yang Hong, 2006-01-01 Spanning some 7000 years *Chinese Sculpture* explores a beautiful and diverse world of objects many of which have only come to light in the later half of the 20th century. The authors analyse and present mostly in colour some 500 examples of Chinese sculpture. Ritual Mask Making Theresa Walton, AI, 2025-03-29 *Ritual Mask Making* explores the captivating world of indigenous masks revealing them not merely as artifacts but as vital components of spiritual rituals cultural preservation and governance. These masks passed down through generations serve as conduits to the spirit world enabling connections with deities and ancestors in various indigenous cultures. Intriguingly masks also function as

instruments of social and political order reflecting authority and resolving conflicts thereby challenging Western centric views on art and power The book traces the historical evolution of mask making traditions examining the impact of colonialism and globalization Through ethnographic studies archaeological findings and visual analysis it presents a holistic view of these dynamic expressions of cultural identity By delving into specific case studies across different cultures the book highlights the materials techniques and symbolism inherent in these masks emphasizing their contemporary relevance in promoting cultural revitalization and addressing ethical considerations surrounding their study and display

Shamanism Mariko Namba Walter, Eva Jane Neumann Fridman, 2004-12-15 A guide to worldwide shamanism and shamanistic practices emphasizing historical and current cultural adaptations This two volume reference is the first international survey of shamanistic beliefs from prehistory to the present day In nearly 200 detailed readable entries leading ethnographers psychologists archaeologists historians and scholars of religion and folk literature explain the general principles of shamanism as well as the details of widely varied practices What is it like to be a shaman Entries describe region by region the traits such as sicknesses and dreams that mark a person as a shaman as well as the training undertaken by initiates They detail the costumes music rituals artifacts and drugs that shamans use to achieve altered states of consciousness communicate with spirits travel in the spirit world and retrieve souls Unlike most Western books on shamanism which focus narrowly on the individual s experience of healing and trance Shamanism also examines the function of shamanism in society from social political and historical perspectives and identifies the ancient continuous thread that connects shamanistic beliefs and rituals across cultures and millennia
