**A Reference Guide to Television's Bonanza** Bruce R. Leiby, Linda F. Leiby, 2015-09-15 Bonanza aired on NBC from September 12 1959 to January 16 1973 playing to 480 000 000 viewers in over 97 countries It was the second longest running western series surpassed only by Gunsmoke and continues to provide wholesome entertainment to old and new fans via syndication This book provides an in depth chronicle of the series and its stars A history of the show from its inception to the current made for television movies is provided and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them the dates they stayed with the show date and time of original broadcast writer director producer executive producer and supporting cast Also provided are character sketches for each of the major recurring characters career biographies of Lorne Green Pernell Roberts Dan Blocker and Michael Landon brief biographical sketches of the supporting cast a discography of recordings of the Bonanza theme and recordings of the four major stars and information on Bonanza television movies **The Penguin TV Companion** Jeff Evans, 2011 Fourth Edition Quite simply a masterpiece Independent Who were Lost in Space Where did The League of Gentlemen live When did the Eurovision Song Contest begin And what does a gaffer actually do The Penguin TV Companion fully revised updated and expanded answers all of these questions and thousands more More than 2 300 programmes with cast lists transmission dates detailed synopses and loads more from Dallas to Downton Abbey Porridge to Peep Show and The Woodentops to The Wire More than 1 500 entries for major TV people actors writers producers and others from Des O Connor to Dermot O Leary Joanna Lumley to Nigella Lawson and Harry Corbett to James Corden Technical terms explained major broadcasters profiled New star ratings revealing the best and the worst of 75 years of viewing DVD availability highlighted The most comprehensive and addictive book on television that you could ever want One of The Independent's Ten Best Reference Books Tremendously well researched TV Zone An awesome book Steve Wright BBC Radio 2 **All in the Best Possible Taste** Tom Bromley, 2010-08-19 Television past as LP Hartley might have once said is another country And in the early 1980s it certainly was a different beast There were still only three channels to watch the evening's programmes finished with the playing of the national anthem and the biggest prize on TV was not Chris Tarrant's million pounds but a speedboat on Bullseye But as Tom Bromley suggests in this funny and warming memoir all that was about to change The 1980s saw the end of the original golden era of television and the beginnings of TV as we know it today In 1982 Channel 4 became the first new terrestrial channel for almost twenty years and by the end of the decade Rupert Murdoch's Sky Television was vying to become Britain's first multi channel provider The result of all this was that slowly but surely British viewers had more choice than ever before and the cost of this choice was the erosion of television as a shared national event And no one felt this change more deeply than Tom Bromley Television played a large part in Tom's childhood His first word was two as in BBC Two and his earliest childhood memory is seeing Johnny Ball at a church fete With great humour and

affection Tom Bromley tells the story of a childhood spent with his three siblings and that other all important family member the television set

**British TV Comedies** Juergen Kamm, Birgit Neumann, 2016-01-26 This collection offers an overview of British TV comedies ranging from the beginnings of sitcoms in the 1950s to the current boom of Britcoms It provides in depth analyses of major comedies systematically addressing their generic properties filmic history humour politics and cultural impact

**Looking North** Dave Russell, 2004-10 Investigating areas as diverse as travel literature fiction dialect the stage radio television feature film music and sport this book assesses the portrayal of the North of England within the national culture and how this has impacted upon attitudes to the region and its place within notions of Englishness The relationship between these cultural forms and the construction of regional identity has received only limited consideration and this fascinating work provides not only much new information but also a map for future writers The North although seen ultimately as other and the subject of much critical comment is also shown here as capable of stimulating the creative imagination and invigorating English culture in sometimes surprising ways

**Popular Culture** Nick Hunter, 2012 Drive in theatres Elvis Presley Marilyn Monroe and James Dean this is the era where popular culture really comes into its own Advances in technology impacted the look and design of almost everything and televisions made their way into the average home

*Fashion Narrative and Translation* Rosanna Masiola, 2023-01-09 Fashion Narrative and Translation Is Vanity Fair combines comparative literature fashion and translation studies in their interactional roles The integrated approach provides an innovative blended approach to comparative literature studies benefiting from growing fields of fashion and translation Within the descriptive frame of fashion concepts and themes the research furthers the analysis of multiple translations English and Romance languages to costume design in film adaptations from page to screen The eight chapters of the book are thematically structured raising crucial issues about language and literature in verbal and visual representation and questioning the translatability of the fashion lexicon and lexicography

*Entertaining Entrepreneurs* Daniel Horowitz, 2020-09-29 The Great Recession threatened the well being of tens of millions of Americans dramatically weakened the working class hollowed out the middle class and strengthened the position of the very wealthy Against this backdrop the hit reality show Shark Tank premiered in 2009 Featuring ambitious

entrepreneurs chasing support from celebrity investors the show offered a version of the American Dream that still seemed possible to many where a bright idea and a well honed pitch could lift a bootstrap business to new heights of success More than a decade later Shark Tank still airs regularly on multiple networks and its formula has sparked imitators everywhere from elite universities to elementary school classrooms In *Entertaining Entrepreneurs* Daniel Horowitz shows how Shark Tank's version of entrepreneurship disguises and distorts the opportunities and traps of capitalism Digging into today's cult of the entrepreneur Horowitz charts its rise from the rubble of economic crisis and its spread as a mainstay of American culture and he explores its flawed view of what it really takes to succeed in business Horowitz offers more than a look at one television phenomenon He is the perfect guide to the portrayal of entrepreneurship in business school courses pitch competitions popular how to books and scholarly works as well as the views of real world venture capitalists **From Blofeld to Moneypenny** Steven Gerrard, 2020-03-26 Since its inception 007 has captured the hearts of a worldwide audience and the franchise is now available over multiple media platforms including movie comic strips games graphic novels and fashion statements This edited collection examines the role that gender has played across the platforms that the James Bond franchise now occupies *Great British Fictional Detectives* Russell James, 2008 Highlights over 350 British literary detectives many famous through their film and TV adaptations Using essays to highlight different types of detectives and focusing on some of the more famous such as Sherlock Holmes and Inspector Morse the author celebrates the role of the detective in British fiction *Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines* Mih?e?, Lorena Clara, Andreescu, Raluca, Dimitriu, Anda, 2021-01-15 Stories are everywhere around us from the ads on TV or music video clips to the more sophisticated stories told by books or movies Everything comes wrapped in a story and the means employed to weave the narrative thread are just as important as the story itself In this context there is a need to understand the role storytelling plays in contemporary society which has changed drastically in recent decades Modern global society is no longer exclusively dominated by the time tested narrative media such as literature or films because new media such as videogames or social platforms have changed the way we understand create and replicate stories The *Handbook of Research on Contemporary Storytelling Methods Across New Media and Disciplines* is a comprehensive reference book that provides the relevant theoretical framework that concerns storytelling in modern society as well as the newest and most varied analyses and case studies in the field The chapters of this extensive volume follow the construction and interpretation of stories across a plethora of contemporary media and disciplines By bringing together radical forms of storytelling in traditional disciplines and methods of telling stories across newer media this book intersects themes that include interactive storytelling and narrative theory across advertisements social media and knowledge sharing platforms among others It is targeted towards professionals researchers and students working or studying in the fields of narratology literature media studies marketing and communication anthropology religion or film studies Moreover for interested

executives and entrepreneurs or prospective influencers the chapters dedicated to marketing and social media may also provide insights into both the theoretical and the practical aspects of harnessing the power of storytelling in order to create a cohesive and impactful online image
