Paganism means living in harmony with nature and respecting all that nature has to offer. It is a sustainable way of life that has existed in the British Isles for thousands of years and that has survived secretly among scattered households throughout the UK. Although it is not a religious path, true pagans do not worship deities; paganism will appeal to anyone who cares about the environment, who is interested in maintaining an organic lifestyle, or who believes in respecting their roots whilst catering for the future. Paganism may be thousands of years old, but it is particularly suited to meeting our twenty-first century concerns. In *The Modern Pagan*, Brian Day explains how to live in a way that honours the land and its inhabitants. There is advice on celebrating seasonal festivals, on cultivating a true pagan garden, on creating delicious food and drink from hedgerow fare, on herbal medicine, on the importance of pagan parenting and family values, on living in harmony without prejudice and discrimination, and much more. The core principles of Modern Paganism will make sense to anyone who is tired of the hustle and bustle of our polluted lifestyles and who is looking for a way to live that is in balance with our fellow human beings and the natural world.

*Making Pagans* John Kuhn, 2024-12-10. How early modern theatrical practice helped construct the category of pagan as a tool of European self-definition and colonial ambition. In *Making Pagans*, John Kuhn argues that drama played a powerful role in the articulation of religious difference in the seventeenth century. Tracing connections between the history of stagecraft and ethnological disciplines such as ethnography, antiquarianism, and early comparative religious writing, Kuhn shows how early modern repertory systems that leaned heavily on thrift and reuse produced an enduring theatrical vocabulary for understanding religious difference through the representation of paganism, a key term in the new taxonomy of world religions emerging at this time and a frequent subject and motif in English drama of the era. Combining properties such as triumphal chariots, trick altars, and moving statues with music, special effects, and other elements, the spectacular set pieces that were mostly developed for plays set in antiquity depicting England's pre-Christian past were frequently repurposed in new plays in representations of Native Americans and Africans in colonial contact zones. Kuhn argues that the recycling of these set pieces encouraged audiences to process new cultural sites through the lens of old performance tropes and helped produce fictitious, quasi-ethnographic knowledge for spectators, generating the idea of a homogeneous trans-historical, trans-geographical paganism. Examining the common scenes of pagan ritual that filled England's seventeenth-century stages—magical conjurations, oracular prophecies, barbaric triumphal parades, and group suicides—Kuhn traces these tropes across dozens of plays from a range of authors, including Ben Jonson, Christopher Marlowe, John Dryden, and Philip Massinger. Drawing together theater history, Atlantic studies, and the history of comparative religion, *Making Pagans* reconceptualizes the material and iterative practices of the theater as central to the construction of radical religious difference in early modernity and of the category of paganism as a tool of European self-definition and colonial ambition.

*Characters of the Passion* Fulton Sheen, 2015-01-22. To give us a better understanding of the Catholic Faith in *Characters of the Passion*, Fulton J. Sheen returns us to Calvary. There, he dramatically brings to life, in brief but penetrating

characterizations many who played important roles in the Eternal Drama of the Cross Peter Judas Pilate Herod Barabbas and others make an appearance and through them the author shows us new aspects of the glory of the Faith Fulton Sheen was unparalleled in his ability to combine theology devotion and the profoundest meditations on the central events of the Christian narrative His writing is a message of inspiration to all to those wavering in their beliefs he brings comfort and strength to others he affirms the knowledge that true faith is the most powerful weapon in the world today ever ready to meet the challenges of modern life

*The Edinburgh Review, Or Critical Journal*, 1882 *From the Passion to the Church of the Holy Sepulchre* Jordan J. Ryan, 2021-01-14 Since the early 4th century Christian pilgrims and visitors to Judea and Galilee have worshipped at and been inspired by monumental churches erected at sites traditionally connected with the life and ministry of Jesus of Nazareth This book examines the history and archaeology of early Christian holy sites and traditions connected with specific places in order to understand them as interpretations of Jesus and to explore them as instantiations of memories of him Ryan's overarching aim is to construe these places as instantiations of what historian Pierre Nora has called lieux de m moires sites where memory crystallizes and where possible to track the course and development of the traditions underlying them from their genesis in the Gospel narratives to their eventual solidification in the form of pilgrimage sites So doing will bring rarely considered evidence to the study of early Christian memory which in turn helps to illuminate the person of Jesus himself in both history and reception

*The Passion of Perpetua and Felicity* Thomas J. Heffernan, 2011-07-01 Winner of the Modern Language Association Prize for a Scholarly Edition One of the most widely read and studied texts composed in Late Antiquity is the prison diary of Vibia Perpetua a young woman of the elite classes who was martyred in March of the year 202 or 203 C E in Carthage as part of a civic celebration honoring Caesar Geta She was well married and had recently become the mother of a baby son but despite her advantages she refused to recant her faith when she was arrested with other recent converts to Christianity Imprisoned with her was her pregnant slave Felicity Perpetua's steadfastness in her belief led to her martyrdom in the amphitheater A description of the heroic deaths of both women and the autobiography of one of the leaders of the Christian community Saturus is woven into Perpetua's diary by an anonymous editor who tells us that as they died Perpetua Felicity and the other condemned Christians bid farewell with a kiss of peace This unique and precious text survives in one Greek and in nine Latin manuscript versions Thomas Heffernan's new study contains much that has never been done before including a prosopography of all the individuals mentioned in the *Passion* a new English translation and the first detailed historical commentary in English on the entire narrative of the

Passion It also includes a newly edited version of the Latin text based on all the extant manuscripts and rarer still the Greek text He concludes the book with a complete codicological description of all of the known manuscripts and thorough scholarly indices of the text itself Perpetua's prison diary is a revered text of early Christianity and Heffernan's new translation and commentary brings unprecedented scholarly resources to the much loved Passion
