Inventing Authenticity Carrie Helms Tippen, 2018-08-12 In Inventing Authenticity Carrie Helms Tippen examines the rhetorical power of storytelling in cookbooks to fortify notions of southernness Tippen brings to the table her ongoing hunt for recipe cards and evaluates a wealth of cookbooks with titles like Y'all Come Over and Bless Your Heart and famous cookbooks such as Sean Brock's Heritage and Edward Lee's Smoke and Pickles She examines her own southern history grounding it all in a thorough

understanding of the relevant literature The result is a deft and entertaining dive into the territory of southern cuisine black eyed peas and cornbread fried chicken and fried okra pound cake and peach cobbler and a look at and beyond southern food tropes that reveals much about tradition identity and the yearning for authenticity Tippen discusses the act of cooking as a way to perform and therefore reinforce the identity associated with a recipe and the complexities inherent in attempts to portray the foodways of a region marked by a sometimes distasteful history Inventing Authenticity meets this challenge head on delving into problems of cultural appropriation and representations of race thorny questions about authorship and more The commonplace but deceptively complex southern cookbook can sustain our sense of where we come from and who we are or who we think we are The Boo Pat Conroy,2010-11-16 The 1 New York Times bestselling author s story about life at the Citadel in the 1960s a profound exploration of what it means to be a man of honor Lt Col Nugent Courvoisie known to the cadets as the Boo is an imposing and inspiring leader at the South Carolina military academy the Citadel A harsh disciplinarian but a compassionate mentor he guides and inspires his young charges Cadet Peter Cates is an anomaly He is a gifted writer a talented basketball player and a good student but his outward successes do little to impress his abusive father The Boo takes Cates under his wing but their bond is threatened when they re forced to confront an act of violence on campus Drawn from Pat Conroy s own experiences as a student at the Citadel The Boo is an unforgettable story about duty loyalty and standing up for what is right in the face of overwhelming circumstances *The Lee Bros.
