□□□□□□ □□ □□□□ Marcia Falk, 2022-03-14 Night of Beginnings is a groundbreaking new haggadah for the Passover seder from acclaimed poet translator and liturgist Marcia Falk beautifully designed and illustrated with original color drawings by the author Unlike both traditional and new haggadahs which do not contain a full recounting of the biblical story Night of Beginnings presents the Exodus narrative in its entirety providing a direct connection to the ancient origins of the holiday This retelling highlights the actions of its female characters including Moshe's sister Miriam Pharaoh's daughter who adopts the baby Moshe and the midwives Shifrah and Pu'ah who save the Hebrew male infants Falk's revolutionary new blessings in Hebrew and English replace the traditional patriarchal seder blessings and her kavanot meditative directions for prayer introduce a genre new to the seder ritual Poems psalms and songs are arranged to give structural coherence to the haggadah A new commentary raises interpretive questions and invites us to bring personal reflections into the discussion Like the author's widely acclaimed previous prayer books The Book of Blessings and The Days Between Falk's poetic blessings for the seder envision the divine as a Greater Whole of which we are an inseparable part The inclusive language of Falk's blessings makes room for women to find and use their voices more full-throatedly than they were able to do with the male-centered prayers inherited from the early rabbis Men too will encounter here a spiritually moving and thought-provoking experience
