A Star Is Born Lorna Luft,Jeffrey Vance,2025-04-08 New York Times bestselling author and daughter of Judy Garland tells the story of A Star Is Born at once the crowning achievement and greatest disappointment in her mother s legendary career This is a vivid account of a film classic s production loss and reclamation A Star Is Born the classic Hollywood tale about a young talent rising to superstardom and the downfall of her mentor lover along the way has never gone out of style It has seen five film adaptations but none compares to the 1954 version starring Judy Garland in her greatest role But while it was the crowning performance of the legendary entertainer s career the production turned into one of the most talked about in movie history The story which depicts the dark side of fame addiction loss and suicide paralleled Garland s own tumultuous life in many ways While hitting alarmingly close to home for the fragile star it ultimately led to a superlative performance one that was nominated for an Academy Award but lost in one of the biggest upsets in Oscar history Running far too long for the studio s tastes Warner Bros notoriously slashed extensive amounts of footage from the finished print leaving A Star is Born in tatters and breaking the heart of both the film s star and director George Cukor Today with a director s cut reconstructed from previously lost scenes and audio the 1954 A Star is Born has taken its deserved place among the most critically acclaimed movies of all time and continues to inspire each new generation that discovers it Now Lorna Luft daughter of Judy Garland and the film s producer Sid Luft tells the story of the production and of her mother s fight to save her career as only she could Teaming with film historian Jeffrey Vance A Star Is Born is a vivid and refreshingly candid account of the crafting loss and restoration of a movie classic complemented by a trove of images from the family collection taken both on and off the set The book also includes essays on the other screen adaptations of A Star Is Born to round out a complete history of a story that has remained a Hollywood favorite for close to a century
