**Schonfield Hugh J. (author)**

## **The Pentecost Revolution:**

**The Pentecost Revolution** Hugh J. Schonfield, In this scholarly yet readable book Schonfield tries to unravel the mysteries behind the development of early Christianity in the thirty years between the crucifixion of Jesus and the Fall of Jerusalem It builds on the famous work *The Passover Plot* by the same author It is a companion reader also to *Those Incredible Christians* and *The Politics of God* and provides challenging insights into a world we thought we understood

**The Pentecost Revolution** Hugh Joseph Schonfield,1974-01-01      *The Pentecost Revolution* Hugh J. Schonfield,1974

**Pentecost Revolution** Schonfield Hugh J. (author),1901      **Hugh Schonfield** Owen Power,2013-03-13 With this book Owen Power offers the first full length intellectual history of the thinker Hugh Schonfield 1901 1988 Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus as there is a striking lack of agreement as to their Jewish status among halakhic authorities and there is no real consensus among Messianic Jews themselves in answering the question Who is a Messianic Jew On the other hand the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews Christian missionaries hell bent on enticing Jews from their communities to the welcoming embrace of the Church Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews even if there is among them little consensus as to what such a label means Schonfield s case both reinforces such convictions and problematizes them

**Revolution: Pentecost Renewed** Darryl Fitzwater,      **Red Letter Revolution** Colin McCartney,2008-04-15 The Red Letter Revolution is about a global movement of Christians who are taking the actions of Jesus and his exact words the red letters in some versions of the Bible seriously Colin challenges his readers to join this movement by responding to the poverty racism economic disparity violence classism sexism and all other forms of injustice and oppression all around us like Jesus did Through biblical exposition rousing stories and practical application Colin demonstrates that we can follow the radical words of Jesus only with the love of God and the power of the Holy Spirit This book draws our allegiance to the mission of Christ to the poor and oppressed and calls for us to act It will truly challenge the way we view others and how we should respond to the oppression and injustice present in our world      **Mysteries of the Bridechamber** Victoria

LePage,2007-11-12 Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions particularly in the sacrament of marriage Reinterprets Jesus key teachings in light of the ancient tradition of sacred consortship Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the

ritualists He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the bridechamber sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and transformation Georgia's Roster of the Revolution Lucian Lamar Knight,2009-05 This book contains approximately 9 000 names and a vast assortment of interesting historical data pertaining to the Revolutionary War Several letters of particular interest have been included One is from Secretary Knox of the U S War Department dated **The Secret Legacy of Jesus** Jeffrey J. Bütz,2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey B tz author of The Brother of Jesus and the Lost Teachings of Christianity reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In The Secret Legacy of Jesus B tz demonstrates how this centuries old underground stream of Christ s original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world

*The Pentecostal Takeover* Lee Stanford,2005 The Pentecostal Takeover is the last book on Pentecostalism necessary to convince the Church of its decomposing effect on the body of Christ Finally a daring book with Biblical solutions *When*

*Destiny Dictates* Michael Daniell-Waugh, 2014-07-03 The author wanted to write up his father's memoirs but these were too short for publication so he added his own autobiography and was surprised to find a number of strange occurrences and coincidences in their lives which seemed to be the hand of Destiny The book reviews these events which took place over One Hundred Years of British History covering the upheavals of two World Wars and the dissolution of Britain's Colonial Empire culminating in the Rhodesian Rebellion and what Rhodesia's Prime Minister Ian Douglas Smith described as Britain's Great Betrayal The book moves from early Argentine days to the Somme to India to the Anglo Egyptian Sudan World War 2 Assam Kuwait and Northern and Southern Rhodesia

**The Turin Shroud** Lynn Picknett, Clive Prince, 2007-03-26 In this fully revised and updated edition the bestselling authors of *The Templar Revelation* present new and compelling evidence linking Leonardo da Vinci with the forgery of Christianity's most famous relic For centuries the Turin Shroud was believed to be Christ's authentic burial cloth miraculously imprinted with his image but in 1988 carbon dating revealed it is a medieval or Renaissance era forgery However authors Lynn Picknett and Clive Prince realized that the 1988 discovery prompted even more questions The image seems to be a photograph so could the Turin Shroud actually be the world's first photograph If the face of the man on the Shroud is not Jesus whose is it Who had the sheer audacity to create what would become an infamous relic of Christianity faking even Christ's holy redemptive blood Whoever did this was not only a genius but also a heretic After more than a decade of research Picknett and Prince have accumulated evidence that shows not only was the forger of the Turin Shroud none other than Leonardo da Vinci but also that he used his own face for that of Christ The Turin Shroud is among other things a five hundred year old photograph of Leonardo da Vinci Could Christianity's greatest relic in fact be an attempt to undermine the religion itself

*What on Earth?* Philip Blair, 1993 Written with erudition and simplicity this is a review of the Church's history of involvement in secular life and an exploration of the its true nature and role

