Messiah in the Passover Darrell L. Bock, Mitch Glaser, 2017 Nothing provided      **Bloodless Atonement?** Benjamin J. Burkholder, 2017-06-27 Does the Messiah have to die to pay for his people's sins Is the cross of Jesus an atoning sacrifice In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence of the New Testament Gospels While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus's death to acquire forgiveness from God does a bloodless atonement have biblical support Does a nonviolent understanding of the atonement harmonize with the Gospels This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine More importantly in these passages in the Gospels we find the fullest articulation of how Jesus's death benefits his followers Holding a wealth of dense theological riches these passages provide theological parameters that can inform contemporary soteriological development especially that which appeals to the New Testament for its basis Conversant with both biblical studies and contemporary theology the work seeks to bring the best of both fields into conversation in productive new ways      **Mysteries of the Messiah** Rabbi Jason Sobel, 2021-03-23 Are you settling for half the story Highlighting connections that have been hidden from non Jewish eyes Rabbi Jason Sobel will connect the dots between the Old and New Testament helping you see the Bible with clarity as God intended Most people even people of faith do not understand how the Bible fits together Too many Christians accept half an inheritance content to embrace merely the New Testament while Jewish people may often experience the same by embracing only the Old Testament But God has an intricate plan and purpose for both the Old and the New In Mysteries of the Messiah Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight Known for his emphatic declaration but there's more he guides us in seeing the passion and purpose of the Messiah Mysteries of the Messiah Uncovers connections between the Old and New Testaments Connects the dots for readers with details about Jesus the Torah and biblical characters Written with the unique perspective of a rabbi with an evangelical theological degree No matter how many times you have read the Bible Mysteries of the Messiah will bring fresh perspective and insight God's Word written by many people over thousands of years is not a random selection of people and stories Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended      **The Lost Supper** Matthew Colvin, 2019-07-27 What did Jesus intend when he spoke the words This is my body The Lost Supper argues that Jesus words and actions at the Last Supper presupposed an already existing Passover ritual in which the messiah was represented by a piece of bread Jesus was not instituting new symbolism but using an existing symbol to speak about himself Drawing on both second temple and early Rabbinic sources Matthew Colvin places Jesus words in the Upper Room within the context of historically attested Jewish thought about Passover The

result is a new perspective on the Eucharist a credible first century Jewish way of thinking about the Last Supper and Lord's Supper and a sacramentology that is also at work in the letters of the apostle Paul Such a perspective gives us the historical standpoint to correct Christian assumptions past and present about how the Eucharist works and how we ought to celebrate it

*Sacrifice and Community* Matthew Levering,2008-04-15 This book explores the character of the Eucharist as communion inand through sacrifice It will stimulate discussion because of itscontroversial critique of the dominant paradigm for Eucharistictheology its reclamation of St Thomas Aquinas s theology ofthe Eucharist and its response to Pope John Paul II sEcclesia de Eucharistia Argues that the Eucharist cannot be separated from sacrifice and rediscovers the biblical connections between sacrifice andcommunion Timed to coincide with the Year of the Eucharist proclaimed byPope John Paul II Reclaims the riches of St Thomas Aquinas s theology ofthe Eucharist which had recently been reduced to a

