AN INTRODUCTION  
TO OLD TESTAMENT  
LITERATURE, HISTORY,  
AND THOUGHT

J. Kenneth Kuntz

# The People Of Ancient Israel An Introduction To Old Testament Literature History And Thought

**Katrin Zwirgmaier**

## **The People Of Ancient Israel An Introduction To Old Testament Literature History And Thought:**

*The People of Ancient Israel* J. Kenneth Kuntz, 2009-07-01 Intended primarily as a textbook for undergraduates this volume has the following major divisions each divided into chapters I An introduction to the People including the essential stance of the biblical material methods of analysis and the geographical setting II The Origins of the People including a brief history of Old Testament criticism the patriarchal traditions the exodus event and the covenant at Sinai III The Growth of the People from the wilderness period to the time of Elijah IV The Demise of the People from the emergence of the literary prophets to the time of the exile V The Renewal of the People from the Second Isaiah through the end of the Old Testament period There is an extensive bibliography arranged topically and by chapters indexes of authors and subjects and photos and maps scattered appropriately throughout the volume Concerning many basic issues a range of scholarly opinions is cited followed by a judicious evaluation and a list of the author's conclusions Only occasionally may the average informed reader want to take serious issue with the author Each chapter dealing with the biblical text is accompanied by a list of passages which the student is to read in conjunction with it a helpful procedure Treatment of a particular segment of biblical material often includes discussion of its theological stance The author has included coverage of many more topics than introductions of comparable size From The Journal of Biblical Literature review by Lloyd R Bailey Duke University Professor Kuntz has written a very helpful introductory text The traditions and texts of the Hebrew Bible are set within a historical framework but the text is more than a history of ancient Israel Kuntz presents in a succinct fashion major historiographical and interpretative positions He has included an excellent bibliography which includes commentaries atlases journals as well as bibliographies structured along the lines of the table of contents Kuntz has written a very readable and thorough introduction to the Hebrew Bible From The Journal of the American Academy of Religion by Richard D Hecht University of California Santa Barbara Although the subtitle includes the three areas of literature history and thought this volume is primarily concerned with the literature of the Old Testament A vast amount of information is made available in a breezy well articulated and engaging style Kuntz keeps his readers informed on presently controversial issues but he does not allow the intricacies of such current debates to obscure the flow of the work as a whole Each chapter is amply footnoted and an extensive annotated bibliography concludes the volume Some seventy photographs enhance an already clear and concise presentation The vigorous and open stance of the work evident in its lack of defensive or apologetic intent finds confirmation in the author's statement to engage in the Old Testament hermeneutical task is to engage in a dialogue with ancient Israel As that dialogue unfolds the interpreter will be required to place his own view of the world on trial Kuntz has ably demonstrated that the major task of introducing the Old Testament to the interested layperson can be accomplished successfully without jargon and sophisticated detail This volume deserves a wide readership and will serve as a very fine foundation in introductory courses to the entire Old Testament From The Catholic Biblical Quarterly by David P Reid SS CC Washington

Theological Coalition Silver Spring Maryland      In Search of 'Ancient Israel' Philip R. Davies, 2015-11-19 The appearance of In Search of Ancient Israel generated a still raging controversy about the historical reality of what biblical scholars call Ancient Israel But its argument not only takes in the problematic relationship between Iron Age Palestinian archaeology and the biblical Israel but also outlines the processes that created the literature of the Hebrew bible the ideological matrix the scribal milieu and the cultural adoption of a national literary archive as religious scripture as part of the process of creating Judaism As such in this volume Philip R Davies challenges the whole spectrum of scholarly consensus about the origins of Israel and its scriptures in a manner that is both learned and accessible For this new edition Davies has provided a new extended introduction in which he considers how the debate has raged since the book was first published and in which he repositions this classic work within the present scholarly context      Prophetic Figures of the Old Testament Nyamayabo Mashavakure, 2014-12-22 There is nothing particularly new or unique about the subject matter of Prophetic Figures of the Old Testament In fact greater authorities have covered it better many times before and this endeavour is hugely reliant upon and indebted to these great minds for this current work The hope is that readers can enjoy more of what they have already had from many different quarters presented through a different hand It is also the hope that beginning learners of divinity or biblical studies can find this book greatly enjoyable and inspiring In the main the prophetic figures represented in the wording of the book title certainly refer to persons called or identifiable as prophets in the Bible But this is also extended to include some objects occurrences and places that prophets may have encountered and even made use of in the performance of their prophetic duties The interplay of these and the prophet is generally taken to signify the comprehensiveness or completeness of prophecy in this book The reader is invited to interrogate the relationship of the prophet and this environment in order to enjoy more fully the religious historical political intellectual and inspirational aspects one goes through in respect of the issues selected and commented on The reader is encouraged to think beyond what one reads Any statement or comment is not meant to be some kind of definitive prescription but is meant to arouse thought and more thought More important readers should always be in constant contact with the origin of the materials spoken about in this book that is the Bible There is obviously no way in which selective consideration of items picked on a rather random personal subjective basis can replace the source from which these are originally taken Reading of Prophetic Figures of the Old Testament should therefore always depend on knowledge of or familiarity with the background information provided in the Bible      **Biblical Wisdom, Then and Now** Frances Flannery, Nicolae Roddy, 2021-07-29 This volume examines biblical wisdom literature both in its historical context and as it relates to a host of contemporary themes including overcoming social divisions reading from a place of inclusion healing from trauma and challenging religious attitudes toward climate change and animals This volume delivers fresh insights on biblical wisdom texts exploring ways in which wisdom literature speaks perennially to the human condition despite the differences in societies then and now Employing both biblical studies and

