The Otter in Britain Peter J. Neville Havins,1981 **The Mammals of Great Britain and Ireland** John Guille Millais,1905 **Fossil Reptiles of Great Britain** M.J. Benton,P.S. Spencer,2012-12-06 British Fossil reptile sites are of international importance since they include remains that fill the time gaps poorly known elsewhere They include rich classic reptile beds which have been the source of dozens of important specimens This volume details all those sites that have yielded fossil reptiles The fifty most important localities are described in detail and an extensive bibliography of everything published on British Fossil reptiles since 1676 is provided **The Otter Among Us** James Williams,2000 *A History of British Fossil Mammals, and Birds* Richard Owen,1846 **Journal - Royal Anthropological Institute of Great Britain and Ireland** Royal Anthropological Institute of Great Britain and Ireland,1904 **A History of British Fossil Mammals and Birds. Illustrated by 237 woodcuts** Sir Richard OWEN,1846 **Picturing Animals in Britain, 1750-1850** Diana Donald,2007-01-01 From fine art paintings by such artists as Stubbs and Landseer to zoological illustrations and popular prints a vast array of animal images was created in Britain during the century from 1750 to 1850 This highly original book investigates the rich meanings of these visual representations as well as the ways in which animals were actually used and abused What Diana Donald discovers in this fascinating study is a deep and unresolved ambivalence that lies at the heart of human attitudes toward animals The author brings to light dichotomies in human thinking about animals throughout this key period awestruck with the beauty and spirit of wild animals people nevertheless desired to capture and tame them the belief that other species are inferior was firmly held yet at the same time animals in stories and fables were given human attributes though laws against animal cruelty were introduced the overworking of horses and the allure of sport hunting persisted Animals are central in cultural history Donald concludes and compelling questions about them then and now remain unanswered The Dogs of the British Islands John Henry Walsh,1882 **The new book of the dog; a comprehensive natural history of British** Robert Leighton,1907 The Journal of the Royal Anthropological Institute of Great Britain and Ireland Royal Anthropological Institute of Great Britain and Ireland,1904 **British Dogs, Their Points, Selection, and Show Preparation** William D.
