The Palestinians The Road To Nationhood:

The Palestinians David McDowall,1995 In this new and wide ranging book David McDowall author of the highly respected 1986 MRG report on the Palestinians traces their story from the late nineteenth century to the present day He describes their first fears before 1914 of the Zionist aim to build a Jewish state in Palestine the fulfilment of their worst expectations in the wars of 1948 and 1967 the situation of the Palestinian minority within Israel Israel s occupation of the West Bank and Gaza Strip the Palestinian response and the Intifada the 1991 Gulf War and the subsequent search for peace

Cosmopolitan Mediation? Deiniol Jones,1999 Since the end of the Cold War mediation in international conflict has risen to the top of the international agenda This book takes a look at the Oslo Accords using recent developments in political and international theory

The Palestinians David McDowall,1998-07-01 In 1918 Christian and Muslim Arabs formed over 90 per cent of the population of Palestine Fifty years later those left were a powerless minority in their own land while most were refugees outside Palestine Since 1967 Israel has been an occupying force in Gaza and the West Bank expropriating for example over 60 per cent of the West Bank s land area dispossessing many Palestinians While Israel s actions have been condemned in United Nations Security Council and General Assembly resolutions Israel continues its actions largely unchecked Within Israel Palestinians are systematically discriminated against in almost all areas of society While condemning the Israeli government s policies the Report also discusses the abuses of the newly established Palestinian Authority The Palestinians provides information on the outlook for Palestinian society and examines why the peace process once seen to offer a constructive way forward is now in tatters The Report offers a concise and accessible analysis of the background to this situation and cogently argues that the international community must act as a matter of urgency to enable a just settlement to be found one that promotes and protects Palestinians rights and enables Israel and the Palestinian Authority to work towards peaceful coexistence based on respect for international law Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues

The Reconstruction of Palestinian Nationalism Helena Lindholm Schulz,1999 This text deals with the task of shedding light in the creation of Palestinian nationalism s and national identity It will be of interest to students and specialists concerned with the politics of nationalism and the politics of identity

The Palestine Yearbook of International Law, 1995 Anis F. Kassim,1997-01-01 A well established yearbook The Palestine Yearbook of International Law is widely respected as a prime source of legal material relating to Palestinian issues It provides an important forum on topical matters relating to Palestine for the international legal community particularly for legal practitioners researchers and scholars In addition to

leading articles on current matters of interest it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English This eighth volume of The Palestine Yearbook of International Law contains leading articles on Palestinian self government legal aspects of the Palestinian Israeli peace process and the problems of water management in Palestine the texts of Palestinian Jordanian Israeli and U S legislation and of various Agreements concluded between the Palestinian National Authority and both Jordan or Israel the texts of human rights reports a selection of recent book reviews and a detailed bibliography The level of activity in this field and its importance and complexity make The Palestine Yearbook of International Law an important component in any international law library allowing practitioners and academics to maintain awareness of these critical issues

Water, Power and Politics in the Middle East Jan Selby, 2003-10-24 This original analysis of the Middle East water problems highlights questions and issues which have so far only received minimal attention The author develops a multi layered account of the nature and causes of the conflict and the Palestinian water crisis Each chapter addresses a particular aspect of the Israeli Palestine water conflict and the author uses these to illustrate both the broader nature of Israeli Palestinian relations and factors that the existing water literature underplays or simply gets wrong The book should interest students scholars and practitioners in a wide range of disciplines including Middle East studies politics and international relations water policy geography environmental studies and environmental management

Zionism and the State of Israel The Rev Dr Michael Prior Cm, Michael Prior, 2005-08-12 Zionism and the State of Israel provides a topical and controversial analysis of the development of Zionism and the recent history and politics of Israel This thought provoking study examines the ways in which the Bible has been used to legitimize the implementation of the ideological and political programme of Zionism and the consequences this has had

