The Fox, the Owl and the Mouse Leslie Brazier Smit, 2024-03-20 This is a story of a Fox an Owl and a Mouse One starlit snowy night these three come together in an open field Now foxes are known to be quick and clever while owls are thought to be powerful and wise And mice well a mouse would be smart to avoid both of these dangerous critters but Things are not always as they seem The Owl and the Mouse Bill Martin, 1979 **The Owl and Mouse and the Boy in My Room** Richard Dami, 2020-03-11 The Owl and the Mouse Can the Owl and the Mouse convince these children to believe in them as so many other children have If the children can put aside reality and free their imaginations the night time adventures with the Owl and the mouse can be their secret Read and enjoy as the owl mouse and children try to return a stranded mermaid to her ocean family and friends Or is it a dream The Boy in My Room As we shall see spirits and ghosts are not here to scare children In fact they need young friends to help them solve their problems The spirit Booh is left behind invisible and alone stranded in an old house and not knowing why or how Through a crazy turn of events he meets and befriends a few children living in the neighborhood and a good deed receives its reward *Tales from India* ,2001 Beautifully told retellings of classic stories from India Full of richness and warmth these tales of tender love great heroism acts of sacrifice foolishness and friendship come vividly to life There is an epic battle in which monkeys and bears help rescue the beautiful princess Sita from evil demons and a simple fable about a jackal who tries to become king This tapestry of stories is as colourful and diverse as India itself Sources in selecting the stories have been Sanskrit and Pali the classical languages of the Brahmans and the Buddhists Many of these tales were current centuries before the Christian era and were given a sophisticated form by the storytellers of classical times The subject of myths and legends ties in with the National Curriculum Classic retellings have continued to sell for over thirty years Before his death the author lived in Maidstone in Kent Mouse and Owl Joan Hoffman, Barbara Gregorich, 1987-06-01 Contains one 16 page story plus 16 activity pages based on that story **Mouse and Owl** Joan Hoffman, Barbara Gregorich, 1993-03-08 A mouse and owl keep an eye on each other *MYTH AND TALES OF THE SOUTHEASTERN INDIANS* JOHN R. **Birds by Night** Graham Martin,2010-10-30 This book examines many examples of the nocturnal behaviour of birds For many people watching and studying birds is exclusively a day time activity However for many birds twilight and night time are not a barrier to useful activity It is true that very few birds are exclusively nocturnal but many birds which are active by day also conduct limited and often crucial activities after dusk Examples range from the occasional night feeding of wildfowl and shorebirds to the night singing and night migration of certain passerines and from the location of nest sites by sea birds to the nocturnal foraging of owls and nightjars The special cases of flightless nocturnal birds and those birds which dwell in lightless caves are also considered Throughout this survey considers not only what it is that birds do at night but also discusses how these nocturnal activities are possible It brings together studies in field ornithology sensory science ecology and physics and involves comparisons of the sensory capacities of other animals including man It is shown how the senses of hearing smell and touch as well as vision play a crucial role in many of the night time activities of birds However these senses are not always adequate for fully explaining how nocturnal behaviours are executed To achieve this we must look at the complex of relationships between behavioural and sensory adaptations and the particular environments which birds inhabit from dusk to dawn
