The South's finest and one of America's best these words have always defined the world famous Peabody Hotel in Memphis Tennessee. The Peabody emerged from the war torn post Civil War South in 1869 to become one of the finest hotels in America. Its reputation for comfort service and fine dining grew along with Memphis's stature as the river city cotton capital and birthplace of the blues. The most famous and infamous citizens of the era stayed at the original Peabody in its day. There plantations were won or lost on a roll of the dice. After more than 50 years the original hotel was replaced by a new 12 story 615 room hotel in 1925. It was then that the hotel's name became synonymous with elegance. It also became the social center of Memphis and the mid South and a haunt for the rich and famous. The celebrated ducks swimming in the marble lobby fountain parties in the skyway or dancing on the open plantation roof to the music of the most renowned bands and orchestras of the day have all been part of this fabulous hotel's history. Today the fully restored Peabody retains its reputation for legendary Southern hospitality and tasteful elegance. The hotel continues to serve as an anchor for the restoration and revitalization of the downtown area of one of America's most important cities.