**Going Beyond the Jesus Story** Douglas Lockhart, 2011-09-16 Who am I Why am I Where am I headed and where have I been These are just some of the questions that concern the author of *Going Beyond the Jesus Story* a book that ranges freely across complex and intriguing subject areas such as the nature of religious belief contemplative and meditative experience lucid dreaming the role of feeling in our appreciation of reality the inherently spiritual nature of asking questions and our need to go beyond not only the Jesus story as it has come down to us but also the ingrained notion that self is an ongoing uninterrupted experience of the conscious mind that can be taken for granted Directing our attention to the nature of attention itself we are introduced step by carefully constructed step to the idea that consciousness is not what we have assumed it to be or conscious awareness quite as conscious as we like to think it is Delving into history theology and philosophy in an attempt to reach an integrated understanding of the religious and secular problems we face as human beings the author examines ideas that confront and challenge on just about every level ideas that carry us towards an appreciation of what it means to presence the self to the self as an experience in its own right At this point theory gives way

to experiment to methodology to a knowing or seeing that makes this book a unique contribution to the study of human sentience and its evolved and evolving structures      What Islam Did For Us Tim Wallace-Murphy, 2012-01-01 In these troubled times when Islam is under seemingly perpetual attack it is imperative to consider how much the West owes to the religion's spiritual insights Bestselling author Tim Wallace Murphy presents the first major popular book to examine the common roots of Judaism Christianity and Islam and to reveal Islam's immense contributions to our society which included laying the foundations for our systems of education astronomy mathematics and architecture He also illustrates how the European Western powers helped foment the current crisis in the Middle East and why we must strive for a just equitable solution to these problems Understanding can begin with this compelling acknowledgment of our shared spiritual heritage including religious tolerance respect for learning and the concepts of chivalry and brotherhood      The Masks of Christ Lynn Picknett, Clive Prince, 2008-11-11 From the gnostic gospels to the Nativity religious mythology immortalized Jesus his personality his actions his words but what if they didn't tell the truth Although an entire religion is based on his teachings Jesus himself did not record any written accounts of his life or faith He taught his followers orally and our only sources about what Jesus actually said and believed the Gospels were written long after his lifetime But the Gospel authors had their own agendas to promote and most certainly altered even distorted their leader's message In *The Masks of Christ* bestselling authors Lynn Picknett and Clive Prince peel away layers of mythology canonical revisions Church propaganda and censorship in order to reveal who Christ really was and discover his true message to the followers of Christianity Stripping away centuries of misinformation Picknett and Prince dispel religious myths unearth historical truths and uncover the real stories behind some of the Bible's most famous tales including how Christ's long hidden relationships with John the Baptist and Mary Magdalene shaped his beliefs and religious mission Drawing on objective research Picknett and Prince present the living breathing Jesus and provide a context for Jesus teachings in the time and society in which he lived and most important guidance on what the life and lessons of Jesus Christ mean to everyone today      *The Great Pyramid Decoded* Peter Lemesurier, 2022-06-23 Understand the Complexity of the World's Greatest Monument Standing sentinel for four and a half millennia the Great Pyramid of Giza has fascinated all who have beheld its imposing and elegant mass In *The Great Pyramid Decoded* historical theorist researcher and best selling author Peter Lemesurier shares observations based on a simple numeric code which reveals illuminating perspectives on the past as well as prophetic visions of the future Does the Great Pyramid harken back to another civilization much older than ancient Egypt Is it the Old Testament writ in stone Is it an ancient observatory A treasure house A tomb Is there a message in the geometric ratios Lemesurier carefully explores these theories and draws some enlightening and meaningful conclusions Translating the wisdom of this ancient monument the author presents recommendations for the future which are consistent with the advice of Saint Malachy Nostradamus and Edgar Cayce among others Making connections to several religious traditions Lemesurier uses the Great Pyramid to

illustrate humankind's place in the universe Read what this archaic wonder of the world has to say about where we came from and where we may be heading Learn how this one ancient wonder can teach us that we have the potential to reawaken to an enlightened path forward A must for anyone interested in the mystical wisdom of one of the most magnificent civil engineering feats of all time      **Custodians Of Truth** Tim Wallace-Murphy, Marilyn Hopkins, 2025-09-12 A curious thing happened to Tim Wallace Murphy and Marilyn Hopkins when they published Rex Deus their first book on the bloodline of Christ they were contacted by a man from the very lineage they were studying And instead of denying the existence of the bloodline or berating them for revealing secrets he actually confirmed that the Rex Deus lineage exists and even disclosed some of its fundamental secrets The story of the Rex Deus families direct descendents of Christ who is believed to have survived the crucifixion turns out to be much more extensive than the authors first thought Instead of beginning during the time of Jesus it stretches far back into antiquity to the Egyptian Mystery Schools Instead of being only a propagation of the holy bloodline the Rex Deus families are also carriers of the secret teachings of Jesus Custodians of Truth reveals the purpose and secrets of the Rex Deus lineage Jesus was not only a holy man but an adept of ancient knowledge which informed his own teachings This secret knowledge was suppressed by the Church in their voracious quest for power and influence in the secular world These teachings have manifested throughout history in different forms Gnostic philosophy around the time of Jesus the Order of the Knights Templar Freemasons and the current resurgence of interest in New Age thought Finally the time is right for the hidden message of Jesus to be revealed a message of tolerance brotherhood and respect for nature The next chapter in the legend of the Holy Grail and the bloodline of Christ from the best selling authors of Rosslyn

*Magdalene's Lost Legacy* Margaret Starbird, 2003-05-05 Using New Testament gematria symbolic number values encoded in the Greek phrases the author reveals that the sacred couple was one of the essential pillars of early Christian teachings before being denied by the architects of institutional Christianity and obscured by later Church doctrine
