Mayor Erastus Corning Paul

Grondahl,2007-09-07 Grondahl s classic biography of Albany s mayor for life now available in paperback *The Great Divorce* Ilyon Woo,2010-08-10 Ilyon Woo presents the earliest child custody laws of this country with vivid relevance both legal and feminist details are fascinating St Louis Post Dispatch The Great Divorce is the dramatic richly textured story of one of nineteenth century America s most infamous divorce cases in which a young mother single handedly challenged her country s notions of women s rights family and marriage itself In 1814 Eunice Chapman came home to discover that her three children had been carried off by her estranged husband He had taken them she learned to live among a celibate religious people known as the Shakers Defying all expectations this famously petite and lovely woman mounted an epic campaign against her husband the Shakers and the law In its confrontation of some of the nation s most fundamental debates religious freedom feminine virtue the sanctity of marriage her case struck a nerve with an uncertain new republic And its culmination in a stunning legislative decision and a terrifying mob attack sent shockwaves through the Shaker community and the nation beyond With a novelist s eye and a historian s perspective Woo delivers the first full account of Eunice Chapman s remarkable struggle A moving story about the power of a mother s love The Great Divorce is also a memorable portrait of a rousing challenge to the values of a young nation Modern Americans bombarded with stories of celebrity divorces probably assume that the tabloid breakup is a recent phenomenon This lively well written and engrossing tale proves them wrong The New York Times Book Review A Bibliography of New York State Communities ,1990

Bibliographies of local history are essential research tools for historians genealogists and book collectors This volume is an attempt to bring together citations to all the books and pamphlets dealing with New York State history at the local or community level which were published between 1900 and 1987 also included are some of the more important local history publications published prior to 1900 as well as a few works published as recently as 1989 It is not an attempt to compile a complete bibliography of the state which would undoubtedly require several large volumes but rather is directed more specifically to the needs of the local history and genealogy researcher Material pertaining to the history of the major cities of the state has generally been excluded Periodical articles and manuscript materials have also been excluded About 2 500 publications are described in the listings which are arranged by county and town This revised and enlarged edition updates the 1988 work with numerous additional citations well annotated for informative and entertaining reading covering the following new subjects Hudson Valley Indians maps northern and western New York reference books which include a substantial amount of New York material Revolutionary War Shakers and books with statewide coverage Proceedings of the New York State Historical Association with the Quarterly Journal New York State Historical Association,1982
