A Theological Interpretation

H. Jefferson Powell

The Moral Tradition Of American Constitutionalism A Theological Interpretation

David Paul Parris

The Moral Tradition Of American Constitutionalism A Theological Interpretation:

The Moral Tradition of American Constitutionalism Jefferson Powell, 1993 Debate over the relationship between morality and the law characterizes the contemporary discussion of American constitutionalism Many theorists equate constitutionalism with the social morality of the American community others deny the existence of such a community and identify constitutionalism simply as the positive law of the state In this thoughtful and innovative book H Jefferson Powell presents a theological interpretation of the connection between constitutionalism and morality Powell locates the origins of constitutional law in the Enlightenment attempt to control the violence of the state by subjecting power to reason He then traces constitutionalism s rapid evolution into a tradition of rational inquiry centered in the practice of adjudication and embodied in a community of lawyers and judges Finally Powell shows how the tradition s nineteenth century presuppositions about the autonomy and rationality of constitutional argument have been undermined in the twentieth century within the constitutional community itself by the acceptance of a positivist and democratic understanding of law Powell shows how the continued willingness of the courts to resolve moral questions by invoking the Constitution has thrown the constitutional tradition into an epistemological crisis He critiques the work of many major theorists John Hart Ely Bruce Ackerman Frank Michaelman Rogers Smith Michael Perry Mark Tushnet Robert Bork Sanford Levinson who he claims persist in attempting to resolve the crisis by redefining constitutionalism as American social morality With reference to Alasdair MacIntyre s concepts of moral tradition and social practice and John Howard Yoder s theological account of the state Powell places his analysis of current constitutionalism within a contemporary Christian theological critique of Western liberalism With certain exceptions Powell concludes there are theological grounds in the United States to prefer decision making by elected officials to decision by constitutional courts Despite the controversial implications for judicial practice and legal argument Powell ultimately argues that the liberal tradition of rational inquiry American constitutionalism be renounced by the Christian community in favor of the majoritarian political process

Book Review Jim Chen, 1995 **American Constitutionalism as a Moral Tradition** H. Jefferson Powell, 1991 Jewish Law and American Law, Volume 1 Samuel J. Levine, 2021-02-16 This volume contributes to the growing field of comparative Jewish and American law presenting twenty six essays characterized by a number of distinct features The essays will appeal to legal scholars and at the same time will be accessible and of interest to a more general audience of intellectually curious readers These contributions are faithful to Jewish law on its own terms while applying comparative methods to offer fresh perspectives on complex issues in the Jewish legal system Through careful comparative analysis the essays also turn to Jewish law to provide insights into substantive and conceptual areas of the American legal system particularly areas of American law that are complex controversial and unsettled Reception Theory and Biblical Hermeneutics David Paul Parris, 2009-01-01 Traditional methods employed in biblical interpretation involve a two way dialogue between the text and the reader Reception theory expands this into a three way dialogue with the third

partner being the history of the text's interpretation and application. Most contemporary biblical interpreters have ignored this third partner although recently the need to include the history of interpretation has gained some attention. This book explores the hermeneutical resources that reception theory provides for engaging the history of biblical interpretation as a third dialogue partner in biblical hermeneutics. The first third of this work explores the philosophical background and hermeneutical framework that Hans Georg Gadamer provides for reception theory. The center of this study examines how this hermeneutical approach is fleshed out by Hans Robert Jauss. Jauss not only builds upon Gadamer's work but his literary hermeneutic provides a model applicable to the biblical text and its tradition of interpretation. The focus for the final third of the book shifts toward three studies that seek to demonstrate the applicability of various aspects of reception theory to biblical interpretation.

Integrity and Conscience Ian Shapiro, Robert Adams, 1998-04-01 Can individuals believe that they are acting with integrity yet in disobedience to the dictates of their conscience? Can they retain fidelity to their conscience while ignoring a sense of what integrity requires? Integrity and conscience are often thought to be closely related, perhaps even different aspects of a single impulse. This timely book supports a different and more complicated view. Acting with integrity and obeying one's conscience might be mutually reinforcing in some settings but in others they can live in varying degrees of mutual tension. Bringing together prominent scholars of legal theory and political philosophy, the volume addresses both classic ruminations on integrity and conscience by Plato, Hume, and Kant as well as more contemporary examinations of professional ethics and the complex relations among politics, law, and personal morality.

