The Other Sinbad:

The Other Sinbad Craig Shaw Gardner, 2021-09-25 First there was Sinbad the sailor famous for his seven voyages and for the lavish dinner parties he would hold upon his return such feasts often lasting a month or more Then there was Sinbad the porter a man of humbler origins with ambitions beyond his means and a yearning to be an accountant But Sinbad the sailor had financial problems which explains why he had to keep putting out to sea even though each experience was worse than the last And he was never completely honest in his accounts of his adventures omitting embarrassing incidents and ever so slightly exaggerating the importance of others All of which of course would return to haunt him in later years Sinbad the porter's ambitions served him in good stead when he set out on an eighth and final voyage attempting to correct the errors his namesake had caused in earlier journeys not to mention restoring the sailor to his original size He would have thought twice if he had known he would encounter the dangerously greedy two headed cyclops the lecherous pirate queen of the apes the valley of the talking figs Sam Ifrit and his All Genie Orchestra not to mention the dread Izzat the fabled form from which even the giant Rukh flies in fear and the perplexing problem of He Who Must Be Ignored *The Other Sinbad Book*, 1991-04-11
