**The Elements of Drawing** John Ruskin, 2016-08-20 It may perhaps be thought that in prefacing a manual of drawing I ought to expatiate on the reasons why drawing should be learned but those reasons appear to me so many and so weighty that I cannot quickly state or enforce them With the reader s permission as this volume is too large already I will waive all discussion respecting the importance of the subject and touch only on those points which may appear questionable in the method of its treatment ii In the first place the book is not calculated for the use of children under the age of twelve or fourteen I do not think it advisable to engage a child in any but the most voluntary practice of art If it has talent for drawing it will be continually scrawling on what paper it can get and should be allowed to scrawl at its own free will due praise being given for every appearance of care or truth in its efforts It should be allowed to amuse itself with cheap colors almost as soon as it has sense enough to wish for them If it merely daubs the paper with shapeless stains the color box may be taken away till it knows better but as soon as it begins painting red coats on soldiers striped flags to ships etc it should have colors at command and without restraining its choice of subject in that imaginative and historical art of a military tendency which children delight in generally quite as valuable by the way as any historical art delighted in by their elders it should be gently

led by the parents to try to draw in such childish fashion as may be the things it can see and likes birds or butterflies or flowers or fruit iii In later years the indulgence of using the color should only be granted as a reward after it has shown care and x progress in its drawings with pencil      **Art and Industry** United States. Office of Education,1885      **Color and Style in Bathroom Furnishing and Decoration** Standard Sanitary Manufacturing Company,1929      **Meet the Breeds** American Kennel Club,2016-02-16 With more than 200 registered breeds either in one of the seven Variety Groups or part of the Miscellaneous Class the American Kennel Club is the world s largest purebred dog registry and the governing body for the canine sport in the United States For someone looking to add a purebred canine companion to his or her life or for the all around purebred dog enthusiast this AKC authorized fifth edition of Meet the Breeds is a complete current and fully illustrated resource on all AKC breeds Meet the Breeds presents the most current AKC information introducing readers to two new Miscellaneous breeds the Barbet and the Kooikerhondje and documenting the transition from the Miscellaneous Class to full recognition for six other breeds Fanciers are sure to learn something interesting about their favorite breeds while meeting plenty of new and intriguing furry faces Inside Meet the Breeds Considerations for potential dog owners An introduction to each of the groups and a discussion of common traits shared by group members Listings of AKC dog breeds including each breed s history and description temperament size coat color life expectancy activity level grooming and exercise requirements healthcare and parent club and rescue group contact information Breed profiles organized alphabetically and color coded by group Colorful photographs of adult dogs and puppies of each breed      **Inheritance of Color and Horns in Blue-gray Cattle** Orren Lloyd-Jones,John Marcus Evvard,1916      **Pulp and Paper Magazine of Canada** ,1923