Uncovering the Constitution's Moral Design Paul R. DeHart, 2007 The U.S. Constitution provides a framework for our laws but what does it have to say about morality? Paul DeHart ferrets out that document's implicit moral assumptions as he revisits the notion that constitutions are more than merely practical institutional arrangements. In *Uncovering the Constitution's Moral Design* he seeks to reveal, elaborate, and then evaluate the Constitution's normative framework to determine whether it is philosophically sound and whether it makes moral assumptions that correspond to reality. Rejecting the standard approach of the intellectual historian DeHart, for the first time in constitutional theory, applies the method of inference to the best explanation to ascertaining our Constitution's moral meaning. He distinguishes the Constitution's intention from the subjective intentions of the framers, teasing out presuppositions that the document makes about the nature of sovereignty, the common good, natural law, and natural rights. He then argues that the Constitution constrains popular sovereignty in a way that entails a real common good transcendent of human willing and promotive of human well-being but he points out that while the Constitution presupposes a real common good, it also implies a natural law that prescribes the common good. In critiquing previous attempts at describing and evaluating the Constitution's normative framework, DeHart demonstrates that the Constitution's moral framework corresponds largely to classical moral theory. He challenges the logical coherency of modern moral philosophy, normative positivism, and other theories that the Constitution has been argued to embody and

offers a groundbreaking methodology that can be applied to uncovering the normative framework of other constitutions as well. This cogently argued study shows that the Constitution presupposes a natural law to which human law must conform and it takes a major step in resolving current debates over the Constitution's normative framework while remaining detached from the social issues that divide today's political arena. Uncovering the Constitution's Moral Design is an original approach to the Constitution that marks a significant contribution to understanding the moral underpinnings of our form of government.

Feminist Legal Theories Karen Maschke, 2013-09-13. Multidisciplinary focus. Surveying many disciplines, this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States. The themes addressed include the historical, political, and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law. The articles are drawn from journals in law, political science, history, women's studies, philosophy, and education and represent some of the most interesting writing on the subject. The law in theory and practice. Many of the articles bring race, social, and economic factors into their analyses, observing for example that black women, poor women, and single mothers are treated by the wielders of the power of the law differently than middle-class white women. Other topics covered include the evolution of women's legal status, reproduction rights, sexuality, and family issues, equal employment and educational opportunities, domestic violence, pornography, and sexual exploitation, hate speech, and feminist legal thought. A valuable research and classroom aid, this series provides in-depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women.

American Religious Democracy Bruce Ledewitz, 2007-03-30. The most significant public religious issue confronting America today is the relationship between Church and State. Secular opinion holds that the rise of religion in the public square is a threat to our democracy that must be resisted. American Religious Democracy argues that this position, although understandable, is misguided. American political life after the 2004 Presidential election is best understood as a religious democracy, though not of a fundamentalist variety. This book explains the decline of secular democracy, describes some of the legal, political, and religious implications of this new religious democracy, and finally invites secular voters to participate in religious democracy. The 2004 election clearly showed that a substantial number of voters in America now vote the way they do for what they consider to be religious reasons and that as a result of their voting, government policy is changing to reflect their religious commitments. The result has been the creation of a religious democracy. However, taking part in a religious democracy for Americans especially requires a new understanding of what religion means in a public and political sense. Ledewitz takes a reasoned yet lively approach to the subject, promoting a new understanding of what religious democracy is and how secularists can and should participate. Looking at the Constitution, the current nature of politics and religion, and public attitudes toward capitalism, the environment, technology, women's rights, and international relations, the author is able to construct a clearer picture of the religious and political landscape in America.

today *The Church as Polis* Arne Rasmusson, 2025-02-15 Political theology is one of the most influential theological movements of the latter part of the twentieth century and yet as Arne Rasmusson argues here the field suffers from deep inherent tensions in its attempt to mediate the Christian tradition and the modern emancipatory tradition Rasmusson contributes to political theology through an innovative discussion of the relationship between church and society and an exposition of the thought and work of political theology's influential representative Jürgen Moltmann Rasmusson further refines his argument by filtering Moltmann's theology through an exploration of Stanley Hauerwas's theological positions

The Moral Tradition Of American Constitutionalism A Theological Interpretation Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Moral Tradition Of American Constitutionalism A Theological Interpretation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Moral Tradition Of American Constitutionalism A Theological Interpretation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Moral Tradition Of American Constitutionalism A Theological Interpretation free PDF

files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Moral Tradition Of American Constitutionalism A Theological Interpretation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Moral Tradition Of American Constitutionalism A Theological Interpretation any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Moral Tradition Of American Constitutionalism A Theological Interpretation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Moral Tradition Of American Constitutionalism A Theological Interpretation is one of the best books in our library for free trial. We provide a copy of The Moral Tradition Of American Constitutionalism A Theological Interpretation in digital format, so the resources that you find are reliable. There are also many eBooks related to The Moral Tradition Of American Constitutionalism A Theological Interpretation. Where to download The Moral Tradition Of American Constitutionalism A Theological Interpretation online for free? Are you looking for The Moral Tradition Of American Constitutionalism A Theological Interpretation PDF? This is definitely going to save you time and cash in something you should think about.