metaphysical defence of transubstantiation      Christ in the Passover Ceil Rosen, Moishe Rosen, 2006-05-01 Bitter herbs salty water a sweet apple mixture the shankbone of a lamb what is the meaning behind these symbolic elements Enter the celebration of Passover rich with history and significance for both Jew and Gentile God wasn't finished working in the lives of His people after the waters of the Red Sea parted Both past and future deliverance are celebrated in this solemn and joyful feast Through Christ in the Passover you'll trace God's involvement through the history of this holy day from the first Passover all the way to the modern Seder And in the revised editions of this inviting book Ceil and Moishe Rosen show you how the death and resurrection of Jesus the Messiah are forever interwoven with the Passover and its symbolism      Christ the King Shirley Lucass, 2019-03-12 How foolish you are and how slow to believe all that the prophets have spoken Did not the Messiah have to suffer these things and then enter his glory And beginning with Moses and all the Prophets he explained to them what was said in all the Scriptures concerning himself Luke 24:25-27 There's a selfish part of me that wanted to write everything that I know at this point and the amateur in me wanted to write it all in one book on the definitive way of understanding Jesus through the Jewish Festivals and through the themes that emerge but I felt the Lord had commissioned me to sing a new song not a whole opera just one song that told the story a royal ballad If we understand kingship as the background and framework into which all the other stories fit then we will be a good way along the path of understanding what it was that Jesus was trying to explain to the disciples This road to Emmaus won't tell us everything but it will have started us off on a journey with signposts we can continue to follow all our lives      *The Ezekiel Generation* Grant Berry, 2013-10-15 The Father's Heart for Israel and the Church You live in one of the most critical hours in human history and God is calling you to participate For the body of Christ to be most effective in these last days unity is essential We all have key roles to play in the unfolding of God's great agenda for history Author Grant Berry is on a mission to help you find your place in this hour and see both Jew and Gentile unite to bring God's end time purposes to fruition In this critical book you will discover Why it is so significant that Israel and the Church strengthens their relationship The unique roles that Jews and Gentiles are purposed to play in the end times God's burning heart to release His Kingdom through a united people This book is a challenge to the global body of Christ Will we continue with business as usual or will we embrace the glorious call to see God's family restored in these last days      **Book of the Shining Path** Jay Newcomb, 2014-09-25 The Book of the Shining Path is an in depth study of the fundamental and mystical understandings of the doctrines of Messianic Judaism This book is a fundamental work for Messianic Jews for now and for generations of our people far into the future until which time Rabbi King Messiah returns This book introduces the mystical nature of Messianic Jewish doctrine as well as exploring understandings which set Messianic Judaism apart from other movements in Judaism as well as the Hebrew root Chri

**The Messiah and the Jews** Elaine Rose Glickman, 2013 A comprehensive inspiring and fascinating discovery of what Jews believe about the Messiah and why you might believe in the Messiah too The conviction that the Messiah is coming is a

promise of meaning It is a source of consolation It is a wellspring of creativity It is a reconciliation between what is and what should be And it is perhaps our most powerful statement of faith in God in humanity and in ourselves from Chapter 1 The Messiah Is Coming The coming of the Messiah the promise of redemption is among Judaism's gifts to the world But it is a gift about which the world knows so little It has been overshadowed by Christian belief and teaching and as a result its Jewish significance has been all but lost To further complicate matters Jewish messianic teaching is enthralling compelling challenging exhilarating yet up until now woefully inaccessible This book will change that Rabbi Elaine Rose Glickman brings together and to life this three thousand year old tradition as never before Rather than simply reviewing the vast body of Jewish messianic literature she explores an astonishing range of primary and secondary sources explaining in an informative yet inspirational way these teachings significance for Jews of the past and infuses them with new meaning for the modern reader both Jewish and non Jewish

*The Incredible Shrinking Son of Man* Robert M. Price, 2003 This book should be mandatory reading for all scholars concerned with Christian origins nothing of comparable importance has been written for at least a decade Freethinker For more than a century scholars have been examining the Gospels and other traditions about the life of Jesus to determine their historical accuracy Although the results of these scholarly efforts are sometimes controversial the consensus among researchers today is that the four Evangelists accounts cannot be taken at face value In fact a team of more than 100 scholars called the Jesus Seminar has come to the conclusion that on average only about 18 percent of the four Gospels is historically accurate An active member of the Jesus Seminar Dr Robert M Price presents the fruits of this important historical research in this fascinating discussion of early Christianity As the title suggests Price is none too optimistic about the reliability of the Gospel tradition as a source of accurate historical information about the life of Jesus Indeed he feels that his colleagues in the Jesus Seminar are much too optimistic in their estimate of authentic material in the Gospels After an introduction to the historical critical method for nonspecialists and a critique of the methods used by the Jesus Seminar Price systematically discusses the narrative and teaching materials in the Gospel clearly presenting what is known and not known about all of the major episodes of Jesus life He also examines the parables for authenticity as well as Jesus teachings about the Kingdom of God repentance prayer possessions and poverty the Atonement and many other features of the Gospels Written for the general reading public in a lively and accessible style Dr Price's highly informative discussion will be of interest to anyone who has wondered about the origins of Christianity

*God's Prophetic Feasts* Jacob Keegstra, 2012-05-20 In the Bible we find God's instructions on how His people should celebrate the Seasonal Feasts At the Last Supper Jesus gave the commandment to do this in remembrance of Him and that He would join this meal again in His kingdom Throughout the Biblical year we see a progression taking place The Spring festivals point towards the first coming of Jesus while the Fall festivals point towards His second coming The Feast of Tabernacles is the climax of the Fall celebrations and according to the prophets the nations will go up to Jerusalem to celebrate this Feast of the Lord Do we

yearn for the ultimate fulfilment of God's purposes on His festive days so that the Great Feast can begin
