**Saint-John Perse** Roger Little, 1976

**French Musical Culture and the Coming of Sound Cinema** Hannah Lewis, 2018-09-05 In *French Musical Culture and the Coming of Sound Cinema* author Hannah Lewis argues that debates about sound film resonated deeply within French musical culture of the early 1930s and conversely that discourses surrounding French musical styles and genres shaped cinematic experiments during the transition to sound

*Les Six* Robert Shapiro, 2014-07-01 The absorbing comprehensive story of an absolutely unique experiment in classical music involving many key figures of the Dada and Surrealist movements Les Six were a group of talented composers who came together in a unique collaboration that has never been matched in classical music and here their remarkable story is told for the first time A musical experiment originally conceived by Erik Satie and then built upon by Jean Cocteau Les Six were also born out of the shock of the German invasion of France in 1914 an avant garde riposte to German romanticism and Wagnerism Les Six were all and still are respected in music circles but under the aegis of Cocteau they found themselves moving among a whole new milieu the likes of Picasso Ren Clair Blaise Cendrars and Maurice Chevalier all appear in the story But the story of Les Six goes on long after the heyday of Bohemian Paris the group never officially disbanded and it was only in the last 20 years that the last member died moreover their spouses descendents and associates are still active ensuring that the remarkable legacy of this unique group survives

*The Creative Labor of Music Patronage in Interwar France* Louis K. Epstein, 2022 Challenges the longstanding perception that modernist composers made art not money and that those who made money somehow failed to make art Patrons have long appeared as colorful exceptional figures in music history but this book recasts patrons and patronage as creative forces that shaped the sounds and meanings of new French music between the world wars Far from mere sources of funding early twentieth century patrons collaborated closely with composers treating commissions for new music as opportunities to express their own artistry Patrons developed new pathways to participate in music making going beyond commissions to establish ballet companies manage performance venues and establish state programs The impressive variety of patronage activities led to an explosion of new music as well as new styles and isms indelibly marking the

repertoire that this book examines including a number of pieces frequently heard in concert halls today In addition to offering new perspectives on well known French repertoire this book challenges conceptions of patronage as a bygone phenomenon Complementing a dwindling cast of aristocratic patrons were new ranks of music publishers impresarios state bureaucrats opera directors and others capitalizing on their savings social connections and artistic vision to bring new music into the world In chapters on French discourse around patronage aristocratic commissions the stimulus provided by the interwar dance craze music publishing the Paris Op ra state intervention in French musical life and transatlantic musical exchanges the book blends cultural history with primary source study and music analysis It not only improves our understanding of French musical life and culture during the early twentieth century but also supplies us with essential insights into the ways modern music emerged at the intersection of music composition aesthetic and national politics and the creative labor of patrons

*Music in the Early Twentieth Century* Richard Taruskin, 2006-08-14 *Music in the Early Twentieth Century* the fourth volume in Richard Taruskin's history looks at the first half of the twentieth century from the beginnings of Modernism in the last decade of the nineteenth century right up to the end of World War II Taruskin discusses modernism in Germany and France as reflected in the work of Mahler Strauss Satie and Debussy the modern ballets of Stravinsky the use of twelve tone technique in the years following World War I the music of Charles Ives the influence of peasant songs on Bela Bartok Stravinsky's neo classical phase and the real beginnings of 20th century music the vision of America as seen in the works of such composers as W C Handy George Gershwin and Virgil Thomson and the impact of totalitarianism on the works of a range of musicians from Toscanini to Shostakovich

**From the Erotic to the Demonic** Derek B. Scott, 2003-03-27 *From the Erotic to the Demonic* demonstrates how different musical styles construct ideas of class sexuality and ethnic identity This book will serve as a model for musicologists who want to take a postmodern approach to their inquiries The clear and lively arguments are supported by ninety musical examples taken from such diverse sources as opera symphonic music jazz and nineteenth and twentieth century popular songs Derek Scott offers new insights on a range of high and low musical styles and the cultures that produced them

*The Oxford History of Western Music* Richard Taruskin, Christopher Howard Gibbs, 2019 Takes students beyond the who what and

when exploring the how and why behind the story of Western Music Now in its second edition this text immerses students in the engaging story of the Western musical tradition By emphasizing the connections among works both within cultural eras and across time and place the text goes beyond a basic retelling of the music's history to build students ability to listen critically to key works The Oxford History of Western Music College Edition is a complete program for building students understanding and appreciation of the classical canon Le Tumulte Noir Jody Blake, 1999-01-01 Jody Blake demonstrates in this book that although the impact of African American music and dance in France was constant from 1900 to 1930 it was not unchanging This was due in part to the stylistic development and diversity of African American music and dance from the prewar cakewalk and ragtime to the postwar Charleston and jazz Successive groups of modernists beginning with the Matisse and Picasso circle in the 1900s and concluding with the Surrealists and Purists in the 1920s constructed different versions of la musique and la danse negre Manifested in creative and critical works these responses to African American music and dance reflected the modernists varying artistic agendas and historical climates *Sounding French* Colin Thomas Roust, 2007 **Opera after 1900** Margaret Notley, 2017-07-05 The articles reprinted in this volume treat operas as opera and from some sort of critical angle none of the articles uses methodology appropriate for another kind of musical work Additional criteria used in selecting the articles were that they should not have been reprinted widely before and that taken together they should cover an extended array of significant operas and critical questions about them Trends in Anglophone scholarship on post 1900 opera then determined the structure of the volume The anthologized articles are organized according to the place of origin of the opera discussed in each of them the introduction however follows a thematic approach Themes considered in the introduction include questions of genre and reception perspectives on librettos and librettists words lyricism and roles of the orchestra and modernism and other political contexts