theological approaches the diverse group of authors in this collection examine biblical wisdom literature from a variety of perspectives and methodologies to illuminate the relevance of wisdom for ancient audiences such as exiles scribes and leaders as well as for contemporary audiences concerned with challenges such as climate change social division and healing from trauma Its eleven chapters utilize an accessible style that brings erudite scholarship on biblical wisdom to a broader audience Biblical Wisdom Then and Now will be an invaluable resource for undergraduates graduates and specialists in biblical studies as well as the more general reader with an interest in biblical literature and its reception

**Judaism and the Doctrine of Creation** Norbert M. Samuelson,1994-11-24 The topic of this book is creation It breaks down into discussions of two distinct but interrelated questions what does the universe look like and what is its origin The opinions about creation considered by Norbert Samuelson come from the Hebrew scriptures Greek philosophy Jewish philosophy and contemporary physics His perspective is Jewish liberal and philosophical It is Jewish because the foundation of the discussion is biblical texts interpreted in the light of traditional rabbinic texts It is philosophical because the subject matter is important in both past and present philosophical texts and to Jewish philosophy in particular Finally it is liberal because the authorities consulted include heterodox as well as orthodox Jewish sources The ensuing discussion leads to original conclusions about a diversity of topics including the limits of human reason and religious faith and the relevance of scientific models to religious doctrine

**The Hebrew Bible--a Socio-literary Introduction** Norman Karol Gottwald,1985 A general introduction to mainstream critical study of the Hebrew Bible

**The Rescue of Jerusalem** Henry Aubin,2010-08-13 In 701 BC the powerful Assyrian army laid siege to Jerusalem threatening the Hebrew kingdom with destruction What saved the City of David The Bible credits divine intervention Modern scholars have long speculated that a plague spread through the ranks of the Assyrian soldiers forcing them to withdraw Now in this ground breaking account award winning author Henry Aubin argues that it was the Kushites the black Africans who formed Egypt s 25th dynasty who saved Jerusalem the birthplace of Judaism Christianity and Islam In his powerful wide ranging analysis Aubin shows how Western scholarship turned its back on the theory of black African involvement The account of the long forgotten African and Hebrew alliance that rescued Jerusalem will change the face of Jewish and African history and contribute to a fresh understanding of our world today

**Who Wrote That?** Donald Ostrowski,2020-06-15 Who Wrote That examines nine authorship controversies providing an introduction to particular disputes and teaching students how to assess historical documents archival materials and apocryphal stories as well as internet sources and news Donald Ostrowski does not argue in favor of one side over another but focuses on the principles of attribution used to make each case While furthering the field of authorship studies Who Wrote That provides an essential resource for instructors at all levels in various subjects It is ultimately about historical detective work Using Moses Analects the Secret Gospel of Mark Abelard and Heloise the Compendium of Chronicles Rashid al Din Shakespeare Prince Andrei Kurbskii James MacPherson and Mikhail Sholokov Ostrowski builds concrete examples that

