The Late Victorian Folksong Revival E. David Gregory,2010-04-13 In The Late Victorian Folksong Revival The Persistence of English Melody 1878 1903 E David Gregory provides a reliable and comprehensive history of the birth and early development of the first English folksong revival Continuing where Victorian Songhunters his first book left off Gregory systematically explores what the Late Victorian folksong collectors discovered in the field and what they published for posterity identifying differences between the songs noted from oral tradition and those published in print In doing so he determines the extent to which the collectors distorted what they found when publishing the results of their research in an era when some folksong texts were deemed unsuitable for polite ears The book provides a reliable overall survey of the birth of a movement tracing the genesis and development of the first English folksong revival It discusses the work of more than a dozen song collectors focusing in particular on three key figures the pioneer folklorist in the English west country Reverend Sabine Baring Gould Frank Kidson who greatly increased the known corpus of Yorkshire song and Lucy Broadwood who collected mainly in the counties of Sussex and Surrey and with Kidson and others was instrumental in founding the Folk Song Society in the late 1890s The book includes copious examples of the song tunes and texts collected including transcriptions of nearly 300 traditional ballads broadside ballads folk lyrics occupational songs carols shanties and national songs demonstrating the abundance and high quality of the songs recovered by these early collectors

Abstract Painting and the Minimalist Critiques Matthew L. Levy,2019-05-07 This book undertakes a critical reappraisal of Minimalism through an examination of three key painters Robert Mangold David Novros and Jo Baer By establishing their substantive engagements with Minimalist discourse as well as their often overlooked artistic exchanges with their sculptor peers it demonstrates that painting crucially informed the movement s development serving not only as an object of critique but also as a crucible for its most central tenets It also poses broader disciplinary implications as it historicizes and challenges Minimalism s death of painting critiques that have been so influential to theories of modernism and postmodernism in the visual arts

Abstract Painting in Canada Roald Nasgaard,Art Gallery of Nova Scotia,2008 In the tradition of the distinguished Douglas McIntyre art program this lavishly illustrated and superbly printed book is a rich readable history of abstract painting in Canada The story begins in the 1920s with the sometimes eccentric but remarkable work rooted in symbolism and theosophy of pioneers

such as Kathleen Munn Bertram Brooker and Lawren Harris Two decades later the Automatistes Canada's first truly independent avant garde art movement burst onto the scene in Montreal After the Second World War the urge to abstraction spread across Canada manifesting itself in significant regional movements Vancouver painters retained a British flavour while in Toronto the Painters Eleven looked south to New York Montreal's Plasticiens launched their own razor edged interpretation of the European tradition of geometric abstraction In the sixties and seventies the Prairies were influenced by Clement Greenberg's post painterly abstraction while Halifax became a hub of conceptual art and concrete painting The book continues through the eighties and nineties during which critics largely denounced painting and concludes in the twenty first century with abstract painting alive and well again in the studios of Canada's young artists A monumental tome containing 200 color reproductions it mines a rich vein of art history ripe for international discovery [Girl in the painting.