The Modern Middle East Mehran Kamrava, 2005-01-31 The first succinct and authoritative overview of the making of the modern Middle East this lucid book brings a valuable mix of historical perspectives and contemporary analysis to a wide audience of readers seeking expert knowledge about this troubled and fascinating region Giving a rich perspective on the region's historical and political evolution the book traces the influence of factors such as religion culture and economics and illuminates events and topics currently in the news With its broad thematic sweep and its balanced presentation of contentious issues it is essential reading for general readers and students who want to better understand the world today Mehran Kamrava sets the stage with a concise discussion of the evolution of Islam and the religion's profound role in the region He then looks at in turn the rise and fall of the Ottomans the trials of independence and state building the emergence and fiery spread of nationalism the two Arab Israeli wars of 1967 and 1973 the Iranian Revolution and the two Gulf Wars and beyond including discussion of the invasion of Iraq by the United States After tracing the consequences of these historical events for a host of political phenomena Kamrava gives detailed attention to three pivotal issues the challenges of economic development the Palestinian Israeli conflict and the question of democracy He also examines issues that will shape the future

population growth environmental pollution and water scarcity **US Policy Towards the Muslim World** M. Saleem Kidwai, 2010 By all accounts the overall relationship between the US and the Muslim world is marked by confrontation at several levels In the aftermath of 9 11 a great deal needs to be done to build bridges between America and the Muslim world A broad and immediate shift in America s policies towards the Muslim world is necessary What is the appropriate paradigm for the war on terrorism How should the US now deal with authoritarian regimes considered its traditional allies in the Muslim world How should the US deal with civil society opposition parties and other Islamist groups often located within these friends and allies How can the US maintain a close alliance with Israel while still continuing positive relations with Muslim states and movements US Policy Towards the Muslim World seeks to find answers to these and similar questions The volume is comprised of fourteen contributions from specialists in the field It is a serious attempt to address and analyze key factors affecting US interests and suggests measures for the US policy makers The main objective is to provide a policy framework that will enable the US to face the challenges posed and Opportunities thrown open in the Muslim world Book jacket *The Terrorist Identity* Michael P. Arena, Bruce A. Arrigo, 2006-11-01 Who would strap a bomb to his chest walk into a crowded subway station and blow himself up Only by examining how a terrorist understands his own identity and actions can this question be answered The authors of *The Terrorist Identity* explore how the notion of self concept combined with membership in terrorist and extremist groups can shape and sustain the identity of a terrorist as well as their subsequent justification for violence and the legitimacy of their actions The book provides an understanding of identity that draws on concepts from psychology criminology and sociology Notably the book examines several case studies of various terrorist groups including the Provisional Irish Republican Army Hamas the Shining Path the Liberation Tigers of Tamil Eelam and racist Skinheads By making the construct of identity central to this analysis *The Terrorist Identity* explains how violent and extremist collective behavior emerges culturally how it informs the identity of group members socially and how participants assume their place in these groups completely even at the expense of life threatening harm to others or to themselves *A Companion to the History of the Middle East* Youssef M. Choueiri, 2008-04-15 A Companion to the History of the Middle East offers a fresh account of the multifaceted and multi layered history of this region A fresh account of the multifaceted and multi layered history of the Middle East Comprises 26 newly commissioned essays by leading international scholars Primarily focused on the modern and contemporary periods Covers religious social cultural economic political and military history Treats the region as four differentiated political units Iran Turkey Israel and the Arab world Includes a section on current issues such as oil urban growth the role of women and democratic human rights *The Creation of States in International Law* James R. Crawford, 2006-02-23 Statehood in the early 21st century remains as much a central problem as it was in 1979 when the first edition of *The Creation of States in International Law* was published As Rhodesia Namibia the South African Homelands and Taiwan then were subjects of acute concern today governments international organizations and other

institutions are seized of such matters as the membership of Cyprus in the European Union application of the Geneva Conventions to Afghanistan a final settlement for Kosovo and still relations between China and Taiwan All of these and many other disputed situations are inseparable from the nature of statehood and its application in practice The remarkable increase in the number of States in the 20th century did not abate in the twenty five years following publication of James Crawford s landmark study which was awarded the American Society of International Law Prize for Creative Scholarship in 1981 The independence of many small territories comprising the residue of the European colonial empires alone accounts for a major increase in States since 1979 while the disintegration of Yugoslavia and the USSR in the early 1990s further augmented the ranks With these developments the practice of States and international organizations has developed by substantial measure in respect of self determination secession succession recognition de colonization and several other fields Addressing such questions as the unification of Germany the status of Israel and Palestine and the continuing pressure from non State groups to attain statehood even in cases like Chechnya or Tibet against the presumptive rights of existing States James Crawford discusses the relation between statehood and recognition the criteria for statehood especially in view of evolving standards of democracy and human rights and the application of such criteria in international organizations and between states Also discussed are the mechanisms by which states have been created including devolution and secession international disposition by major powers or international organizations and the institutions established for Mandated Trust and Non Self Governing Territories Combining a general argument as to the normative significance of statehood with analysis of numerous specific cases this fully revised and expanded second edition gives a comprehensive account of the developments which have led to the birth of so many new states