instructors can use to help students uncover the legitimacy of authorship and to spark the desire to turn over the hidden layers of history so necessary to the craft      The Wisdom of Jesus Charles W Hedrick,2017-04-27 How would our understanding of Jesus change if we abandoned our preconceptions and focussed on his words alone How would this wisdom compare with that of ancient Israel and the early first century church Such questions pose serious difficulties Everything in the early Christian gospels is either derived from historical memory or is borrowed or invented argues Charles W Hedrick Of the many sayings attributed to Christ historians can only agree on a few as having been spoken by him and those few are far from certain In The Wisdom of Jesus Hedrick overcomes these challenges presenting a picture of Jesus as expressed through his own words The Jesus that emerges is a lower class man of the first century a complex figure who cannot be considered religious in a traditional sense Liberated from theological explanation and interpretation his discourse is revealed as belonging to the secular world and his concerns to be those of common life      *God and History in the Old Testament* Denis Baly,T. P. Bronco,1976      Exodus 18 Noppawat Kumpeeroskul,2024-07-05 This work argues that Exod 18 1 27 functions literarily and theologically as the key transitional midpoint in the Exodus narrative As such the chapter s function is both retrospective recalling key features of chapters 1 17 and prospective anticipating key features of chapters 19 40 at the midpoint of the book In the Exodus narrative the character of Jethro is rhetorically employed by the narrator as a model to contrast with all the nations and as a model to contrast with all the faithless Israelites Exodus 18 draws to a close a first narrative movement in the first half of the book in which Yahweh is seen and known through his mighty acts of deliverance Through Moses Yahweh delivers Exodus 18 also signals a shift in the second half of the book to a self revelation of Yahweh which will feature Israel s need to heed the word and will of Yahweh as mediated through Moses Through Moses Yahweh will govern      **Equal Rites** Clyde R. Forsberg Jr.,2004-03-10 Both the Prophet Joseph Smith and his Book of Mormon have been characterized as ardently indeed evangelically anti Masonic Yet in this sweeping social cultural and religious history of nineteenth century Mormonism and its milieu Clyde Forsberg argues that masonry like evangelical Christianity was an essential component of Smith s vision Smith s ability to imaginatively conjoin the two into a powerful and evocative defense of Christian or Primitive Freemasonry was Forsberg shows more than anything else responsible for the meteoric rise of Mormonism in the nineteenth century This was to have significant repercussions for the development of Mormonism particularly in the articulation of specifically Mormon gender roles Mormonism s unique contribution to the Masonic tradition was its inclusion of women as active and equal participants in Masonic rituals Early Mormon dreams of empire in the Book of Mormon were motivated by a strong desire to end social and racial discord lest the country fall into the grips of civil war Forsberg demonstrates that by seeking to bring women into previously male exclusive ceremonies Mormonism offered an alternative to the male dominated sphere of the Master Mason By taking a median and mediating position between Masonry and Evangelicism Mormonism positioned itself as a religion of the people going on to become a world religion But

the original intent of the Book of Mormon gave way as Mormonism moved west and the temple and polygamy indeed the quest for empire became more prevalent The murder of Smith by Masonic vigilantes and the move to Utah coincided with a new imperialism and a new polygamy Forsberg argues that Masonic artifacts from Smith's life reveal important clues to the precise nature of his early Masonic thought that include no less than a vision of redemption and racial concord *Jonah's World* Lowell K. Handy, 2014-12-05 The story of Jonah often read as a simple children's story is a multifaceted and elaborate narrative with serious intent Treating the biblical book as a fictitious story based on real locations and recognizable persons *Jonah's World* examines the background to the story and draws on social science approaches to describe its imaginative world The book explores the geography theology myth human characters natural landscape and the ideology behind the story to uncover a vision of reality shaped by literary technique *Jonah's World* will be invaluable to students and scholars seeking a new approach to the reading of this colourful text *Abrahamic Religions , Judaism , The Ancient World* Frank N. Magill, 2003-12-16 Containing 250 entries each volume of the Dictionary of World Biography contains examines the lives of the individuals who shaped their times and left their mark on world history Much more than a Who's Who each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements and conclude with a fully annotated bibliography The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history Any student in the field will want to have one of these as a handy reference companion **Genesis... and it begins** David M. Steimle, 2012-02-20 This book is a resource for biblical students history buffs or those who like to read In this single volume grouped are together a Interlinear Hebrew accompanied by an English equivalent a translation with notes on the discussion of each verse and ancient related texts from Egyptian Sumerian Akkadian Hittite Ugaritic Greek and other biblical verses that akin to the first three chapters of Genesis It was our hope to introduce the world text and discussion on Genesis chapters one two and three to any reader We have taken into consideration Jewish Christians and Secular Scholarship in this production We address issues of the Creation of the earth Humanity and their fall **And He Will Take Your Daughters...** April D. Westbrook, 2015-04-23 April Westbrook explores the intentional inclusion of woman stories those displaying significant female presence within the David narrative in the books of Samuel These stories are made prominent by the surprisingly high number of their occurrences as well as the sequentially progressive literary pattern in which they occur in the larger narrative Westbrook shows that the dramatic and detailed accounts within the story repeatedly challenge the reader to consider the experiences of women and their contribution to the purpose of the larger narrative When viewed collectively these woman stories serve to stir the reader's responses in ways which systematically call into question the nature of the monarchy itself as a power system both its impact upon the nation and upon the kings who rule Although King David is often held up as a paragon of virtue the experiences of

the women in his life frequently reveal a different side of his character and the reader must wrestle with the resultant ambiguity In the process the reader must also think deeply about the inevitably negative aspects of hierarchical social structures and why this biblical text is apparently designed to press the reader toward unavoidable and uncomfortable personal confrontation with these realities concerning the use of power within community life      *When History and Faith Collide* Charles W. Hedrick, 2013-02-05 Hedrick explores the tension or collision that occurs when studying the Jesus of faith with the critical eye of historical scholarship He outlines the nature of historical inquiry gives a brief history of how scholars have understood Jesus and identifies the essential issues confronting the reader of the New Testament Gospel accounts of Jesus discrepancies contradictions and the differences as well as strong similarities among different writers      **Poor**

**Banished Children of Eve** Gale A. Yee, Analyzes four biblical passages Genesis 2 3 Hosea 1 3 Ezekiel 23 and Proverbs 7 in which a woman is the source or symbol of sin

## Reviewing **The People Of Ancient Israel An Introduction To Old Testament Literature History And Thought:** Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
