The Pathless Land:

The Pathless Land Joyce Collin-Smith, 2003 The Pathless Land is the fruition of a lifetime's work emerging from the one who has herself emerged from the shadow of great spiritual masters The tremendous range and depth of this work takes you through the spectrum of esoteric experience from Astrology to Zaphkiel This is a classic text from a true master one who has known and practised with the greatest gurus and enlightened teachers A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West, 1847 **You Are Beauty / Krishnamurti - Applied in Daily Life** Samuel Widmer Nicolet, 2016-01-31 In this book Samuel Widmer does not attempt to summarize or interpret Krishnamurti's teaching He actually recreates it by offering us an insight into what he has received from the Master Something novel and beautiful has grown out of the merging of the teacher's and the disciple's mind something that mirrors the eternal truth in yet another new way Beauty In his role of psychotherapist the author set out travelling on the pathless path of truth many years ago During this journey all roles have fallen away from him Even the role of therapist Even the role of disciple Nothing remains Marvellous nothingness Just beauty **The Mystery of Self** Kevin Scott, 2022-06-02 The human mind is of the one universal mind Mind is completely whole and creates through a doubtless focus The idea in separation among anything is only seemingly apparent This apparent interaction in separateness to anyone and anything is the very reason for this existence When this concept of separation is accepted completely then likewise spawns the apparent psychological bondage of frustration pain and suffering experienced by one This sense of separation is framed from a nexus of belief systems which were heretofore undiscovered by the simple clarity of insight When this system of limiting beliefs is finally illuminated to that degree will true joy freedom and manifested preferences begin to shine within one's life *The North-west Passage by Land* William Fitzwilliam Milton (Viscount), Walter Butler Cheadle, 1901 **The Power of Philosophy** Kaustuv Roy, 2018-08-12 This book explores the possibility of philosophical praxis by weaving an ontological thread through four principal thinkers Heidegger Schelling Goethe and Heraclitus It argues that a special kind of redemptive power awaits the structural understanding of thought that is beyond semantic formations such as concepts and ideational systems The author claims that the power is negative in nature trans personal and derived directly from the understanding of thought as a structural pulse The book travels backwards in time encountering successively Heidegger's critique of calculative thinking Schelling's Mind Nature relation Goethe's Delicate Empiricism and the aphoristic wisdom of Heraclitus in search of a redemptive power that lies in the self knowledge of thought This power is ontological and not historical or developmental it is the same at all times and all points of history The author refers to the praxis as philosophical bilingualism **Te Tohunga** Wilhelm Dittmer, 1907 **A Captive of the Roman Eagles** Felix Dahn, 1902 Evergreen Leaves Gangadharan Menon, 2014-12-11 Gangadharan Menon gave up advertising after 28 years to take up his first and second love teaching and travel He now teaches at Rachana Sansad College of Applied Arts Mumbai and does travel photography and travel writing His articles have been published in