The Modern Middle East, Third Edition Mehran Kamrava, 2013-10-05 From the fall of the Ottoman Empire through the Arab Spring this title offers a classic treatise on the making of the contemporary Middle East remains essential reading for students and general readers who want to gain a better understanding of this diverse region

Nationalism and Ethnic Conflict Berch Berberoglu, 2005-12-13 This book examines the origins and development of nationalism and national movements in the twentieth century and provides an analysis of the nature and dynamics of nationalism and ethnic conflict in a variety of national settings Examining the intricate relationship between class state and nation the book attempts to develop a critical approach to the study of nationalism and ethnonational conflict within the broader context of class relations and class struggles in the age of globalization The book consists of three parts made up of seven chapters Part I examines classical and contemporary conventional and Marxist theories of nationalism Part II provides a series of empirical comparisons of nationalism and ethnic conflict on a world scale focusing on the Third World the advanced capitalist countries and Eastern Europe and the former Soviet Union A highlight of this section of the book is a detailed comparative case study of the Palestinian and Kurdish nationalism and national movements Part III provides a political analysis of the relationship between class state and nation and lays out the class

nature of nationalism and the role of the state in ethnonational conflicts that are the political manifestations of deeper class struggles that have been the driving force of nationalism and ethnic conflict in the era of globalization Berberoglu contends that future studies of nationalism and ethnonational conflict must pay closer attention to the dynamics of class forces that are behind the ideology of nationalism by examining national movements in class terms For only through a careful class analysis of these forces and their ideological edicts will we be able to clearly understand the nature of nationalism and ethnonational conflicts around the world

The Palestinians David McDowall,1994 In this new and wide ranging book David McDowall author of the highly respected 1986 MRG report on the Palestinians traces their story from the late nineteenth century to the present day He describes their first fears before 1914 of the Zionist aim to build a Jewish state in Palestine the fulfilment of their worst expectations in the wars of 1948 and 1967 the situation of the Palestinian minority within Israel Israel s occupation of the West Bank and Gaza Strip the Palestinian response and the Intifada the 1991 Gulf War and the subsequent search for peace

Politics and Government in Israel Gregory S. Mahler,2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel s history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel s geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel s foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today

Literature, Partition and the Nation-State Joseph N. Cleary,2002-01-03 The history of partition in the twentieth century is one steeped in controversy and violence Literature Partition and the Nation State offers an extended study of the social and cultural legacies of state division in Ireland and Palestine two regions where the trauma of partition continues to shape political events to this day Focusing on the period since the 1960s when the original partition settlements in each region were challenged by Irish and Palestinian nationalists Joe Cleary s book contains individual chapters on nationalism and self determination on the construction of national literatures in the wake of state division and on influential Irish Israeli and Palestinian writers film makers and public intellectuals Cleary s book is a radical and enthralling intervention into contemporary scholarship from a range of disciplines on nations and nationalism It will be of interest to scholars in Cultural and Post Colonial Studies Nations and Nationalism Irish Literature Middle East Studies and Modern History

Domes ,1996 **Negotiating Arab-Israeli Peace, Second**

Edition Laura Zittrain Eisenberg, Neil Caplan, 2010-07-14 Thoroughly updated and expanded this new edition of *Negotiating Arab Israeli Peace* examines the history of recurrent efforts to resolve the Arab Israeli conflict and identifies a pattern of negative negotiating behaviors that seem to repeatedly derail efforts to achieve peace In a lively and accessible style Laura Zittrain Eisenberg and Neil Caplan examine eight case studies of recent Arab Israeli diplomatic encounters from the Egyptian Israeli peace of 1979 to the beginning of the Obama administration in light of the historical record By measuring contemporary diplomatic episodes against the pattern of counterproductive negotiating habits this book makes possible a coherent comparison of over sixty years of Arab Israeli negotiations and gives readers a framework with which to assess the relative strengths and weaknesses of peace making attempts past present and future [Turmoil in the Middle East](#) Berch Berberoglu, 1999-11-04 Berch Berberoglu examines the dynamic social forces and political turmoil that plague the contemporary Middle East
