The Ox-Bow Incident Walter Van Tilburg Clark, 1943-02-01 **The Ox-bow Incident** Walter Van Tilburg Clark, 1963

The Ox-Bow Man Jackson J. Benson, 2006-07-27 Walter Van Tilburg Clark author of the classic novel *The Ox Bow Incident* was one of the West's most important literary figures a writer who contributed mightily to the tradition of viewing the West realistically and not through the veil of myth and romance As a comparatively young man he published three novels and a collection of short stories then remained almost silent for the rest of his life the victim of a paralyzing case of writer's block Now Jackson J Benson one of the country's foremost literary biographers has produced the first full length biography of this brilliant enigmatic and ultimately tragic figure Based on widely scattered sources personal papers and correspondence interviews with family members friends and others and Clark's unpublished stories and poems Benson's biography focuses on Clark's intellectual and literary life as a writer teacher and westerner Benson masterfully balances his engaging account of the experiences people and settings of Clark's life with a penetrating examination of his complex psyche and the crippling perfectionism that virtually ended Clark's career as well as offering up a thoughtful assessment of Clark's place in Western writing In these pages Clark lives again a warm complex and ultimately anguished human being Benson's remarkably astute and sensitive biography is destined to be the book that readers and researchers consult first for information about this major western writer

The Western Jeffrey M.
