The Parousia In The New Testament:

The Parousia in the New Testament Arthur Lewis Moore, 1966 The Parousia James Stuart Russell, 1887 The The Parousia James Stuart Russell, 1878 The Parousia is a New Parousia in the New Testament A. L. Moore, 1964 Testament commentary by James Stuart Russell wherein the authority attempts to clarify and explain aspects of prophecy explained in the Gospels and elsewhere in the NT The term Parousia is derived from a Greek word meaning simply a coming or a presence In the context of the Bible and Christianity it refers to the return of Jesus Christ as a core prophecy of the New Testament scripture It is by investigating all of this material that James Russell seeks to make clear what exactly the Bible predicts and what specifically believers may expect in the future and what aspects of the prophecy have already occurred in the distant past Exhaustively researched and painstakingly compiled Russell's thesis is lengthy and split into three parts firstly he analyses the four Gospels of Christ secondly he examines the Acts of the Apostles and lastly he looks at the Book of Revelation and the visions therein No detail is spared from the author's learned gaze with aspects of the Bible lore clarified and explained For his part Russell believed that most aspects of the Bible prophecy have already been fulfilled in history only certain passages of Revelation have not yet corresponded to real world events Quoting and narrating the Biblical passages at length Russell efforts to clarify are not in vain at the time this work was first published in the 1870s then edited and republished in the 1880s the reaction was one of praise Christians for whom the Bible's words and ideas had hitherto been a mystery at last had a book to consult whose wisdom was soundly supported by the very words of the Holy Bible It is thus with a measure of joy that the publisher presents this new reprint which unites all three parts of Russell's work in one volume

Where Is the Promise of His Coming? David L. Mathewson,2018-10-26 The New Testament contains numerous statements by Jesus and New Testament authors that seem to suggest that Jesus was coming back soon in their lifetime But two thousand years later here we still are How do we handle this apparent failed prophecy Did Jesus and
