The Pabion Narratives Of The Gospels

The Pabion Narratives Of The Gospels:

The Cross that Spoke John Dominic Crossan, 2008-03-01 In this revolutionary work John Dominic Crossan reveals that the Passion and Resurrection Narratives in the four canonical Gospels are radical revisions of an earlier Gospel account He argues boldly that the apocryphal Gospel of Peter discovered in the grave of a Christian monk in Egypt circa 1886 contains the earliest version of the death burial and resurrection of Jesus He describes how the authors of the four Gospels revised the early account of how their revision predominated as Roman authority grew Lacking in the revision he suggests is the very heart of the earlier Passion its depiction of Jesus death as the consummation of Israel s pain and the resurrection as the vindication of Israel s faith

The Passion Narratives of the Synoptic Gospels Herman Hendrickx, 1984 Passion Narratives and Gospel Theologies Frank Matera, 2001-06-28 Although the passion narratives of the synoptic gospels can be read as free standing narrative each one of them is the goal and climax of the Gospel story that precedes it In Passion Narratives and Gospel Theologies Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative Matera s study of the Markan passion narrative in light of the Gospel s theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah and no one can be Jesus disciple unless he or she accepts the scandal of the cross While the Gospel of Matthew continues to develop the great themes of Mark s gospel Matera argues that its passion narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology Finally Matera demonstrates how the Lukan passion narrative by presenting Jesus as a model of innocent suffering also contains a distinctive outlook in light of its gospel theology God s righteous suffer afflictions by trial and persecution Comprehensive in scope and clearly written Passion Narratives and Gospel Theologies provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist It will be welcome by students and pastors

The Passion as Liturgy Etienne Trocmé, 1983 This book suggests why it is that we have several accounts of the sufferings and death of Jesus and investigates what the original passion narrative might have been as it seeks to recreate the response of the earliest Christians in their amazed contemplation of God s saving act in Christ

The Passion and Resurrection Narratives of Jesus Stephen J. Binz, 2016-11-02 The passion and resurrection is the core of the Scriptures it is also the heart of faith liturgy and prayer This commentary will enrich will enrich the faith worship and prayer of all who look to the crucified and risen Jesus as the source of life All the writings of the New Testament demonstrate that the passion death and resurrection was the culmination of Jesus mission and brought all the words and deeds of his life to a climax The Passion and Resurrection Narratives of Jesus shows the differences in the four accounts and the reasons behind those differences Text segments are followed by appropriate commentary

The

Lukan Passion Narrative Jay M. Harrington, 2000-01-01 This volume offers a detailed chronological and systematic history of the debate surrounding Luke's use of Mark's Gospel and special sources in a section of the passion narrative concluding with an exegesis of Lk 23:6-16 as a testing ground of material derived from the survey. An extensive bibliography and useful appendices round out the volume.

The Passion of Jesus in the Gospel of Matthew Donald Senior, 1990 The Word of the cross is a living word crying out for reinterpretation as life takes new shape and expression. Reinterpreting the Gospel was particularly compelling for Matthew's church because his Christians lived in a time of profound transition. The Passion of Jesus then was not simply a story of suffering out of the past but a point of identification for the Christians of Matthew's own time. For us twentieth-century Christians who also know the peculiar suffering and hope of living in an age that is both dying and being born, the Passion of Jesus according to Matthew has special meaning.

The Passion of Jesus in the Gospel of Luke Donald Senior, 1992 The Passion is the climactic event in each of the gospels. These volumes elucidate the passion in its historical background and explore its theological breadth and depth. Back cover

Historical Tradition in the Fourth Gospel C. H. Dodd, 1976-09-23 An historical investigation of the narrative material and Sayings of St John's Gospel

Introduction to the Synoptic Gospels Pheme Perkins, 2009-11-13 In this book, respected New Testament scholar Pheme Perkins delivers a clear, fresh, informed introduction to the earliest written accounts of Jesus: Matthew, Mark, and Luke, situating those canonical Gospels within the wider world of oral storytelling and literary production of the first and second centuries. Cutting through the media confusion over new Gospel finds, Perkins's *Introduction to the Synoptic Gospels* presents a balanced, responsible look at how the Gospels of Matthew, Mark, and Luke came to be and what they mean.

A Commentary on the Gospel of Matthew Craig S. Keener, 1999 This excellent commentary on Matthew offers a unique interpretive approach that focuses on the socio-historical context of the Gospel and the nature of Matthew's exhortation to his first-century Christian audience. By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first-century Jewish-Christian relations, Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary. In addition, Keener's commentary is a useful discipleship manual for the church. His unique approach recaptures the full shock effect of Jesus' teachings in their original context and allows Matthew to make his point with greater narrative artistry. Keener also brings home the total impact of Matthew's message, including its clear portrait of Jesus and its call for discipleship both to the Gospel's ancient readers and to believers today.

The Passion of Jesus in the Gospel of Mark Donald Senior, 1991 The passion is the climactic event in each of the gospels. This volume elucidates the passion in its historical background and explores its theological breadth and depth. With scholarly finesse and pastoral awareness, the author sets the vibrant message of the passion speaking to our lives and times.

The Use of the Jewish Scriptures in the Johannine Passion Narrative David M. Allen, 2024-05-13 How do Israel's Scriptures inform the account of Jesus's cruciform death in the Gospel of John? What does it

mean for John's portrayal of Jesus's death to be according to the Scriptures The Use of the Jewish Scriptures in the Johannine Passion Narrative That the Scripture May Be Perfected argues that they are the focal element of the Johannine portrayal and without them John's Passion Narrative simply makes no sense Whether through the evangelist's appeal to the fulfilment of Scripture with such fulfilment accompanying the very moment of Jesus's death or whether through allusions to the narratives of Creation or Passover Israel's Scriptures provide the Passion Narrative's veritable heartbeat This book also considers the impact of John's scriptural usage on the very concept of Scripture itself contending that Scripture is brought to perfection by Jesus's actions and to a new standing or status in this regard David M Allen examines how the use of Scripture in the Passion account impacts the Fourth Gospel's own self understanding arguing that its capacity to pronounce on Scripture's fulfilment attests to the Gospel's own self avowed scriptural credentials

The Passion of Jesus in the Gospel of John Donald Senior, 1991 A Michael Glazier book Includes bibliographical references and indexes *The Historical Jesus of the Gospels* Craig S. Keener, 2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history
