inspired the artists philosophers and even politicians whose ideas have formed the basis for civilization as we know it Many of these ancient texts may seem well known but Hillman shows how timid prudish translations have left scholars and readers in the dark about the reality of drug use in the Classical world Hillman s argument is not simply pro drug Instead he appeals for an intellectual honesty that acknowledges the use of drugs in ancient societies despite today s conflicting social mores In the modern world where academia and university life are often politically charged The Chemical Muse offers a unique and long overdue perspective on the contentious topic of drug use and the freedom of thought **Michael Oakeshott, the**

Chauvinism of the West Shadia B. Drury, 2024-09-27 This book is a critical exploration of the intellectual foundations of American foreign policy on the left and the right The left is inspired by Immanuel Kant's idea that spreading democracy is the key to universal peace The right is inspired by the realism of Thucydides Leo Strauss and Carl Schmitt The emphasis is on military power as a sign of superiority and a means to survival For the right spreading democracy is merely a ploy for building a global commercial empire to rival the British Drury gives reasons for rejecting both as manifestations of the chauvinism of the West The Garden of Leaders Paul Woodruff, 2019 In The Garden of Leaders philosopher Paul Woodruff
