Relics of War Lawrence Watt-Evans, 2014-12-15 Young Ishta found it in the forest buried beneath dead leaves a rounded flattened stone as black as onyx One side held a golden oval that glowed with a unnatural light Of course it had to be magic But what did farmers know of magic It could be dangerous or it could be some harmless toy They had to find out Since Ishta was too young to bring her discovery to the Baron of Varag s stronghold her older brother Garander went instead Once there Azlia a beautiful wizard recognized the stone immediately as Northern sorcery She had to call Sammel the local sorcerer to find out its nature a relic of the last great war When the Baron takes the stone for himself that should have ended things But it was just the beginning for Garander Because that magical stone wasn t the only relic left in the woods The Thousand Years War Angel Ramon, 2016-05-13 Four people in Brooklyn N Y who know little about each other and backgrounds that could not be any more different meet each other A normal winter day for these four regular joes will turn into a full fledged adventure that will determine the fate of the Earth with one twist That twist is that there is a virtual world that looks smells and feels like Earth and whatever happens in this virtual world happens on Earth To raise the stakes even higher our heroes will only have 10 days to reverse the effects of the virtual world to Earth otherwise the world may not survive or be under alien rule Is this what World War 3 has in store for the people on Earth Is Earth due for another dark age similiar to the fall of the Roman Empire If our heroes fail Earth will fall and nobody will know why or how Prepare for an adventure where **Peerless God of War** Zi CaiDanTang, 2020-06-26 He pointed his finger at Qing Yun as anything can happen will happen he swallowed a mountain and river with his mouth Tens of thousands of blood surged as his divine body connected to the heavens The youth carried a picture of Yin and Yang he had been reborn to kill his enemies Red dust covered a distance of 10 000 feet and blood dyed the heavens and earth In the struggle for supremacy who would be the main contender The true essence of life and death was a secret of ten thousand years It was to use the sea of blood to create heaven and earth and it was to use dried up bones to become a war god of life and death All is on the battle of life and death The War Born Tames A Moore, 2023-08-22 The final episode from the Seven Forges series A final battle against the Wellish Overlords for the date of the empire takes place as their army of War Born nightmares rages across Fellein The Overlords have risen They ve torn apart the Wellish Steppes and raised mountains they re fighting against the gods themselves attacking the Daxar Taaalor and bringing the wrath of the Children of the Forges They ve turned one of the greatest sorcerers in the history of Fellein to their

side and divided the council of wizards forcing Desh Krohan into battle with old allies The empire is at war The Sa ba Taalor are preparing for battle and the Overlords have begun their own plans raising an army of shapechangers called the War Born to do their bidding The armies of the Overlords are savage they hunt kill and eat their prey They are endlessly hungry The final war is on one that will change the shape of the Fellein Empire Even as the gods involve themselves in the final confrontations between the empire and the enemies old and new File Under Fantasy Last Stand The Battle Persists Rising United States Army in World War 2, Technical Services, The Corps of Engineers: The War **Against Germany** Alfred M. Department of the Army. Office of Military History, 1947 War and Peace Nigel Hamilton, 2019-05-07 In the much anticipated conclusion to his masterful trilogy chronicling the wartime career of Franklin Delano Roosevelt renowned military and political biographer Nigel Hamilton aligns triumph with tragedy to show how FDR was the architect of a victorious peace that he would not live to witness Providing the definitive account of the events in Normandy on 6 June 1944 Hamilton also reveals the fraught nature of the relationship between the greatest wartime leaders of the Allied forces Using hitherto unpublished documents and interviews to counter the famous narrative of World War II strategy given by Winston Churchill in his memoirs Hamilton highlights the true significance of FDR's leadership Seventy five

years after the D Day landings we finally see close up and in dramatic detail who was responsible for rescuing and insisting upon the great American led invasion of France in June 1944 and exactly why that invasion was orchestrated by Eisenhower War and Peace is the rousing final installment in one of the most important historical biographies of the twenty first century which demonstrates how FDR s failing health only spurred him on in his efforts to build a US backed post war world order In this stirring account of the life of one of the most celebrated political leaders of our time Hamilton hails the President as the sole person capable of anticipating the requirements of peace in order to bring an end to the war *War from the Top* Alan F. Wilt, 1990-08-22 Wilt writes well and offers many sound perceptions Choice a stimulating book a timely warning against overindulgence in hindsight in evaluating the great issues of the war Parameters a significant new study a clearly written excellent book Airpower Journal an impressive work of scholarship British Politics Group Newsletter Wilt's comparative approach permits us fresh perspectives on both sides of the war Moreover Wilt has chosen to compare two of the major rival belligerents at the most stimulating and interesting level at which such comparison might be made the level of the summit of decision making with the magnetic figures of Hitler and Churchill playing major roles in his narrative and analysis Russell F Weigley This is a masterful treatment of a complex subject and a must read book for anyone writing about the Second World The Western European and Mediterranean Theaters in World War II Donal Sexton, 2011-10-06 War The Historian The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian

The Savvy Boys-A Technology Call For Change Dokali Megharief,2025-06-17 THE SAVVY BOYS In a world driven by rapid technological advancements a group of prodigious minds converged at MIT with a bold vision to harness the power of technology for the betterment of humanity From their diverse backgrounds and expertise in blockchain artificial intelligence and more they formed the Savvy Boys united by a shared mission to promote global harmony and progress Their journey began with the creation of a charter advocating direct democracy sparking a global movement and attracting millions of supporters The Savvy Boys path was fraught with challenges including a cyber attack by a rogue state and a shadow

campaign led by their old adversary The Wraith Nevertheless they fortified their defenses strengthened their solidarity and continued to grow establishing regional chapters that initiated transformative projects From renewable energy programs to groundbreaking conflict resolution platforms their initiatives demonstrated the profound impact of technology when wielded with integrity and purpose As their story reaches its climax the Savvy Boys confront their greatest adversary yet the Digital Overlord in an epic showdown that tests their unity and technological prowess With the future of the digital world at stake they emerge victorious reaffirming their role as protectors of innovation and progress The Savvy Boys is a testament to the power of collaboration resilience and unwavering dedication to a better world inviting readers to join them on an exhibitanting journey where technology and humanity intertwine The Just War in the Middle Ages Frederick H. Russell, 1975 The first systematic attempt to reconstruct from original manuscript sources and early printed books the medieval doctrines relating to the just war the holy war and the crusade Despite the frequency of wars and armed conflicts throughout the course of western history no comprehensive survey has previously been made of the justifications of warfare that were elaborated by Roman lawyers canon lawyers and theologians in the twelfth and thirteenth century universities After a brief survey of theories of the just war in antiquity with emphasis on Cicero and Augustine and of thought on early medieval warfare the central chapters are devoted to scholastics such as Pope Innocent IV Hostiensis and Thomas Aquinas Professor Russell attempts to correlate theories of the just war with political and intellectual development in the Middle Ages His conclusion evaluates the just war in the light of late medieval and early modern statecraft and poses questions about its compatibility with Christian ethics and its validity within international law United States Army in World War II., 1985
