*The Pastoral Epistles* Benjamin Fiore (s.j.), 2007 First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles Both their style and their content make it difficult to locate them within the corpus of Pauline letters and recent scholarship most often considers them pseudonymous works that imitate Paul s letters but apply the apostle s teaching to the concerns of a later time two or more decades after Paul s death The Pastorals differ from Paul s own letters in being addressed to single individuals coworkers of Paul who have been placed in charge of particular churches Timothy apparently in Ephesus Titus in Crete They provide instruction for community leaders both the individual addressees and other leaders whom they will appoint The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development In this commentary Benjamin Fiore SJ places the Pastorals in their historical and literary context The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose Drawing on his parish experience as well as his academic training Fiore also provides reflections on the contemporary pastoral application of these books giving readers a renewed appreciation for the

pastoral label these epistles bear Benjamin Fiore SJ is president and professor of religious studies at Campion College at the University of Regina Canada *Paul for Everyone: The Pastoral Letters* N. T. Wright, 2004-01-01 Enlarged print edition now available Writing in an approachable and anecdotal style Tom Wright helps us to see the pastoral nature of these letters Paul is anxious to see that those who profess the faith should allow the gospel to transform the whole of their lives right down to the deepest part of their personality and is concerned that every teacher of the faith should know how to build up the community in mutual support rather than tearing it apart through the wrong sort of teaching and behavior Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions **Sacra Pagina: The Pastoral Epistles** Benjamin Fiore, 2009-10-01 First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles Both their style and their content make it difficult to locate them within the corpus of Pauline letters and recent scholarship most often considers them pseudonymous works that imitate Paul's letters but apply the apostle's teaching to the concerns of a later time two or more decades after Paul's death The Pastorals differ from Paul's own letters in being addressed to single individuals coworkers of Paul who have been placed in charge of particular churches Timothy apparently in Ephesus Titus in Crete They provide instruction for community leaders both the individual addressees and other leaders whom they will appoint The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development In this commentary Benjamin Fiore SJ places the Pastorals in their historical and literary context The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose Drawing on his parish experience as well as his academic training Fiore also provides reflections on the contemporary pastoral application of these books giving readers a renewed appreciation for the pastoral label these epistles bear Benjamin Fiore SJ is president and professor of religious studies at Campion College at the University of Regina Canada **Timothy and Titus**, 1953 *The Pastoral Epistles* Patrick Fairbairn, The Pastoral Epistles A Commentary on 1 2 Timothy and Titus provides a comprehensive guide to these New Testament letters Fairbairn a Scottish minister and theologian combines rigorous biblical scholarship with practical insights His work defends the apostolic authorship of the epistles and offers fruitful comments making it an invaluable resource for understanding these smaller letters The commentary covers themes like pastoral leadership church order and sound doctrine Fairbairn's commitment to rightly handling the Word of Truth shines through in this insightful volume *Pastoral Epistles, Volume 46* Zondervan, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of

**The Pastoral Epistles and the New Perspective on Paul** Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective's hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul's View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim
