[Beyond Vision](#) Allan Jones,2018-06-06 In this unique and exhilarating autobiography Allan Jones Canada s first blind diplomat vividly describes how an untreatable eye disease slowly decimated his visual world most challengingly during his postings in Tokyo and New Delhi and how he discovered and took to heart the revelatory Indian philosophy that changed his life Advaita Vedanta the most iconoclastic and liberating of the classical Indian philosophies profoundly altered the author s experience of self and world He found that the true self as distinct from the individual ego far exceeds the boundaries of individuality It lies beneath sightedness or blindness and is absolutely unaffected by the latter This welcome shift of perspective was reinforced by startling discoveries in contemporary physics evolutionary biology and developmental psychology that are fully consistent with Advaitic metaphysics As for the practical applications of metaphysics this book demonstrates step by step how Advaitic

insight and practice significantly reduce physical and psychological tension. The most telling examples have to do with adjustments compelled by extreme circumstances. Thus Jones describes how he drew upon Advaitic mindfulness techniques to maintain his white cane mobility skills in the teeth of permanent spinal nerve and muscle pain. The arc of *Beyond Vision* moves from the claustrophobically personal to the openness of the transpersonal. It begins in a dysfunctional family background breaking out into a full life encompassing an adventurous foreign service career, spiritual exploration, and an unconventional kind of marital love. **Beyond Comfort: How to Push Yourself to Greater Heights** Silas Mary, 2025-02-05

As congregations in the twenty-first century begin to reclaim the missional nature of church, this view must be broadened to include care and concern for the needs of the larger community. A missional perspective of pastoral care embraces the notion that all of God's people, not just trained professionals, are called to partner in the healing and redemption of the world. In *Beyond Church Walls*, Rick Rouse sets out to articulate precisely what such an approach to pastoral care looks like and the substantial impact it can have on congregations and communities. A skilled teacher and pastor with deep experience in real communities, Rouse leads readers through the changing realities of the twenty-first century and to new ways for missional churches to succeed in offering pastoral care for the whole community.
